Attorneys for the Plaintiffs

INTRODUCTION

1. Plaintiffs are 493 Diversity Visa program selectees and derivative beneficiaries from 70 countries. Plaintiffs include doctors and nurses with experience treating COVID-19, successful businesspeople intent on creating jobs in the United States, two veterinarians, people fleeing conflicts and persecution, and children with limitless potential. Plaintiffs all yearn for a life in the shining city upon a hill and its beacon of hope – the American Dream.
2. Plaintiffs hereby challenge the U.S. Department of State’s (hereafter referred to as the “Department”) adoption of policies, procedures, and practices implemented pursuant to Presidential Proclamation 10014 (hereafter “PP 10014”), its extension in Presidential Proclamation 10052 (hereafter “PP 10052”), Presidential Proclamation 9645 (hereafter “PP 9645”), and the various presidential proclamations related to regional travel bans, which suspend the processing of immigrant visa applications for individuals selected in the fiscal year 2020 Diversity Visa Program (hereafter “DV-2020 program”) and the resulting unlawful withholding of issuances of visas to eligible applicants.
3. All Plaintiffs, either as DV-2020 selectees or as derivative spouses or children, have been invited by the Department to apply for the DV-2020 program.
4. All Plaintiffs have submitted immigrant visa applications pursuant to their DV-2020 program selection, and submitted all required documents to the Department’s Kentucky Consular Center (“KCC”).
5. Plaintiffs hereby seek an order requiring Defendant President Trump, Secretary Michael R. Pompeo, and the Department to set aside the Department’s unlawful policies, procedures, and practices suspending the adjudication of immigrant visa applications for

DV-2020 selectees, fulfill their mandatory, non-discretionary duty to adjudicate Plaintiffs' immigrant visa applications, and issue decisions on their applications before September 30, 2020.

6. Plaintiffs also hereby seek an order mandating Defendants to reserve visas numbers for Plaintiffs beyond September 30, 2020 in the event that Defendants fail to fully adjudicate and issue Plaintiffs' visas before the deadline.
7. For Plaintiffs, the stakes are high and a matter of extreme urgency. By statute, DV-2020 program selectees must have their visas adjudicated and issued before midnight on September 30, 2020.
8. Should the Plaintiffs not have their visas issued before midnight on September 30, 2020, barring a protective order from this Court, Plaintiffs, will lose their opportunity to immigrate to the United States of America through the DV-2020 program as a result of Defendants' unlawful actions.
9. With over 23 million entrants a year, a diversity visa entrant has less than a one percent chance to be selected to apply for the visa. The probability of being selected twice is .00025%.
10. Defendants have suspended the DV-2020 program through policies, procedures, and practices that are contrary to the Immigration and Nationality Act ("INA"), federal regulations, and preexisting Department policies governing the adjudication of the program.
11. Defendants' policies, procedures, and practices suspend: (1) processing of applications for the DV-2020 program at the KCC; (2) scheduling of mandatory immigrant visa interviews for DV-2020 program selectees and their derivative beneficiaries at United States Embassies and Consulates; (3) adjudications for already submitted applications

pending decisions by consular officers; and (4) reissuance of visas expired due to PP 10014 and PP 10052's suspension of entry due to COVID-19.¹

12. Defendants' policies, procedures, and practices will remain in place through September 30, 2020 and effectively end the DV-2020 program.
13. Defendants policies, procedures, and practices suspending the Diversity Visa Program rests, in part, on the Presidential Proclamation 10014, *Proclamation Suspending Entry of Aliens Who Present a Risk to the U.S. Labor Market Following the Coronavirus Outbreak* (April 23, 2020), and its extension in Presidential Proclamation 10052, *Suspension of Entry of Immigrants and Nonimmigrants Who Present a Risk to the United States Labor Market During the Recovery Following the 2019 Novel Coronavirus Outbreak*.
14. Other obstacles 2020 DV selectees have faced are the use of additional Presidential Proclamations by Defendants to refuse to adjudicate Plaintiffs' Diversity Visas. Defendants have relied on: (1) Presidential Proclamation 9984, *Suspension of Entry as Immigrants and Nonimmigrants of Certain Additional Persons Who Pose a Risk of Transmitting 2019 Novel Coronavirus* (suspending entry for persons who were present in the Republic of China within 14 days of seeking entry into the United States); (2) Presidential Proclamation 9992, *Suspension of Entry as Immigrants and Nonimmigrants of Certain Additional Persons Who Pose a Risk of Transmitting 2019 Novel Coronavirus* (same for Iran); (3) Presidential Proclamation 9993, *Suspension of Entry as Immigrants and Nonimmigrants of Certain Additional Persons Who Pose a Risk*

