05/18/2015	158	<p>TRANSCRIPT RELEASE NOTICE:</p> <p>By Administrative Order 2008-35 the United States District Court for the Western District of Tennessee implemented a policy regarding remote access to electronic transcripts. Pursuant to that policy, as well as Civil Rule 5.2 and Criminal Rule 49.1, each party's attorney is required to review a transcript for information that should be redacted pursuant to the Judicial Conference's privacy policy which requires that Social Security numbers be redacted to show only the last four digits; birth dates should contain only the year of birth; individuals known to be minors should be referred to with initials; and financial account numbers should be redacted to the last four digits. Additionally, in criminal case files, home addresses should reveal only the city and state of residence.</p> <p>Our records indicate that the 90-day restriction on public access to an electronic transcript(s) in this matter will lapse within 10 days.
