# OBJECTOR LIGHT'S OBJECTION IN OPPOSITION TO INTERVENOR RUGGIERI'S MOTION TO INTERVENE

Now comes objector, GERMAINE LIGHT, by her attorneys, Andreou & Casson, ltd., and for her Response In Opposition To Intervenor Ruggieri's Motion To Intervene states as follows:

#### INTRODUCTION

The Objector, Germaine Light, brings her this action as an Objector to Candidate Ruggieri's Motion to Intervene. Candidate Ruggieri brings his motion to intervene in order to evade the consequences of his failure to comply with the Illinois Election Code, not because he had been prejudiced or denied a constitutional right because of it. As a major party candidate, Candidate Ruggieri had no trouble obtaining and submitting to the Illinois State Board of Elections

a total of 1152 signatures on his nominating petitions. Although clearly having knowledge of the requirements of the Election Code, his rights under the U.S. Constitution, and the existence of this litigation, Candidate Ruggieri sat on his rights and did nothing until it became clear to him that he had submitted defective petition signatures. Now, facing the prospect of an as-yet to be determined outcome before the Election Board, Candidate Ruggieri attempts an end-run around the Illinois Election Code and the State Board of Elections, by his entreaty to this Court to treat the Republican Party as a minor party candidate and seeks dispensation for his failure to comply with the Election Code, and not the deprivation of any rights guaranteed by the U.S. Constitution or federal law.

# FACTS AND PROCEDURAL POSTURE OF THE RUGGIERI'S REQUEST TO INTERVENE

Plaintiffs filed the above-styled action on April 2, 2020, just days after Illinois's 90-day window for candidates' signature collection had opened on March 24, 2020. Verified Complaint, [Dkt 1]. The following day, on April 3, 2020, Plaintiffs filed their Motion for Emergency Relief seeking to enjoin in Illinois's signature collection requirement. Motion for Temporary Restraining Order and Preliminary Injunction [Dkt 2].

On April 10, 2020, the Court directed the parties to "promptly to confer regarding a proposed resolution of their dispute." Notification of Minute Entry [Dkt 5]. On April 14, 2020, the parties conducted a telephonic conference pursuant to the Court's Order to discuss possible resolution of the case. The District Court expedited the matter and immediately scheduled a round of telephonic conferences. See Minute Entry, with all the parties in an effort to resolve the dispute [Dkt 11].

<sup>&</sup>lt;sup>1</sup> As pointed out infra, it is not entirely clear what constitutional basis Candidate Ruggieri's claims here, as he has failed to substantively comply with FRCP 24 by omitting a complaint. However, the bare-bones articulation of a 1<sup>st</sup> and 14<sup>th</sup> Amendment claim being what it is, it is presumed that it is the only constitutional hook being alleged here.

Kyle Kenley Kopitke, a potential independent presidential candidate, moved to intervene on April 13, 2020 and the motion was granted by the Court. [Dkt 7]. The parties each submitted a proposed resolution to the Court which the Court then adopted on April 23, 2020. [Dkt 27]. The Court described its reasoning and this agreed-to resolution in its Opinion and Order released that same day, April 23, 2020.

The Court's order enjoined Illinois' required numbers of signatures for independent and minorparty candidates to gain access to the November 2020 general election ballot, enjoined Illinois's requirement that original, "wet," in-person collected signatures be submitted, and enjoined Illinois's deadline for the submission of these signatures. [Dkt 27]. It also extended the deadline to August 7, 2020. [Dkt 27]. Further, as agreed by the parties, it reduced the number of signatures required to 10% of the numbers previously required. Id. at 401. On May 8, 2020, Defendants moved the District Court for reconsideration. See Motion for Reconsideration [Dkt 31]. Defendants sought to increase the number of signatures and to return to the original deadline. The Court on May 15, 2020 exercised its discretion and trimmed the deadline back from August 7, 2020 to July 20, 2020. See Notification of Docket Entry, [Dkt 36]. On June 6, 2020, Defendants noticed an appeal in this case. See Notice of Appeal [Dkt 38]. Defendants on June 9, 2020 moved to expedite the appeal and moved this Court to stay the preliminary injunction. See Motion to Stay, 7th Cir. Doc. No. 7-1. The Seventh Circuit on June 21, 2020, denied the Illinois State Board of Elections Request. See Libertarian Party of Illinois v. Pritzker, slip op., No. 20-1961, Order, Doc. No. 23 (7th Cir., June 21, 2020). Ruggieri is a member of the Republican Party. The Republican Party is an established political party as determined pursuant to 10 ILCS 5/7-2. For nominations for State Senate in the General Election, candidates of established parties must file with the Board a minimum of 1000 valid signatures. On June 19, 2020, the Board conducted a records

examination. The Board reviewed 1,152 signatures filed by the Candidate with the Board. Ex. A. Of those nominating signatures filed with the Board, the Board found that 203 of them were invalid. Ruggieri filed 949 valid signatures, which is less than the statutorily mandated minimum valid signatures for the 2020 General Election, 52<sup>nd</sup> Senate District. Ex. B.

On June 22, 2020, Light filed her Motion for Summary Judgment with the Board alleging that the Candidate failed to challenge the objection or rehabilitate the signatures. Exhibit A. On June 23, 2020, instead of challenging the signature filed with the State Board and after determining that he submitted invalid signatures, Intervenor-Ruggieri moved to intervene in this action. See Motion to Intervene, [Dkt 44]. On June 26, 2020, without any response from Candidate Ruggieri, the Hearing Officer issued his recommendation that the Objector's motion for summary judgment be granted. Exhibit B. Within hours of receiving the recommendation of the Hearing Officer, Candidate Ruggieri requested and was granted an opportunity to respond to the Motion for Summary Judgment. On June 28, 2020, Candidate Ruggieri filed his response to summary judgment, asserting, in summary, that summary judgment should not be granted, admitting that the number of valid signatures is deficient, but asserting that the State Board must defer to this Court upon his request to intervene in this action. Exhibit C.

