Judicial ADR events may be heard in a court that is different from the court where the case is filed. To check location information about an ADR event, select the **Notices** tab on the top of the case detail page.

Matters that appear on the Short Calendar and Family Support Magistrate Calendar are shown as scheduled court events on this page. The date displayed on this page is the date of the calendar.

All matters on a family support magistrate calendar are presumed ready to go forward.

The status of a Short Calendar matter is not displayed because it is determined by markings made by the parties as required by the calendar notices and the [civil](#) standing orders. Markings made electronically can be viewed by those who have electronic access through the Markings History link on the Civil/Family Menu in E-Services. Markings made by telephone can only be obtained through the clerk's office. If more than one motion is on a single short calendar, the calendar will be listed once on this page. You can see more information on matters appearing on Short Calendars and Family Support Magistrate Calendars by going to the [Civil/Family Case Look-Up](#) page and [Short Calendars By Jurisdiction](#) or [By Court Location](#).

Periodic changes to terminology that do not affect the status of the case may be made.

This list does not constitute or replace official notice of scheduled court events.

**Disclaimer:** For civil and family cases statewide, case information can be seen on this website for a period of time, from one year to a maximum period of ten years, after the disposition date. If the Connecticut Practice Book Sections 7-10 and 7-11 give a shorter period of time, the case information will be displayed for the shorter period. Under the Federal Violence Against Women Act of 2005, cases for relief from physical abuse, foreign protective orders, and motions that would be likely to publicly reveal the identity or location of a protected party may not be displayed and may be available only at the courts.
