Caution: External Email

Good afternoon Counsel,

While we believe there are arguments to be made for dismissal under abstention doctrines other than Carolina Rivers, which is what Plaintiffs rely upon for their stay of proceedings, we believe those arguments can be made at a later date. Thus, in the interest of judicial economy, we will not object to Plaintiffs' Motion for Stay of proceedings.

If you would like to prepare a proposed Stipulated Order, we will be happy to review it for entry with the Court prior to the due date for briefing. Please let me know. Thanks.
