Where to Vote

There are 10 polling places for school district voting. They are not the same as your polling place for other Rockland County votes.

District polling places are located at:

Lime Kiln Elementary School
 Summit Park Elementary School
 Kakiat School
 Ramapo High School
 Avir Yakov Girls School (formerly Hillcrest Elementary School)
 Louis Kurtz Civic Center
 Spring Valley High School
 Margetts Elementary School
 Chestnut Ridge Middle School
 Hempstead Elementary School

You must vote in the poll designated for your address. If you do not know your school district poll, you can find it by:

- Using our [lookup utility](#). Put only the name of your street into the search bar. (For example, "Beaver", not "14 Beaver".)
- Looking up your address in our [poll finder](#)
- Calling the District Clerk's office at 577-6015