¹ Plaintiffs in related case *Aker v. Trump*, No. 1:20-cv-01419-APM, Dkt. 84, moved this Court for class certification encompassing the plaintiffs in this case whose visas have lapsed due to their inability to enter the United States under the presidential proclamations at issue; however, that motion was denied. *Id.* at Dkt. 123.

of Transmitting 2019 Novel Coronavirus (same for the Schengen Area); (4) Presidential Proclamation 9996, *Suspension of Entry as Immigrants and Nonimmigrants of Certain Additional Persons Who Pose a Risk of Transmitting 2019 Novel Coronavirus* (same for the United Kingdom and Ireland); (5) Presidential Proclamation 10041, *Suspension of Entry as Immigrants and Nonimmigrants of Certain Additional Persons Who Pose a Risk of Transmitting 2019 Novel Coronavirus* (same for Brazil), (6) Presidential Proclamation 9945, *Suspension of Entry of Immigrants Who Will Financially Burden the United States Healthcare System*, (7) Presidential Proclamation 9983, *Improving Enhanced Vetting Capabilities and Processes for Detecting Attempted Entry*; and (8) Presidential Proclamation 9645, *Enhancing Vetting Capabilities and Processes for Detecting Attempted Entry Into the United States by Terrorists or Other Public-Safety Threats* to further effectuate their unlawful policies, programs, and practices of dismantling the Diversity Visa Program.

15. These entry bans derive their authority from 8 U.S.C. § 1192(f), which provides only that the President can suspend entry, not visa issuance. *See Hawaii v. Trump*, 138 S. Ct. at 2414 & n.3 (recognizing “the basic distinction between admissibility determinations,” i.e., entry determinations, and “visa issuance that runs through the INA”).
16. Plaintiffs have received emails from U.S. Embassies and Consulates stating: “Unfortunately, Diversity Visa applicants are not exempt of the current Travel Ban and there are [sic] no waiver eligible. Hence, [Defendants are] putting all Diversity Visa applications on hold until the Travel Ban is lifted.”
17. State Department officials and media outlets have repeated this message and informed all DV-2020 visa applicants that the adjudications of their visas have been suspended through December 31, 2020 pursuant to PP 10014 and PP 10052.

18. Defendants' Certified Administrative Record ("CAR") unequivocally proves that Defendants' practices, policies, and procedures to unreasonably delay adjudicating Plaintiffs' diversity visas and to unlawfully withhold said visas constitutes final agency action. *See* CAR at 000001, 000012, 0000275.
19. The Department's practices, policies, and procedures refusing to adjudicate immigrant visa applications for DV-2020 selectees and their derivative beneficiaries and issue, or reissue, visas to eligible applicants is unlawful and violates non-discretionary duty to adjudicate immigrant visa applications.
20. Plaintiffs are requesting that the Court: (1) mandate Defendants reserve visa numbers for Plaintiffs through the pendency of litigation, (2) declare Defendants' policies, procedures, and practices suspending Plaintiffs' visa applications unlawful, (3) order Defendants to fully adjudicate Plaintiffs' immigrant visa applications before the statutory deadline on September 30, 2020, and issue visas to eligible applicants in accordance with law. If Plaintiffs receive their visas, Plaintiffs request their visas be preserved until the suspension is lifted and they are permitted to enter the United States.

JURISDICTION AND VENUE

21. This Court has jurisdiction under 28 U.S.C. §§ 1331 and 1361, and 42 U.S.C. § 1983. Declaratory relief is authorized by Rule 57 of the Federal Rules of Civil Procedure. The Court has remedial authority pursuant to 28 U.S.C. § 1361, 28 U.S.C. § 2201, and 5 U.S.C. § 702.
22. Venue is proper pursuant to 28 U.S.C. § 1391 (e)(1)(A) because Defendant Michael R. Pompeo, in his official capacity as Secretary of State, resides in the District, and pursuant to 28 U.S.C. § 1391(e)(1)(B) because a substantial part of the events or omissions giving

rise to the claim occurred in this District, namely, the formulation and promulgation of the challenged policies, procedures, and practices suspending the adjudication of immigrant visas for DV-2020 program selectees.