Further, Candidate Ruggieri is not the only major party candidate who sought nomination under the Election Code. <sup>2</sup>Kathleen (Kathie) Jo Hansen, sought placement on the November 3, 2020, General Election ballot from the 67<sup>th</sup> Representative District. Exhibit E. The Hearing Officer in the Hansen matter, unlike with Candidate Ruggieri, found that Candidate Hansen complied with the signature requirement prescribed in the Election Code. There is no record of either Candidate Ruggieri, Candidate Hansen or the Republican Party of Illinois advocating,

<sup>&</sup>lt;sup>2</sup> It is noteworthy that Candidate Ruggieri and Candidate Hansen are both nominees of the Republican Party and are represented by the same counsel.

advancing or communicating a violation of a constitutional right imposed based on compliance with the Election Code. In fact, Candidates from major parties, either Republican or Democratic, filed nominating petitions in the 52<sup>nd</sup> Senate (Ruggieri), 67<sup>th</sup> Representative (Hansen), 112<sup>th</sup> Representative (Ciampoli), 96<sup>th</sup> Representative (McGorray), 52<sup>nd</sup> Representative (Suelzer), 102<sup>nd</sup> Representative (Esslinger), 100<sup>th</sup> Representative (Adams), 56<sup>th</sup> Representative (Kegarise), 55<sup>th</sup> Senate (Given), 18<sup>th</sup> Congressional (Petrilli), 50<sup>th</sup> Representative (Monteleone), 34<sup>th</sup> Senate (Hofmann), and 4<sup>th</sup> Congressional (Solorio). Of these Candidates, Candidate Ruggieri is the lone failure under the Election Code and all others have complied with the signature requirements for a major party candidate. Exhibit F, also see,

Ruggieri has filed his motion to intervene under Fed. R. Civ. P. 24(a)(2) and 24(b)(1)(B). Ruggieri first argues that he is entitled to intervene as of Right under Rule 24(a)(2). Ruggieri argues that 1) his Petition is Timely, 2) that he maintains valid interests in this action, 3) his interests have been impaired by the order entered in this case, 4) and that the existing parties do not adequately represent his interests. In the alternative Ruggieri argues that the Court should use its discretion and permit his intervention. For the reasons explained below Ruggieri's Motion must fail.

#### **STANDARD**

Federal Rule of Civil Procedure 24, which governs intervention, states, in relevant part: "(a) INTERVENTION OF RIGHT. On timely motion, the court must permit anyone to intervene who:

. . .

<sup>(2)</sup> claims an interest relating to the property or transaction that is the subject of the action, and is so situated that disposing of the action may as a practical matter impair or

impede the movant's ability to protect its interest, unless existing parties adequately represent that interest.

(b) PERMISSIVE INTERVENTION. (1) In General. On timely motion, the court may permit anyone to intervene who:

. . .

(B) has a claim or defense that shares with the main action a common question of law or fact.

. . .

(3) Delay or Prejudice. In exercising its discretion, the court must consider whether the intervention will unduly delay or prejudice the adjudication of the original parties' rights."

F. R. Civ. P. 24.

In order to intervene as of right, a nonparty must, in timely fashion, demonstrate to the Court's satisfaction that it possesses a "direct, substantial, and legally protectable" interest in the case, *United States v. BDO Seidman*, 337 F.3d 802, 808 (7th Cir. 2003), and that will be practically impaired by the Court's resolution of the case in the proposed intervenor's absence. See *Ligas ex rel. Foster v. Maram*, 478 F.3d 771, 774 (7th Cir. 2007) (holding that action did not in fact threaten the interests raised by the putative intervenors). Further, the intervenor must show that the existing parties cannot adequately represent its interests. *Trobovich v. United Mine Workers of America*, 404 U.S. 528, 538 n.10 (1972). He must also attach a copy of proposed pleading, presumably a Complaint, to his motion to intervene. See Fed.R.Civ. P. 24(c).

#### <u>ARGUMENT</u>

#### I. RUGGIERI HAS NO RIGHT TO INTERVENE UNDER RULE 24(A).

#### a. Ruggieri's motion is not timely.

As previously stated, in order to intervene as of right, a nonparty must, *in timely fashion*, demonstrate to the Court's satisfaction that it possesses a "direct, substantial, and legally protectable" interest in the case, *United States v. BDO Seidman*, 337 F.3d 802, 808 (7th Cir. 2003).

"A prospective intervenor must move promptly to intervene as soon as it knows or has reason to know that its interests might be adversely affected by the outcome of the litigation." *Heartwood, Inc. v. U.S. Forest Service, Inc.*, 316 F.3d 694, 701 (7th Cir. 2003). While the Seventh Circuit has stated that it does not "want a rule that would require a potential intervenor to intervene at the drop of a hat," *Aurora Loan Services, Inc. v. Craddieth*, 442 F.3d 1018, 1027 (7th Cir. 2006), it has recognized that Rule 24 still requires that intervention not be dilatory. *Heartwood*, 316 F.3d at 701.

Here, due to the wide publicity around this case Ruggieri knew, or should have known about the present action around its inception in April 2020. Ruggieri waited two months to seek to intervene in the present action. Furthermore, as made clear in Plaintiffs' pleadings, and as recognized by this Court's expedited handling of the matter, time has been of the essence. The Court should be even more skeptical of Ruggieri's motion when he expressed no interest in joining the action until after he submitted signatures which were challenged and as a result failed to meet the established party June 1, 2020 threshold. Furthermore, Objector Light agrees with Plaintiff's argument that Ruggieri's motion to intervene at such a late stage of the proceedings would be extremely prejudicial. Ruggieri's Motion, in essence, requests this Court to disregard the history of the case, reopen negotiations between the Parties, and modify the injunctive order for the benefit of a party who was never prejudiced by the stay at home order, was never contemplated by the injunction as an established party representative, and simply failed to meet his requirements.

