08/11/2020	286	DOCKET TEXT ORDER. Based on its review of the briefing regarding Dr. Lopiano's expert report, and for good cause appearing, Dkt. No. 257, Expedited Motion in Limine to Limit Testimony of Donna A. Lopiano is GRANTED in part and DENIED in part. Dr. Lopiano will be permitted to testify about the appropriate interpretation of the survey results. She will also be permitted to testify regarding the weight that should be accorded these results, which may include identifying flaws in the survey's methodology. Dr. Lopiano will not, however, be permitted to testify about the history and legal requirements of Title IX or matters unrelated to the survey results. In her expert report, Dr. Lopiano identifies twelve topics of potential testimony. The court will not permit her to testify regarding topics 1-4, 9, or 12. In addition, Dr. Lopiano's testimony regarding topics 10 and 11 shall be limited to interpreting the survey results and identifying any flaws in the survey's methodology. To the extent Defendants seek to continue the trial to allow them time to retain an expert to respond to Dr. Lopiano's proposed testimony, the motion is DENIED . The court finds that Defendants' currently designated experts should suffice to offer any rebuttal testimony in response to Dr. Lopiano's proposed testimony as limited by this order. IT IS SO ORDERED. Signed by Judge Howard C. Nielson, Jr., on August 11, 2020. (mtw) (Entered: 08/11/2020)

08/11/2020	287	<p>DOCKET TEXT ORDER. After pressing for an expedited trial schedule, Plaintiffs waited until after the close of business on the very day that all objections to the authenticity of proposed exhibits and all motions in limine were due to seek extensions of these deadlines. <i>See</i> Dkt. Nos. 269, 272. Not only are the justifications offered by Plaintiffs for the requested extensions far from compelling, these justifications were almost certainly known to Plaintiffs well before the deadline. Plaintiffs have offered no justification for waiting until the eleventh hour to seek these extensions. 269 MOTION for Extension of Time to Object to Defendants' Rebuttal Expert Witness Designation is DENIED IN PART. Professor Monson has long been designated as one of Defendants' experts and Plaintiffs had every reason to expect that he would be designated as the rebuttal expert witness well in advance of his designation. Given the expedited context of these pretrial proceedings, the court rejects Plaintiffs' argument that they lacked sufficient time to review Professor Monson's rebuttal report. If, but only if, Professor Monson's deposition reveals a ground for moving to exclude some or all of his proposed rebuttal testimony that could not have been known to Plaintiffs, in the exercise of due diligence, before the deposition, the court will entertain an untimely motion in limine filed no later than August 21, 2019 at 5:00 PM. If Plaintiffs file such a motion, Defendants may file a response no later than August 28, 2019, at 5:00 PM. No reply will be permitted. 272 Motion for Extension of Time to Contest Authenticity of Defendants' Exhibits is GRANTED IN PART. Plaintiffs may file any objections to the authenticity of Defendants' proposed exhibits no later than Wednesday, August 12. Defendants may respond to any objections no later than Wednesday, August 19. Given Plaintiffs' failure to comply with the trial order, the court will not entertain any objections that are not clearly well taken. SO ORDERED. Signed by Judge Howard C. Nielson, Jr., on August 11, 2020. (mtw) (Entered: 08/11/2020)</p>
08/12/2020	288	<p>DOCKET TEXT ORDER. 287 DOCKET TEXT ORDER is amended to include the following sentence: The deadline for filing a reply brief in support of any objection to the authenticity of Defendants proposed exhibits shall remain as stated in 246 TRIAL ORDER. 09/01/2020	334	Minute Entry for proceedings held before Judge Howard C. Nielson, Jr. Final Pretrial Conference held on 9/1/2020. All parties appearing in-person. The court and parties discussed and determined the bench trial will proceed in-person on the following days: September 8-10; 14-18, 21-25 with possibly a few additional days. The court and parties discussed 256 Defendants' Motion to Decertify Class, 268 Plaintiffs' Motion for Judicial Notice, 270 Plaintiffs' Motion in Limine to Preclude Defendants from Contesting Judicial Admissions, 271 Plaintiffs' Motion to Limit the Expert Testimony of R. Cuff and B. Jackson, 274 Defendants' Motion to Exclude Testimony of Rebuttal Expert Brent Gordon, 273 Plaintiffs' Motion in Limine to Establish

