AGREED ORDER

This matter coming to be heard on the Joint Motion of Plaintiffs and Defendant Chicago Housing Authority ("CHA"), pursuant to the provisions of Article X of the Judgment Order of July 1, 1969, whereby this Court has retained jurisdiction of this matter for all purposes including the purposes particularly enumerated therein, and

The Court having determined that the several provisions of this order modifying said Judgment Order are based upon relevant information with respect to the subject matter thereof, and that said provisions are appropriate and are consistent with and in furtherance of the reasons for the issuance of said Judgment Order,

It is hereby ordered:

1. Notwithstanding the provisions of Article IV, section C of said Judgment Order of July 1, 1969, which section this Order is intended to modify, CHA shall be free to provide to families with children Dwelling Units above the third story in a structure, provided that such structure meets the following conditions:

a. The structure is located either in the Gautreaux General Public Housing Area or in an Opportunity Area. The current Opportunity Areas are identified on the map

attached hereto as Exhibit A. Changes to the Opportunity Areas map may be made from time to time by agreement of the parties and shall be published in an updated map.

b. Dwelling Units shall comprise no more than one-third of all units within the structure;

c. No more than 20% of all units within the structure contain 3 or more bedrooms;

d. Each "unit size" (i.e., the number of bedrooms within a unit) within the structure is available both to public housing and non-public housing families, unless the structure contains only one unit of a particular unit size;

e. Among the units containing more than 2 bedrooms, no more than 75% of the same unit size shall be Dwelling Units, unless the structure contains only one unit of that particular unit size; and

f. The Dwelling Units are and remain well dispersed throughout the structure.

2. Notwithstanding the above section, this Court's orders previously entered waiving the restrictions on providing Dwelling Units above the third story to families with children in specified structures under specified conditions remain in full force and effect with respect to those specified structures.

3. Except as and to the extent specifically provided in this Order, this Court's prior Orders remain in full force and effect, including without limitation the provision of Article IV of said Judgment Order of July 1, 1969, that "CHA shall not concentrate large numbers of Dwelling Units in or near a single location."

4. This Court retains jurisdiction of this matter for all purposes, including enforcement and the issuance, upon proper notice and motion, of orders modifying or supplementing the terms of this order upon the presentation of relevant information with respect to proposed housing designed to achieve results consistent with the Judgment Order previously entered herein, material changes in conditions existing at the time of this order, or any other matter.