#### b. Ruggieri does not have a Valid Interests in This Action.

Ruggieri's Motion to Intervene must be denied because Ruggieri does not have a valid interest in this action. Ruggieri argues that he "is affected by the Order insofar as it permits independent and new party candidates for State Senate (his General Election opponents) to access the ballot in a dramatically relaxed fashion as compared to established party candidates like himself."[Dkt 44]

p8]. Ruggieri argues that will not have the necessary number of 1000 signatures. Id. Plaintiff's Complaint and relief sought is wholly different from Ruggieri's proposed action. Accordingly, the Court must deny Ruggieri's Motion.

Plaintiffs filed their Motion for Emergency Relief seeking to enjoin Illinois's signature collection requirement. The Complaint specifically distinguished the ballot requirements between those affiliated with an 'established' political party, those affiliated with a 'new' political party, and those running as independents. The Complaint explained that the ballot requirements were more stringent for those affiliated with a 'new' political party and those running as independents. For instance, to appear on the ballot for statewide office, new party and independent candidates must collect signatures from the lesser of 25,000 voters or 1 percent of the votes cast in the most recent statewide election and to appear on the ballot for a political subdivision within the state, like a legislative district, the number of signatures required is 5 percent of the voters who voted for the last election for that office. In theory, a new party candidate for the U.S. Senate would need 25,000 signatures, while a Democrat or Republican would need only 5,000 to 10,000. [Dkt 26 p2]. Plaintiffs filed their Motion for Emergency Relief because the combination of these already stringent requirements with the extraordinary circumstances arising from COVID-19 made it nearly impossible for Plaintiffs to even gather signatures.

The Court agreed. When reviewing the motion, the court noted that new party candidates are already put at a further disadvantage because of the already stringent, but constitutional, ballot requirements. The Court noted that, the current situation forces new party candidates to "choose between complying with the governor's emergency orders intended to prevent the spread of the coronavirus or engaging in the outreach needed to receive signatures to appear on the ballot." [Dkt 44 p4]. The Court added that "[t]he combined effect of the restrictions on public gatherings

imposed by Illinois' stay-at home order and the usual in-person signature requirements in the Illinois Election Code is a nearly insurmountable hurdle for new party and independent candidates attempting to have their names placed on the general election ballot [and that the problem] is exacerbated by the circumstance by the fact that the "window" for gathering such signatures opened at nearly the same time that Governor Pritzker first imposed restrictions." [Dkt 44 p7-8].

Here, Ruggieri's Motion must fail because his proposed action is wholly distinguishable from Plaintiffs' Complaint or the relief sought. First, Intervenor Alexander (AJ) Ruggieri ("Ruggieri") is a Republican candidate for the Illinois State Senate in the 52nd Legislative District who, as a representative of an established party, already benefits from relaxed rules to place his name on the ballot. Second, pursuant to Section 7-61 of the Illinois Election Code, once appointed, Ruggieri was only required to produce 1000 signatures. Unlike independent candidates, Ruggieri never had to face the nearly insurmountable hurdle described in this Court's Opinion. His signature gathering efforts were never impacted by a shortened "window." In fact, Ruggieri did produce 1,152 signatures.<sup>3</sup> On June 19, 2020, the Board conducted a records examination. The Board reviewed 1,152 signatures filed by the Candidate with the Board. Of those nominating signatures filed with the Board, the Board found that 203 of them were invalid. Ruggieri found himself with 949 valid signatures, which is less than the statutorily mandated minimum valid signatures for the 2020 General Election, 52<sup>nd</sup> Senate District. This matter is now in front of a Hearing Officer and the Electoral Board upon the Objector's Petition. Third, this Court's injunctive Order was not designed as an omnibus vehicle through which any and all individual cases involving the election board can be resolved. Instead, Plaintiffs' Complaint and the Court's injunctive order was designed and tailored to address a specific situation regarding ballot requirements, for those affiliated with a

<sup>&</sup>lt;sup>3</sup> Ruggieri currently has a pending matter in front of the Electoral Board. A copy of the action and case management order is attached as Exh. A and G and initial case management order.

'new' political party, and those running as independents, compounded and exacerbated by Covid-19 and the imposition of the Illinois' stay-at home order. Ruggieri does not have a valid interest in this action. This Court must deny Ruggieri's Motion.

#### c. Ruggieri's Interests Have not Been Impaired By The Order Entered In This Case.

Ruggieri argues that his interests have been impaired by the order entered in this case. For that proposition Ruggieri states that the Order relaxes ballot access requirements for new party and independent candidates, but does not do likewise for established Republican Party candidates like Ruggieri who had to collect petition signatures under precisely the same difficult circumstances. [Dkt 44 p8].

Ruggieri's argument is meritless. This Court's injunctive order was designed and tailored to address a specific situation regarding ballot requirements, for those affiliated with a 'new' political party, and those running as independents, compounded and exacerbated by Covid-19 and the imposition of the Illinois' stay-at home order. [Dkt 26]. The Court took into account the fact that "[t]he combined effect of the restrictions on public gatherings imposed by Illinois' stay-at home order and the usual in-person signature requirements in the Illinois Election Code is a nearly insurmountable hurdle for new party and independent candidates attempting to have their names placed on the general election ballot [and that the problem] is exacerbated by the circumstance by the fact that the "window" for gathering such signatures opened at nearly the same time that Governor Pritzker first imposed restrictions." Id. Ruggieri was never similarly situated. Indeed, as a representative of an established party, he already benefits from relaxed rules to place his name on the ballot. Ruggieri never had to face the nearly insurmountable hurdle for new party and independent candidates attempting to have their names placed on the general election ballot and his signature gathering efforts were never impacted by a shortened "window." In addition,

Ruggieri did in fact produce 1,152 signatures. [Dkt 44]. During a records examination, the Board reviewed 1,152 signatures filed by the Ruggieri and found that 203 of them were invalid. Ruggieri found himself with 949 valid signatures, which is less than the statutorily mandated minimum valid signatures for the 2020 General Election, 52<sup>nd</sup> Senate District. Lastly, the underlying matter is currently in front of a Hearing Officer, and the Electoral Board upon the Objector's Petition, where Ruggieri has the opportunity to contest the rejection of the challenged petitions. Quite simply, Ruggieri's Motion is a crude attempt to fiddle this Court into placing him directly on the ballot since he already collected 949 valid signatures and wouldn't need to gather more signature. For this reason, Ruggieri's Motion must be denied.