DEFENDANTS

2117. Defendant Donald Trump is the President of the United States of America. He is sued in his official capacity.
2118. Defendant Michael R. Pompeo is the Secretary of State for the United States of America. Under the Immigration and Nationality Act, he has the authority to issue regulations to implement the Diversity Visa Lottery Program. 8 U.S.C. §§ 1153, 1154. He also prescribes the Visa Lottery fee, which is \$330 per DV winner or derivative. C.F.R. § 42.33(h)(2)(i) He is sued in his official capacity.
2119. Defendant Michael R. Pompeo administers the Diversity Visa Lottery Program through the Bureau of Consular Affairs' Kentucky Consular Center (KCC), located in Williamsburg, Kentucky, which opened in 2000 to administer the program. As of May 2019, KCC had approximately 430 contract staff members working in two shifts and on weekends and 5 Bureau of Consular Affairs direct-hire employees, including a Foreign Service officer Director, all working under the direction of Defendant Michael R. Pompeo. Among those, 21 contract staff members in KCC's DV unit handle inquiries about the program, process the electronic visa applications from DV selectees, schedule overseas interviews, and work with U.S. Citizen and Immigration Services to process selectees already in the United States.

FACTUAL ALLEGATIONS

A. DIVERSITY VISA IMMIGRANT PROGRAM

2120. The Immigration Act of 1990 created a new immigration category, the Diversity Immigrant Visa Program, to increase diversity in the U.S. immigrant population by

providing 50,000 Diversity visas to nationals of countries that have had low immigration rates to the United States. Public Law 101-649; 8 U.S.C. § 1153(c).

2121. The Diversity Immigrant Visa Program has led to a broader mix of nationalities represented in the U.S. immigrant population, creating a U.S. better equipped to understand and relate to the diversity of the world abroad.
2122. The Congressionally mandated program issues visas specifically for immigrants who are natives of countries and regions from where fewer than 50,000 immigrants came to the United States over the previous five years.
2123. Each fiscal year, the Department grants approximately 50,000 diversity immigrant visas to individuals from countries underrepresented in the immigration process, which allow recipients who are granted admission to enter the country as lawful permanent residents who may live and work in the United States indefinitely. *See* 8 U.S.C. §§ 1151(e), 1153(c)(1).
2124. Hopeful immigrants must submit entries during the application period.
2125. From those entries, the Department then chooses eligible selectees to apply for immigrant visas.
2126. A diversity visa selectee is entitled to apply for an immigrant visa only during the fiscal year for which the entry was submitted. *See* INA § 204(a)(1)(I)(ii)(II).
2127. The diversity visa program is administered at the Department's KCC. *See* 9 FAM 502.6-4(c)(1)(a).
2128. Selectees receive a first notifications letter informing the selectee of their selection and visa number. *Id.*

2129. The visa number, assigned by the KCC, is an administrative device used by the State Department to ensure that it does not grant more than the statutorily allocated 50,000 visas per year.
2130. Selectees must then submit a DS-260, Immigrant Visa and Alien Registration Application and various supporting documents. *See* 9 FAM 502.6-4(d)(1)(a), (b).
2131. When a selectee submits the DS-260, Immigrant Visa and Alien Registration Application and supporting documentation, KCC considers the case documentarily qualified.
2132. Once the case is documentarily qualified, the Department must schedule the selectee for an immigrant visa interview at a United States Embassy or Consulate.
2133. The Foreign Affairs Manual and associated Handbooks (hereafter collectively referred to as the “FAM”) are a single, comprehensive, and authoritative source for the Department's organization structures, policies, and procedures that govern the operations of the Department, the Foreign Service and, when applicable, other federal agencies. The FAM conveys codified information to Department staff and contractors so they can carry out their responsibilities in accordance with statutory, executive, and Department mandates.
2134. The FAM states that “KCC will schedule an appointment for a ‘documentarily qualified’ applicant when his or her regional lottery rank number is about to become current.” 9 FAM 502.6-4(d)(2) (emphasis added).
2135. Each month, the Department publishes a Diversity Visa Bulletin summarizing the availability of immigrant visas for diversity visa selectees.
2136. Selectees with current visas numbers are entitled to an immigrant visa interview to make a formal application for an immigrant visa before a consular officer.

