Case No. 3:02-cv-00339-MO

Progress Report

June 2, 2020

1. Update on our progress toward eliminating the backlog of patients awaiting restoration at OSH.

The Oregon State Hospital is making substantial progress toward eliminating the backlog of patients awaiting admission under ORS 161.370 orders. OSH expanded admissions beginning April 13, 2020, and has subsequently admitted 101 patients under ORS 161.370 orders between April 13 and June 1, 2020. As of June 2, 2020, there have been no patients admitted to the hospital who have tested positive for COVID-19.

2. The number of patients who have been admitted since the date of the ruling.

Between the date of the May 12 hearing and June 1, OSH has admitted 57 more patients under an ORS 161.370 court order.

3. The county of origin and wait time for each patient admitted.

Admission Number	County of Origin	Days from Signature of Court Order to Admission	Days from Receipt of Court Order to Admission

*Indicates return on previous .370 order (Sell order) or admitted under expedited admission protocol

4. The average wait time for all patients admitted.

The average wait was **20 days**, measured from the date each order was signed to the date of admission, for the 57 patients admitted from May 12 through June 1. (The average time was 19.1 days, if measured from the date that OSH actually received the order.)

5. The number of patients remaining in the backlog.

As of the close of business on June 1, there are 13 patients for whom OSH has received an ORS 161.370 court order and who have yet to be admitted to OSH.

6. Any other information relevant to Defendants' ability to achieve compliance.

OSH has no other information to report, but would be happy to address any questions the Court may have.