Lastly, in order to obtain relief under this Court's Injunctive Order, Ruggieri is free to file nominating petitions as an independent candidate and still remain within the confines of the relief ordered. Candidate Ruggieri, however, argues that the Election Code should be upended to accommodate for only him, after sitting on his rights for months, and only after the revelation of his failure to provide sufficient valid signatures to the Board. It is certainly curious that Candidate Ruggieri, and only he, was unable to comply with the mandates of the Election Code among 13 other candidates. It is clear that the Election Code requirements did not deprive him of any cognizable right, that is ability to obtain sufficient signatures was not impaired and that he is merely fishing for opportunity with this Court to save him from his failures and not vindicate a substantial right under either the 1st or 14th Amendments to the U.S. Constitution.

d. Ruggieri's Argument That The Existing Parties Do Not Adequately Represent His Interests Is Disingenuous.

Ruggieri's argument is disingenuous. The existing parties do not adequately represent his interests is misplaced. Ruggieri's argument is disingenuous. The existing parties do not adequately represent Ruggieri's interests because there is no commonality in the Complaints or Reliefs sought.

Ruggieri's situation is dissimilar to that of the existing parties. The Plaintiffs were faced with a choice between complying with the governor's emergency orders intended to prevent the spread of the coronavirus and a short window for signature gathering, or engaging in the outreach needed to receive signatures to appear on the ballot. Ruggieri is interjecting himself into this litigation, cloaking himself with the mantle of a candidate already facing stringent (alike an independent candidate), while very much still benefitting from his position as representative of an established Party who collected 949 signatures, just short of his already low 1000 threshold. Ruggieri's Motion is nothing but a veiled challenge of his rejected petitions and an attempt to fiddle this Court into placing him directly on the ballot. Ruggieri's Motion must be denied.

#### II. RUGGIERI HAS NO RIGHT TO INTERVENE UNDER RULE 24(b)(1)(B).

Ruggieri claims that "common questions of law and fact" support his intervention which is the requirement for permissive intervention under Rule 24(b)(1)(B). Motion to Intervene, [Dkt 44 p 9]. Ruggieri argues that rather "than presenting new questions of law or fact, Ruggieri merely seeks to intervene and advocate for himself." [Dkt 44 p10]

The Court must deny Ruggieri's argument. Ruggieri's Motion to intervene is not only a challenge of his rejected signatures but also an attempt to have court either determine 1) whether as a candidate of an established party with a lower threshold he should be granted the benefit of an injunction, 2) whether he presented the required amount of signatures, 3) whether this Court should enjoin the Electoral Board proceeding addressing the challenge of Ruggieri's rejected petitions 4) and whether the Court could bypass the Electoral Board and possibly make a

determination on the challenged petitions. This Court's injunctive Order was not designed as an omnibus vehicle through which any and all individual cases involving the election board can be resolved. For this reason alone, Ruggieri's Motion must be denied.

If the Court needed further guidance, it should look no further than to its earlier ruling granting Plaintiff Kopitke's motion to intervene. Kopitke's filed a motion to intervene claiming that his claim shared common questions of law and fact with the main action. In granting the motion this Court recognized that Kopitke, as an Independent candidate, shared with Plaintiffs the same signature gathering statutory restrictions, "nearly unsurmountable" Covid-19 related hurdles, and, as a result, sought identical relief. This is not the case here. Ruggieri never faced those hurdles. Ruggieri is a candidate from an established party, with relaxed rules, who due to a valid challenge finds himself short of the required threshold. Lastly, Ruggieri has another avenue available to him. The underlying matter is currently in front of a Hearing Officer, and the Electoral Board upon the Objector's Petition, where Ruggieri has the opportunity to contest the rejection of the challenged petitions. For this reason, Ruggieri's Motion must be denied.

# III. RUGGIERI'S MOTION SHOULD BE STRICKEN FOR FAILURE TO COMPLY WITH RULE 24.

Ruggieri's Motion should be stricken for failure to comply with Rule 24(c). Federal Rule of Civil Procedure 24(c) is unambiguous in defining the procedure for an intervenor and requires a pleading to accompany the motion to intervene. *See* also, e.g., *Shevlin v. Schewe*, 809 F.2d 447, 450 (7th Cir.1987); *Abramson v. Pennwood Inv. Corp.*, 392 F.2d 759, 761 (2nd Cir.1968) ("appellant's reference in his motion papers to the allegations of the original complaint was insufficient to comply with the requirements of Rule 24(c)").

Ruggieri argues that rather "than presenting new questions of law or fact, Ruggieri merely seeks to intervene and advocate for himself." [Dkt 44 p10]. The absence of a Complaint not only

violates the rules, affects the Parties ability to respond to Ruggieri's Motion, and forces the Parties to guess the underpinnings of Ruggieri's claim or the relief sought. For this reason, Ruggieri's Motion must be stricken.

# IV. TO THE EXTENT RUGGIERI'S MOTION IS SEEKING AN INJUNCTION IT SHOULD BE DENIED.

As previously stated, Ruggieri has failed to attach a Complaint to his Motion to intervene and the Motion should be stricken for failure to comply with Rule 24(c). Still, Ruggieri states that that he seeks to join the action citing common questions of law, fact. Ruggieri's Motion forces the Parties to anticipate that he is requesting a similar relief and making the same claims Plaintiffs made in this matter. To the extent Ruggieri requests an injunction that motion must be denied.