2137. All Plaintiffs have an available immigrant visa pursuant to their DV-2020 program selection.
2138. The Department's July 2020 Diversity Visa Bulletin demonstrates that all Plaintiffs have an available immigrant visa.

B. DIVERSITY IMMIGRANT (DV) CATEGORY FOR THE MONTH OF JULY

Section 203(c) of the INA provides up to 55,000 immigrant visas each fiscal year to permit additional immigration opportunities for persons from countries with low admissions during the previous five years. The NACARA stipulates that beginning with DV-99, and for as long as necessary, up to 5,000 of the 55,000 annually-allocated diversity visas will be made available for use under the NACARA program. This will result in reduction of the DV-2020 annual limit to approximately 54,650. DV visas are divided among six geographic regions. No one country can receive more than seven percent of the available diversity visas in any one year.

For July, immigrant numbers in the DV category are available to qualified DV-2020 applicants chargeable to all regions/eligible countries as follows. When an allocation cut-off number is shown, visas are available only for applicants with DV regional lottery rank numbers BELOW the specified allocation cut-off number:

Region	All DV Chargeability Areas Except Those Listed Separately	
AFRICA	CURRENT	Except: Egypt 42,000
ASIA	CURRENT	Except: Nepal 13,500
EUROPE	CURRENT	
NORTH AMERICA (BAHAMAS)	CURRENT	
OCEANIA	CURRENT	
SOUTH AMERICA, and the CARIBBEAN	CURRENT	

Entitlement to immigrant status in the DV category lasts only through the end of the fiscal (visa) year for which the applicant is selected in the lottery. The year of entitlement for all applicants registered for the DV-2020 program ends as of September 30, 2020. DV visas may not be issued to DV-2020 applicants after that date. Similarly, spouses and children accompanying or following to join DV-2020 principals are only entitled to derivative DV status until September 30, 2020. DV visa availability through the very end of FY-2020 cannot be taken for granted. Numbers could be exhausted prior to September 30.

Visa Bulletin for July, Number 43, Volume X, Department of State, Washington, D.C.

available at <https://travel.state.gov/content/travel/en/legal/visa-law0/visa-bulletin/2020/visa-bulletin-for-july-2020.html/>.

2139. As of July 2020, immigrant visas were available to all Plaintiffs.
2140. Because the Department must schedule immigrant visa interviews for DV-2020 selectees when their application is about to be current, the Department also publishes the forthcoming months visa bulletin for DV-2020 selectees.

2141. The Department's Visa Bulletin for July states that on August 1, 2020 all DV-2020 selections will be current and eligible for immigrant visa interviews.

C. THE DIVERSITY (DV) IMMIGRANT CATEGORY RANK CUT-OFFS WHICH WILL APPLY IN AUGUST

For August, immigrant numbers in the DV category are available to qualified DV-2020 applicants chargeable to all regions/eligible countries as follows. When an allocation cut-off number is shown, visas are available only for applicants with DV regional lottery rank numbers BELOW the specified allocation cut-off number:

Region	All DV Chargeability Areas Except Those Listed Separately	
AFRICA	CURRENT	
ASIA	CURRENT	
EUROPE	CURRENT	
NORTH AMERICA (BAHAMAS)	CURRENT	
OCEANIA	CURRENT	
SOUTH AMERICA, and the CARIBBEAN	CURRENT	

Id.

2142. The entitlement requires the Department to schedule the selectee for a mandatory immigrant interview at a US Embassy or Consulate to determine the selectee's qualifications for the diversity visa and admissibility into the United States pursuant to the laws of the United States of America.
2143. At the time of the interview, the consular officer must issue or refuse the immigrant visa application.
2144. If the selectee is admissible to the United States, the consular officer "shall" issue the selectee an immigrant visa and may only refuse a visa "upon a ground specifically set out in the law or implementing regulations." *See* 22 C.F.R. § 40.6.
2145. Because the diversity visa program restarts each fiscal year, diversity visas may not be issued after midnight on September 30th of the fiscal year of the selection. *See* 8 U.S.C. §§ 1153(c)(1), 1154(a)(1)(I)(ii)(II); 22 C.F.R. § 42.33(a)(1)(d); *see also* 31 U.S.C. § 1102.

