The Chief Justice —

Murky Is a Clo.

Double cell is undesirable
pass Ed once to 8 am - conty
disease

A pt in + line is crossed.

p' ceiling = anti of double

Walpole wound

A farthing after Walpole

Brennan, J. —

Double in per se 8 am

Stewart, J. —

Walpole - to ed b no gun at all.

a matter of degree, I guess.

so diff in kind

20 people not used

White, J. —

Marshall, J. +

Against Wolfen
So here

Powell, J. —

Critical As of TJ ~ + two

Rehnquist, J. —

Quercrowdy has been turned into a
synonym for 8 Am denial

Stevens, J. DIG

Good job on As,
Conals is inconsistent here

Prisons need funds

We S n be taken + care - let + see
keep + pressure on

Conditions in Ohio's ^{Lucasville} SOC 7 Prison - double celling - + 8 dm
2 inmates bring 1983 class actions

PS - Is Tom Hogan a sure-footer J?

DJ held double celly on bal is uncount - CB + 's PC.

I think I wd - on a narrow gd

✓ I start my descent in barley via a screed ca prison cond.

✓ But + issue is minimal stands & decreasing

1. SOC 7 is new - ca 10 yrs old

✓ 2. I do n buy pturs' & then CC argmt to I can
reaches only "gain" - on cases a beg ten

✓ 3. I agree to + sum total of cond nite wd I can
even tho ^{any} I cond alone nite not

4 SOC 7 meets + minimal stands

5 Hogan's CL do n follow for his 77

He rejected every ally respd made

^{COOK} Sanitation, med care, nutrition, food, librs - all adeq or more

3 areas v negativ-effect for economy:

work assignments less, educ delayed, psych stuff insuff

this ≠ I can CC v I can

many outside hv this

Ch hv b resided by less chaotic means to elim v double cell

AWH says D Cell → med and, mental stress, disease

Ygt no proof this so at SOC 7

77 only a proportionate increase in med

- no X as to tension

PS no a presented

beats in this narrow gd

(2)

Cell size per man is $\leq$ to record

Int + records data as much to farming state as to reflect the
And stands twelve in uniform 50 ft or 60!

Std 2 to spent in + cell

Std 3 to here in a constant

Show unit + to gully locked up = sleep to
Std confused goals in minutes

This case is a failure + proof case
Keep it on the narrow base