First, such injunction would be premature. The doctrine of ripeness is intended "to prevent the courts, through avoidance of premature adjudication, from entangling themselves in abstract disagreements ... until [a decision] has been abzed." *Patel v. City of Chicago*, 383 F.3d 569, 572 (7th Cir.2004) (quoting *Abbott Labs. v. Gardner*, 387 U.S. 136, 148–49). Here, the underlying challenge is still pending in front of a Hearing Officer and the Electoral Board upon the Objector's Petition and no ruling has been formalized thus an injunction would be premature. *See Ament v. Kusper*, 370 F. Supp. 65, 68 (N.D. Ill. 1974) (A court order issued by a federal District Court is not proper at this time since there presently is pending judicial review in State Court of the instant controversy, a temporary restraining.)

Ruggieri's Motion would also fail to meet the requirements of an injunction as Ruggieri's situation is distinguishable from that of the Plaintiffs in the current action. To obtain a preliminary injunction, Plaintiffs must show that they have "(1) no adequate remedy at law and will suffer irreparable harm if a preliminary injunction is denied and (2) some likelihood of success on the merits." *Wisconsin Right to Life, Inc. v. Barland*, 751 F.3d 804, 830 (7th Cir. 2014) (citing Ezell

v. City of Chicago, 651 F.3d 684, 694 (7th Cir. 2011)). Ruggieri will not suffer irreparable harm if the court does not grant them injunctive relief. Ruggieri never had to face the nearly insurmountable hurdle for new party and independent candidates attempting to have their names placed on the general election ballot and his signature gathering efforts were never impacted by a shortened "window." The crux of Ruggieri's argument is that he did in fact produce 1,152 signatures, 203 of them were determined invalid, and is now seeking an order either reviewing the Electoral Board's decision or changing the threshold to place him on the ballot. Additionally, the matter is in front of a Hearing Officer and the decision of the Electoral Board has not been finalized.

Furthermore, Ruggieri has an adequate remedy at law. Indeed, the matter is in front of a Hearing Officer and the Electoral Board and Ruggieri can appeal the decision to the state court. *See Harman v. Forssenius*, 380 U.S. 528 (1965) (where a state statute provides for judicial review of administrative practices under a state statute federal courts should allow state courts an opportunity to legally and equitably resolve the controversy even though the controversy might have putative constitutional dimensions.); *See also Ament v. Kusper*, 370 F. Supp. 65, 68 (N.D. Ill. 1974) ("[t]he fatal flaw in the plaintiffs' motion [for a temporary restraining order against the Electoral Board] is not that it was made, but that it was made prematurely and improperly.) Lastly, Ruggieri prove a likelihood of success on the merits when the matter is still pending. For this reason Objector requests that Intervenor's Ruggieri's Motion be stricken or denied.

# V. RUGGIERI LACKS STANDING TO INTERVENE IN THE PRESENT ACTION.

The constitutional minimum of standing, "an essential and unchanging part of the case-or-controversy requirement of Article III," contains three elements: (1) "the plaintiff must have suffered an ... invasion of a legally protected interest which is concrete and particularized and

actual or imminent ...;" (2) "... a causal connection between the injury and the conduct complained of" must exist and be "fairly traceable to the challenged action of the defendant, and not the result of the independent action of some third party not before the court;" and (3) "it must be likely, as opposed to merely speculative that the injury will be redressed by a favorable decision." *Lujan v. Defenders of Wildlife*, 504 U.S. 555, 560, 112 S.Ct. 2130, 119 L.Ed.2d 351 (1992).

Here, Ruggieri fails to attach a Complaint to his Motion to intervene which would have given the Parties a hint as to the constitutional basis for his claim. Instead, Ruggieri argues that rather "than presenting new questions of law or fact, Ruggieri merely seeks to intervene and advocate for himself." [Dkt 44 p10]. Ruggieri's Motion must be denied for lack of standing because Ruggieri cannot prove that he suffered "an invasion of a legally protected interest" or an injury for that matter. Pursuant to Section 7-61 of the Illinois Election Code, Ruggieri was only required to produce 1000 signatures. Unlike independent candidates, Ruggieri never had to face the nearly insurmountable hurdle, of a higher petition count threshold combined with the Stay at home order, described in this Court's Opinion. In addition, Ruggieri cannot claim an "actual or imminent" injury when he did produce 1,152 signatures. Ruggieri had 152 signatures more than the 1000 required and expressed no interest in joining the present action until after the signatures were challenged and some were invalidated. Lastly, Ruggieri's Motions could be moot since the petitions challenge is still under review and the Electoral Board has not formalized a decision. For these reasons Objector requests that Intervenor's Ruggieri's Motion be denied for lack of standing.

"... a causal connection between the injury and the conduct complained of" must exist and be "fairly traceable to the challenged action of the defendant, and not the result of the independent action of some third party not before the court;

"it must be likely, as opposed to merely speculative that the injury will be redressed by a favorable decision."

#### VI. THIS COURT SHOULD ABSTAIN TO EXERCISE JURISDICTION.

Under the Colorado River abstention doctrine, a federal court may abstain from exercising jurisdiction if there is a concurrent state court proceeding and abstention would promote "wise iudicial administration." Caminiti and Iatarola, Ltd. v. Behnke Warehousing, Inc., 962 F.2d 698, 700 (7th Cir.1992) (citing Colorado River Water Conservation District v. United States, 424 U.S. 800, 818, 96 S.Ct. 1236, 1246, 47 L.Ed.2d 483 (1976)). The first step in the analysis is to determine whether "parallel" state court proceedings exist. Id. The suits need not be identical, but must involve "substantially the same parties ... contemporaneously litigating substantially the same issues in another forum." Id. (citing Interstate Material Corp. v. City of Chicago, 847 F.2d 1285, 1288 (7th Cir.1988)). If a court determines that the concurrent state and federal proceedings are parallel, it must weigh a series of factors to determine if abstention is justified. Caminiti and Iatarola, Ltd. v. Behnke Warehousing, Inc., 962 F.2d 698, 701 (7th Cir.1992) These include: 1) whether the state has assumed jurisdiction over property at issue; 2) the inconvenience of the federal forum; 3) the desirability of avoiding piecemeal litigation; 4) the order in which jurisdiction was obtained by the concurrent forums; 5) whether the source of governing law is state or federal; 6) the adequacy of the state court action to protect federal rights; 7) the relative progress of the state and federal proceedings; 8) the presence or absence of concurrent jurisdiction; 9) the availability of removal; and 10) the vexatious or contrived nature of the federal claim. *Id.* No one factor is determinative, instead the court must balance the duty to exercise its jurisdiction with the