UHSAA as a State Actor, [276](#) Defendants' Motion in Limine to Exclude Plaintiffs' Trial Exhibits 126 and 127, [291](#) Plaintiffs' Objection to Authenticity of Defendants' Proposed Exhibits, [277](#) Defendants' Objections to Authenticity of Plaintiffs' Proposed Exhibits, [281](#) Defendants' Motion in Limine to Exclude Evidence of Alleged Sexual Harassment, [330](#) Notice of Intent to Invoke Rule 615, and [282](#) Defendants' Motion in Limine to Exclude Plaintiffs Undisclosed Witnesses and Documents.

The court issued the following instructions and orders:

1-The court will reserve ruling on [256](#) Defendants' Motion to Decertify Class until after trial.

2- The court grants [268](#) Plaintiffs' Motion for Judicial Notice on the understanding that the motion only asks the court to take notice of the fact that the websites refer to high school football as "boys football" but does not ask the court to take notice of the accuracy of that phrase.

3- The court grants [270](#) Plaintiffs' Motion in Limine to Preclude Defendants from Contesting Judicial Admissions to the extent that Plaintiffs' Motion asks the court to bar Defendants from denying that some of the Defendants have sometimes referred to high school football as "boys football" or classified high school football as a boys sport. To the extent Plaintiffs' seek to bar Defendants from presenting evidence of what their policies governing girls' participation in high school actually are, the motion is denied.

4- The court reserves judgment on [271](#) Plaintiffs' Motion to Limit the Expert Testimony of R. Cuff and B. Jackson and [274](#) Defendants' Motion to Exclude Testimony of Rebuttal Expert Brent Gordon. The court will permit the parties to conduct voir dire before each expert begins his testimony, and the court may at that time rule on the Daubert challenge, or it may decide to allow the proposed expert to testify and reserve ruling until after trial.

5- [273](#) Plaintiffs' Motion in Limine to Establish UHSAA as a State Actor is denied as moot given that UHSAA has agreed that it is a state actor.

6- The court grants in part and denies in part [276](#) Defendants' Motion in Limine to Exclude Plaintiffs' Trial Exhibits 126 and 127. The court will exclude statements made by coaches, and statements from girls who do not attend schools in the Jordan and Granite Districts. Subject to Plaintiffs offering an appropriate foundation, statements made by girls who attend schools in the Jordan and Granite Districts will be admitted

	<p>only as evidence of the fact the statements were made. On the understanding that Exhibit 127 summarizes only statements made by girls who attend schools in the Jordan District, this exhibit may be admitted under Rule 1006. The Plaintiffs will provide a substitute exhibit that replaces proposed Exhibit 126 and is limited to statements made by girls who attend schools in the Jordan and Granite Districts.</p> <p>7- With respect to 291 Plaintiffs' Objection to Authenticity of Defendants' Proposed Exhibits and 277 Defendants' Objections to Authenticity of Plaintiff's Proposed Exhibits, the court ruled that it will not entertain objections at trial to the authenticity of a) any exhibit listed by either party, the authenticity of which has not been challenged or b) any exhibit to which a party has withdrawn its challenge. The court will allow the party seeking to admit any exhibit that remains subject to objection the opportunity to attempt to authenticate the exhibit through a witness at trial.</p> <p>8- The court denies 281 Defendants' Motion in Limine to Exclude Evidence of Alleged Sexual Harassment. The parties are directed to arrange for an expedited deposition of L.G. that is limited in subject matter to her claims of sexual harassment.</p> <p>9- The parties shall attempt to resolve the issues raised by 330 Notice of Intent to Invoke Rule 615.</p> <p>10- The court grants in part and denies in part 282 Defendants' Motion in Limine to Exclude Plaintiffs' Undisclosed Witnesses and Documents. Plaintiffs chose to withdraw a number of contested witnesses. The court grants 282 as to Mr. Ruiz, Ms. Cook, and Ms. Goetz. The court denies 282 as to Mr. Jaeger, Exhibit 23, Exhibit 30, Exhibit 31-47, Exhibit 75-79, 127, 137-144, and 147. The court will take judicial notice of Exhibit 49.</p> <p>SO ORDERED.
