

Supreme Court of the United States

Memorandum

2 March, 1981

Potter -

Would you regard Judge
Seyan as a "sure-footed"
judge? HCB

I'd have said he
was one of the better D. J.'s
in the country - although I
find his opinion in this case
internally inconsistent and not sure-
footed at all. P.S!

Incidentally, I think

Bayman knew Timi Hogan

as a political ally in

the Kennedy campaign 21
years ago. P.S.
