PLAINTIFFS' MOTION FOR ATTORNEY'S FEES AND COSTS

In response to the plaintiffs' Seventh Request for Attorney's Fees and Costs, the parties have conferred on the amount of fees and costs reasonably incurred for the period July 1, 2016 – June 30, 2018. Plaintiffs have conferred with Defendants about the substance of this motion. Defendants have indicated they are unlikely to oppose the Motion, but have reserved their rights. Therefore, plaintiffs are not submitting detailed time records, affidavits, or legal memorandum at this time.

Wherefore, the plaintiffs move that the Court enter an Order requiring the Commonwealth to pay the plaintiffs the amount of \$ 340,553.01 for fees and costs incurred during this period. The Court further should direct the defendants to make such payment within ninety days of this Order.
