The January 27, 2012 Order set the 2012 federal non-presidential primary date as June 26, 2012 and provided that in subsequent even-numbered years, New York's non-presidential federal primary date shall

be the fourth Tuesday of June, unless and until New York enacts legislation resetting the non-presidential federal primary for a date that complies fully with all UOCAVA requirements, and is approved by the court (Decretal Paragraphs "1" and "2");

WHEREAS by Order dated February 9, 2012, this court adopted a political calendar for the implementation of the 2012 federal non-presidential primary and general election, and such calendar was specific to 2012. (ECF Document No. 64, pp. 2-3, 5-6);

WHEREAS by Order dated December 12, 2013, this court adopted a political calendar for the implementation of the 2014 federal non-presidential primary and general election, and such calendar was specific to 2014. (ECF Document No. 85, pp 2-6);

WHEREAS as of this date the State of New York has not amended the New York State Election Law to change the date of the federal primary with respect to this court's Order of January 27, 2012 and until such action has occurred this application is necessary;

WHEREAS the instant application requests that the court supersede various sections of the Election Law as necessary to effectuate the January 27, 2012 Order of this court;

WHEREAS the parties to this action consent to the issuance of this Supplemental Remedial Order;

WHEREAS it is the judgment of this court that the enumerated sections of New York State law must be superseded to provide for a MOVE Act compliant election in New York for the year 2016, now therefore, it is hereby,

Date: October 29, 2015

United States District Court Judge

The following is a DRAFT Political Calendar for 2016 which includes the Congressional Primary (June 28th), the State & Local Primary (September 13th) and the General Election (November 8th). Portions of this Calendar are SUBJECT TO APPROVAL of the United States District Court for the Northern District of New York, and the Calendar is posted here for informational purposes only pending submission to the Court. Note also, portions of the Calendar could change as a result of future legislative enactment or court orders.

Summary of Changes:

The Federal MOVE Act requires military and special federal ballots to be sent out 45 days prior to an election for federal office. Here's a summary of the key calendar changes that ensure compliance.

Designating Petitions for Federal Office/Federal Primary Election:

- First date to circulate designating petitions for federal office is March 8, 2016.
- Dates to file designating petitions are April 11, 2016 to April 14, 2016.
 - o Nominating petitions by independent bodies for federal office as those petition dates <u>are</u> altered by this plan.
 - First date to circulate independent nominating petitions for federal office is June 21, 2016.
 - Dates to file independent nominating petitions for federal office are July 26, 2016 to August 2, 2016.
 - Nominating petitions by independent bodies for state/local office are NOT altered by this plan.

Opportunity to Ballot Petitions for Federal Office/Federal Primary Election:

- First date to circulate OTB petitions for federal office is changed to March 29, 2016.
- Last date to file OTB petitions is changed to April 21, 2016.

To provide for the reduction in time to process designations and allow an administrative process for objections, and judicial review, NYS Election Law Section 1-106 should be superseded to require as part of this plan the following:

For the 2016 Federal Primary and General Elections, that all certificates and petitions of designation or nomination, certificates of acceptance or declination of such designations and nominations, certificates of authorization for such designations, certificates of disqualification, certificates of substitution for such designations or nominations and objections and specifications of objections to such certificates and petitions required to be filed with the state board of elections or a board of elections outside of the city of New York shall be deemed timely filed and accepted for filing if sent by mail or overnight delivery service (as defined in CPLR §2103(b)(6)) in an envelope postmarked or showing receipt by the overnight delivery service prior to midnight of the last day of filing, and received no later than one business day after the last day to file such certificates, petitions, objections or specifications.