factors that weigh against it. *Id.* In *Ruffino v. Sheahan*, the court discussed the application of the doctrine in regard to concurrent state agency proceedings. *Ruffino v. Sheahan*, 976 F. Supp. 748 (N.D. Ill. 1997). The Plaintiff, a deputy sheriff had brought § 1983 action against the sheriff and others for terminating their employment. A similar action was ongoing in a proceeding in front of the Cook County Merit Board. The Court held that: (1) parallel state court proceeding existed in form of merit board proceedings seeking the deputies' discharge, and (2) abstention was proper under *Colorado River* doctrine. In reaching this conclusion the court noted that the issues presented were substantially similar, removal of the Merit Board proceeding to federal court was not available, and the Merit Board finding can be appealed in the Illinois courts, which meant that plaintiffs could raise his defenses upon review in the Illinois courts as well.

Here, just as in *Ruffino*, there is a current parallel state court proceeding in front of the Electoral Board. The issues presented in that action are similar to the ones Ruggieri would present here. Ruggieri argues that, although he has admittedly not complied with the Illinois Election Code, has not provided sufficient signatures, and did not challenge the objections to the nominating petitions, he is entitled to relief from both the Hearing Officer's findings and from the Illinois Election Code entirely. Ruggieri also argues that summary judgment cannot be entered against him based on the failure to secure the statutorily required number of signatures, that the SOEB is "estopped from enforcing Section 8-8 of the Election Code", and that the Candidate's First and Fourteenth Amendment rights have been "abridged" by any such enforcement of the Illinois Election Code. See exhibit C. In addition, Ruggieri has an adequate remedy at law. Indeed, the matter is in front of a Hearing Officer, and the Electoral Board, and Ruggieri can appeal the decision to the state court. *See Harman v. Forssenius*, 380 U.S. 528 (1965) (where a state statute provides for judicial review of administrative practices under a state statute federal courts should

allow state courts an opportunity to legally and equitably resolve the controversy even though the controversy might have putative constitutional dimensions.) For the above reasons, this Court

should abstain from exercising jurisdiction over Ruggieri's matter.

**CONCLUSION** 

WHEREFORE, Objector Light, respectfully requests that this Honorable Court enters an order striking or denying Ruggieri's Motion to Intervene and for all other relief just and proper in

the premises.

Respectfully Submitted,

#### BEFORE THE ILLINOIS STATE BOARD OF ELECTIONS

THE DULY CONSTITUTED ELECTORAL BOARD FOR THE HEARING AND PASSING UPON OF OBJECTIONS TO NOMINATION PAPERS OF CANDIDATES FOR ELECTION TO OFFICES IN THE 52<sup>ND</sup> STATE SENATE DISTRICT TO BE VOTED UPON AT THE NOVEMBER 3, 2020 GENERAL ELECTION

GERMAINE LIGHT,

Petitioners-Objectors

ALEXANDER (AJ) RUGGIERI,

Respondent-Candidate

#### **OBJECTORS' PETITION**

The Objector, Germaine Light, states that she resides at 20206 East 1280 North Rd., in the city of Danville, and that she is a duly qualified and registered legal voter of the 52<sup>nd</sup> State Senate District, County of Vermillion, State of Illinois, the District in which the candidate is to be voted upon. Objector states that her interest in filing the following objections is that of a citizen desirous of seeing that the election laws governing the filing of nomination papers for the office of State Senator for the 52<sup>nd</sup> State Senate District, in the General Assembly of the State of Illinois, are properly complied with, and that only qualified candidates appear on the ballot for said office as candidates for the November 3, 2020 General Election ("Election").

Therefore, the Objectors make the following objections to the Nomination Papers of Alexander (AJ) Ruggieri as a candidate for State Senator for the 52<sup>nd</sup> State Senate District to be voted upon at the November 3, 2020 General Election.

- 1. Pursuant to state law, nomination papers for the election for the office of State Senator for the 52<sup>nd</sup> State Senate District to be voted upon at the November 3, 2020 General Election, in the State of Illinois, must contain the signatures of not fewer than 1000 duly qualified, registered and legal voters of said District collected in the manner prescribed by law. In addition, said Nomination Papers must truthfully allege the qualifications of the candidate, be gathered and presented in the manner provided for in the Illinois Election Code, and otherwise executed in the form provided by law. The Nomination Papers purport to contain signatures in excess of such voters, and further purport to have been gathered, presented and executed in the manner provided by the Illinois Election Code.
- 2. The Nomination Papers contain the names of persons who were not registered at the address shown on the nominating papers, and said signatures are invalid, as is set forth specifically in the Objection and Appendix-Recapitulation Sheet attached hereto and incorporated herein, under the heading, Column A, "Signer not registered at address shown not", in violation of the Illinois Election Code.

