CIVIL ACTION NO. 2834-N

ORDER

Judgment was entered in this case on July 23, 1971, requiring the defendants to take certain specified action in connection with the operation of the Alabama Industrial School at Mt. Neigs, Alabama, and this Court specifically retained jurisdiction for all purposes. No further proceedings have been had in the case since the entry of the judgment. Although it is not appropriate for this Court to relinquish jurisdiction of the subject matter or the parties, it is appropriate at this time for the case to be closed for record keeping purposes and removed from the active docket of this Court. It is, accordingly, ORDERED that the Clerk of this Court close this case for record keeping purposes and remove it from the active docket of this Court.

Done, this the 5th day of October, 1972.
