John H. Merrill and Alabama Gov. Kay3. Place of alleged violation of civil rights: 600 Dexter Avenue
Montgomery, AL 36130

4. Date of alleged violation of civil rights: Nov. 3, 2020

5. State the facts on which you base your allegation that your constitutional rights have been violated: I am a U.S. citizen born and raised in the United States of America. I am former President of the United States of America. I am a two time U.S. Presidential candidate. The first time I ran for President of the United States of America was in 1996 and again in between 3-27-2018 - 11-3-20

I was kept off the in part because of my face by the Alabama Secretary of State and by the Gov. of the State of Alabama Ray Ivey. The ^{motivation} ~~reason~~ for me being kept off of the ballot was also motivated by the fact that former ^{U.S.} President Bill Clinton and former U.S. President George W Bush conspired to assassinate me as U.S. President in connection to my effort to bring criminal charges against them for their roles in war crimes connected to various illegal wars that they are connected to. The Alabama Gov. and Alabama Secretary of State discovered my appointment by former President Bill Clinton and U.S. Senate approval by viewing the national intelligence Estimates and use these Estimates ^{as collateral} ~~the~~ and to pimp political elected officials into doing whatever they wanted them to do in reference to keeping me off the ballot this election cycle. They also discovered that every voting site was bought by my 1996 U.S. Presidential campaign committee with P.A.C. Money and that my campaign committee never authorize the use of any of these sites anywhere in the ~~entire~~ U.S. or its territories.