- 3. The Nomination Papers contain petition sheets with the names of persons whose signatures are not genuine as shown in the roll of voters, as is set forth specifically in the Objection and Appendix-Recapitulation Sheet attached hereto and incorporated herein, under the heading, Column B, "Signer's signature not genuine", in violation of the Illinois Election Code,
- 4. The Nomination Papers contain petition sheets with the names of persons who reside outside the District in which the Candidate seeks nomination, for whom addresses are stated which are not in the Candidate's District and such signatures are not valid, as is set forth specifically in the Objection and Appendix-Recapitulation Sheet attached hereto and incorporated herein, under the heading Column C, "Signer resides outside district", in violation of the Illinois Election Code.
- 5. The Nomination Papers contain the names of persons for whom the signer's address is missing or incomplete as is set forth specifically in the Objection and Appendix-Recapitulation Sheet attached hereto and incorporated herein, under the heading, Column D, "Signer's address missing or incomplete", in violation of the Illinois Election Code.
- 6. The Nomination Papers contain the names of persons who have signed the Nomination Papers more than one time as is set forth specifically in the Objection and Appendix- Recapitulation Sheet attached hereto and incorporated herein, under the heading, Column E, "Signer signed more than once at sheet/line indicated", in violation of the Illinois Election Code.
- 7. The Nominating Papers contain the names of persons who have voted in the 2020 Democratic Primary and are ineligible to sign the Nominating Papers, as is set forth specifically in the Objection and Appendix-Recapitulation Sheet attached hereto and incorporated herein, under the heading, Column F, "Voted in 2020 Democratic Primary", in violation of the Illinois Election Code.
- 8. The Nomination Papers contain less than 1000 validly collected signatures of qualified and duly registered legal voters of the 52<sup>rd</sup> State Senate District, State of Illinois, signed by such voters in their own proper person with proper addresses, below the number required under Illinois law, as is set forth by the objections herein and the Objection and Appendix-Recapitulation Sheets attached hereto and incorporated herein.
- 9. The Candidate purports to submit to the Illinois State Board of Elections a total of approximately 1,182 signatures of qualified and valid signatures of electors of the 52<sup>nd</sup> State Senate District, when, in fact, the Candidate submits less than the 1000 qualified signatures, in violation of the Illinois Election Code.

10. The Objection and the Objection and Appendix-Recapitulation Sheets are incorporated herein and the objections made therein are a part of this Objectors' Petition.

WHEREFORE, Objectors prays that the nomination papers of Alexander (AJ) Ruggieri. as a candidate for State Senator,  $52^{nd}$  State Senate District, State of Illinois, to be voted upon at the November 3, 2020, General Election be declared to be insufficient and not in compliance with the laws of the State of Illinois, and that his name be stricken and that this Board enter its decision declaring that the name of Alexander (AJ) Ruggieri, as a candidate for State Senator from the  $52^{nd}$  State Senate District, State of Illinois, be not printed upon the official ballot for the General Election to be conducted November 3, 2020, and that the candidacy of Alexander (AJ) Ruggieri be declared invalid and his candidacy be declared ineligible for violation of the Illinois Election Code.

Respectfully submitted, Germaine Light, Objector

#### REPORT AND RECOMMENDATION OF THE HEARING OFFICER

To:

Petitioner:

Luke A. Casson

Lcasson@andreou-casson.com

Respondent:

John Fogarty

Fogartyjr@gmail.com

General Counsel
Illinois State Board of Elections
GeneralCounsel@elections.il.gov

This matter coming before the Illinois State Board of Elections sitting as the duly constituted State Officers Electoral Board and the Hearing Officer, pursuant to Appointment and Notice, makes the following Findings and Recommendations.

#### **BACKGROUND**

Alexander (AJ) Ruggieri, Candidate, timely filed nomination papers seeking to be placed on the November 3, 2020, General Election ballot as a Republican Candidate for the Office of State Senator in the 52<sup>nd</sup> Legislative District.

#### **OBJECTION**

Germaine Light, Objector, timely filed an Objection alleging that the nomination papers contain signatures which, following a record examination, would result in the nomination papers containing valid signatures below the minimum of 1,000 required by Illinois Statute.

#### CASE MANAGEMENT CONFERENCE

The case was called on June 16, 2020. An Appearance was submitted by Luke A. Casson for the Objector while John Fogarty filed an Appearance for the Candidate.

The Case Management Conference (CMC) was held via telephone on June 16, 2020. James Tenuto had been appointed Hearing Officer and participated in the conference call along with Luke A. Casson, John Fogarty and Bernadette Matthews.

The CMC Order dated June 16, 2020, informed the Candidate and Objector of the staff count of the number of signatures submitted and allowed the parties until 5:00 pm on June 18, 2020, to dispute the staff count. The staff count reflected the submission of 1,158 lines with signatures. Pursuant to Section 8-8 of the Illinois Election Code, the minimum number of signatures required to appear on the ballot as a Candidate for State Senator in the 52<sup>nd</sup> Legislative District is 1,000.

Neither party filed an exception to the staff count within the time period allowed in the CMC Order.

#### **MOTIONS**

Neither party filed Motions as set forth in Appendix B of the Rules of Procedure.

#### **SUBPOENAS**

Neither party requested subpoenas be issued as set forth in Rule 8 of the Rules of Procedure.

#### **RECORD EXAMINATION**

Prior to the commencement of the record examination in the Springfield office of the State Board of Elections on June 19, 2020, both parties submitted a standing objection to any adverse rulings.

247 Signatures were challenged. Objections to 203 of the 247 signatures were sustained. Based on the results of the record examination, the Candidate was found to have submitted 949 valid signatures, which is 51 below the minimum of 1,000.

A summary of the record examination is attached to this Recommendation as Exhibit A.

#### OBJECTOR'S MOTION FOR SUMMARY JUDGMENT

The Objector, following the record examination, submitted a Motion for Summary Judgment. Therein, it is alleged, following the record examination, that the Candidate is found to have submitted 51 signatures below the minimum of 1,000. Furthermore, there are 49 signatures which the State Board of elections staff did not rule upon alleging the signers also voted in the March ,2020, Democratic General Primary Election. Accordingly, the Motion for Summary Judgment should be granted.

#### **FINDINGS**

- The Candidate timely filed nomination papers for the Office of State Senator in the 52<sup>nd</sup>
   Legislative District to appear on the General Election ballot as a Republican Candidate to be voted on November 3, 2020.
- 2. An Objection to the Candidate's nomination papers was timely filed.
- The Objection alleges, based on the results of a record examination, that the Candidate submitted valid signatures below the required minimum of 1,000.

