01/05/2010	<u>78</u>	MINUTES for proceedings held before Chief Judge Robert G James: STATUS CONFERENCE held on 1/5/2010. The Court finds it appropriate to ORDER, on its on motion, that the School Board meet and consider action towards achieving unitary status and the possibility of consulting an expert to assist them with this goal. Additionally, the Court has instructed Mr. Scott to determine the status of the remaining Plaintiffs in this case and whether there may be appropriate substitute Plaintiffs. The Court expects Plaintiffs and the School Board to work together in reviewing the Supreme Court's Green factors to determine if the school system has achieved partial unitary status on some of the factors and to address those factors where further action may be needed. The School Board submitted an annual report to the Court in compliance with the Court's August 14, 2008 Order. However, in order to assist the Court in reviewing the demographic makeup of the student population, by February 10, 2010 the School Board is required to submit a revised report with the information stated in these minutes. The Court's August 14, 2008 Order is hereby MODIFIED to require the School Board to provide this information to the Court on or before October 15th of each school year.