## CANDIDATE'S RESPONSE TO OBJECTOR'S MOTION FOR SUMMARY JUDGMENT

Now comes the Candidate, Alexander (AJ) Ruggieri ("Ruggieri"), and for his Response to the Objector's Motion for Summary Judgment, states as follows:

#### BACKGROUND

On May 18, 2020, AJ Ruggieri was selected to fill a vacancy in Republican Party nomination for the Office of State Senator for the 52<sup>nd</sup> Legislative District ("the Office"), as no Republican candidate appeared on the General Primary ballot for that Office, and no Republican candidate was nominated as a write-in for that Office.

Pursuant to Section 7-61 of the Illinois Election Code, Ruggieri was required to collect and file petition signatures to support his nomination. 10 ILCS 5/7-61. The statutory minimum number of signatures for the Office is 1,000 registered voters in the 52<sup>nd</sup> Legislative District. 10 ILCS 5/8-8.

Ruggieri's supporters collected and filed a gross amount of 1,152 signatures in support of his candidacy, despite being hampered by the effects of COVID 19 and Governor Pritzker's successive "stay at home" Executive Orders. On June 8, 2020, the Objector herein filed an objection with the SBE to Ruggieri's nomination papers on the grounds that those nomination

papers contained fewer than the statutory minimum (1000) number of valid signatures of registered voters in the 52<sup>nd</sup> Legislative District.

On June 19, 2020, SBE staff conducted a records exam and made an initial determination that my nomination papers contain 949 presumptively valid signatures. Ruggieri has not put forth evidence to rehabilitate any petition signatures. Argument on additional objections as to signers who are alleged to have participated in the Democratic Party's primary has not been scheduled. The Objector herein has moved for summary judgment.

At all times during the period in which Ruggieri was required to collect petition signatures, the entire State of Illinois was under successive Executive Orders issued by Governor Pritzker in response to the COVID 19 pandemic that had the effect of making collecting petition signatures more difficult than usual. See, EO 2020-32; EO 2020-33; EO 2020-38. These Executive Orders required, among other things, individuals to remain in their homes except for limited essential purposes, prohibited gatherings of more than ten (10) people, and closed numerous public places.

The effects of the COVID 19 pandemic and the Governor's successive Executive Orders placed such a burden on activities such as petition signature collection, that a number of independent and new party candidates filed an action in the Northern District of Illinois asking that ballot access requirements for those candidates be relaxed in light of the COVID 19 pandemic. In that case, *Libertarian Party et al.*, v. *Pritzker*, et al., Case No. 20-cv-2112, ("the *Libertarian Party* litigation") the Court entered an Order permitting independent and new party candidates to (1) access the ballot with only 10% of the signatures otherwise required; (2) collect signatures remotely; and (3) have been granted an additional month to collect their petition signatures.

Like the independent and new party candidates in the *Libertarian Party* litigation, Ruggieri has likewise been excessively burdened by the effects of the COVID 19 pandemic and by the Governor's successive Executive Orders. Accordingly, on June 23, 2020, Ruggieri filed a petition to intervene in that case as a plaintiff, given that he has been required to collect petition signatures under the same conditions as the plaintiffs in that case, and should therefore be afforded the same relief as those candidates.

#### ARGUMENT

While Ruggieri's nomination papers contain fewer than the statutory minimum number of petition signatures, the Objector is not entitled to summary judgment here. Summary judgment is appropriate when the pleadings, depositions, and admissions, together with any affidavits, show that there is no genuine issue of material fact and that the movant is entitled to judgment as a matter of law. 735 ILCS 5/2-1005(c); *Williams v. Covenant Medical Center*, 316 III. App. 3d 682, 737 N.E.2d 662 (4<sup>th</sup> Dist. 2000).

The State Officers Electoral Board Is Estopped From Enforcing The Statutory Minimum Signature Requirement Found In Section 8-8 Of The Election Code.

The members of the State Board of Elections ("SBE") were cast as defendants in the *Libertarian Party* litigation. Those same members likewise comprise the State Officers Electoral Board. In the *Libertarian Party* litigation, defendants filed pleadings in which they recognize the need for accommodations under the circumstances, and proposed that independent and new party candidates be required to submit only 50% of the number of statutory minimum number of signatures. See 20-cv-2112 Docket # 15, 16.

As such, this body is respectfully at the very least equitably estopped from enforcing the statutory minimum signature requirement in the instant case. Given that Ruggieri was subject to

the same factual circumstances that hampered the plaintiffs in the *Libertarian Party* litigation, and given the SBE's position with respect to the difficulty in gathering petitions in COVID 19-affected circumstances, this body should be estopped from taking a contrary position here.

Enforcement Of The Statutory Minimum Signature Requirement Is An Abridgement Of Ruggieri's First And Fourteenth Amendment Rights.

In the event this body enforces the statutory minimum signature requirement against Ruggieri, his First Amendment and Fourteenth Amendment rights will have been abridged. As the Court in the *Libertarian Party* litigation found, COVID 19 has wreaked havoc on the ability of candidates to access the ballot, to the point where maintaining existing ballot access rules would infringe a candidate's First and Fourteenth Amendment rights. See 20-cv-2112 Docket # 26.

Even further, however, enforcement of the statutory minimum against Ruggieri while other independent and new party candidates enjoy dramatically relaxed ballot access requirements would result in a violation of Ruggieri's right to equal protection under the law. The Order entered by the Court in the *Libertarian Party* case grants ballot access relief to independent and new party candidates, but not to others, like Ruggieri, who were required to collect petition signatures during the same time frame, and under the same conditions. As such, Ruggieri will be deprived of equal protection under the law should this body enforce the statutory minimum signature requirement.

# **CONCLUSION**

For these reasons, Ruggieri asserts that the Objector in this case is not entitled to judgment as a matter of law, and therefore, the Objector's motion should be denied. Moreover, given that Ruggieri has sought to intervene in the *Libertarian Party* litigation, this matter should be held in abeyance pending resolution of those proceedings.

Respectfully Submitted,

Alexander (AJ) Ruggieri