2146. Barring an order from this Court preserving Plaintiffs' diversity visas in the event that Defendants' fail to properly discharge their nondiscretionary duty and issue Plaintiffs' diversity visas before September 30, 2020, Plaintiffs will forever lose their diversity visas.
2147. If a selectee is not issued a visa prior to midnight on September 30 of the fiscal year of the selection, the selectee cannot be issued a visa based on his or her visa selection for that fiscal year.

B. DIVERSITY VISA ANIMUS

2148. At 4:30 AM on November 1, 2017, President Donald J. Trump made clear on twitter his hostility towards the Diversity Visa Program.

2149. In a cabinet meeting later that day, the President stated that “I am today starting the process of terminating the diversity lottery program.” Also stating, “Diversery [sic] and

diversity lottery. Diversity lottery. Sounds nice. It's not nice. It's not good. It's not good. It hasn't been good. And we've been against it."

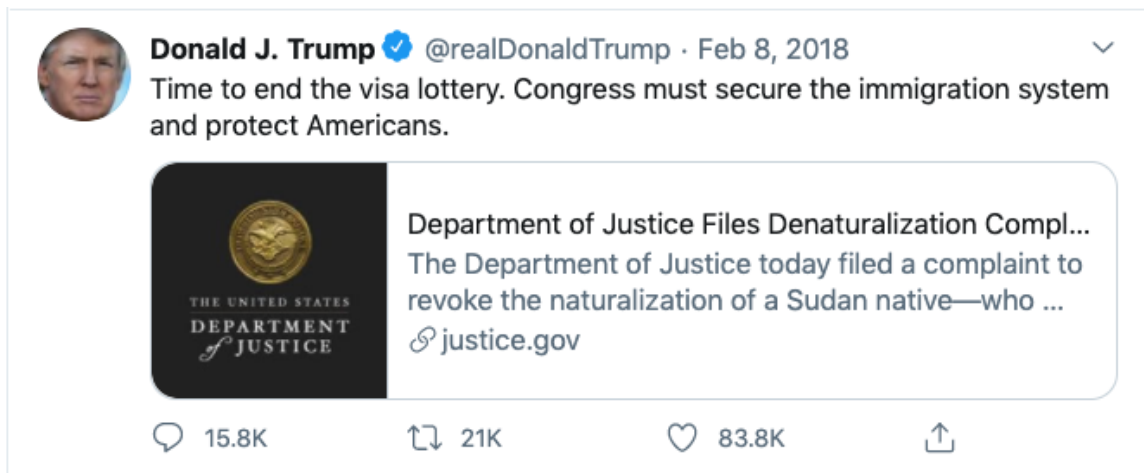

<https://twitter.com/realDonaldTrump/status/926155393490878464>

2150. The next day, recognizing the President did not garner the legislative backing necessary to end the Congressionally mandated program, the President stated "We're being stopped by Democrats because they're obstructionists. And, honestly, they don't want to do what's right for our country. We need strength. We need resolve. We have to stop it. So, we're going to get rid of this lottery program as soon as possible."

2151. December 15, 2017, while speaking about the Diversity Visa Program the President stated, “They give us their worst people, they put ‘em in a bin,” Trump continued, making a lifting gesture from an imaginary bin. He went on to say, “But in his hand when he’s picking these people, it’s really the worst of the worst. ‘Congratulations, you’re going to the United States.’ What a system.”
2152. It is unclear if the President was referring to career State Department officials at the KCC or foreign services officers at the United States Embassies and Consulates who place both their and their families lives at risk serving the citizens of the United States and enforcing our immigration laws in his statement on giving the United States the “worst of the worst.”
2153. On December 29, 2017, the President made clear in a tweet that “there can be no DACA without the desperately needed WALL at the Southern Border and an END to the horrible Chain Migration & ridiculous Lottery System of Immigration etc.”
2154. On January 4, 2018, the President tweeted “We must BUILD THE WALL, stop illegal immigration, end chain migration & cancel the visa lottery. The current system is unsafe & unfair to the great people of our country – time for change!” He repeated this sentiment in tweets on January 9, 11, 12, 16, and two more on February 6.

2155. On February 8, 2018, the President tweeted “Time to end the visa lottery. Congress must secure the immigration system and protect Americans.”

2156. On February 10, 2018, the President again detailed his intention of ending the Diversity Visa Program, stating “My Administration has identified three major priorities for creating a safe, modern and lawful immigration system: fully securing the border, ending chain migration, and canceling the visa lottery.”

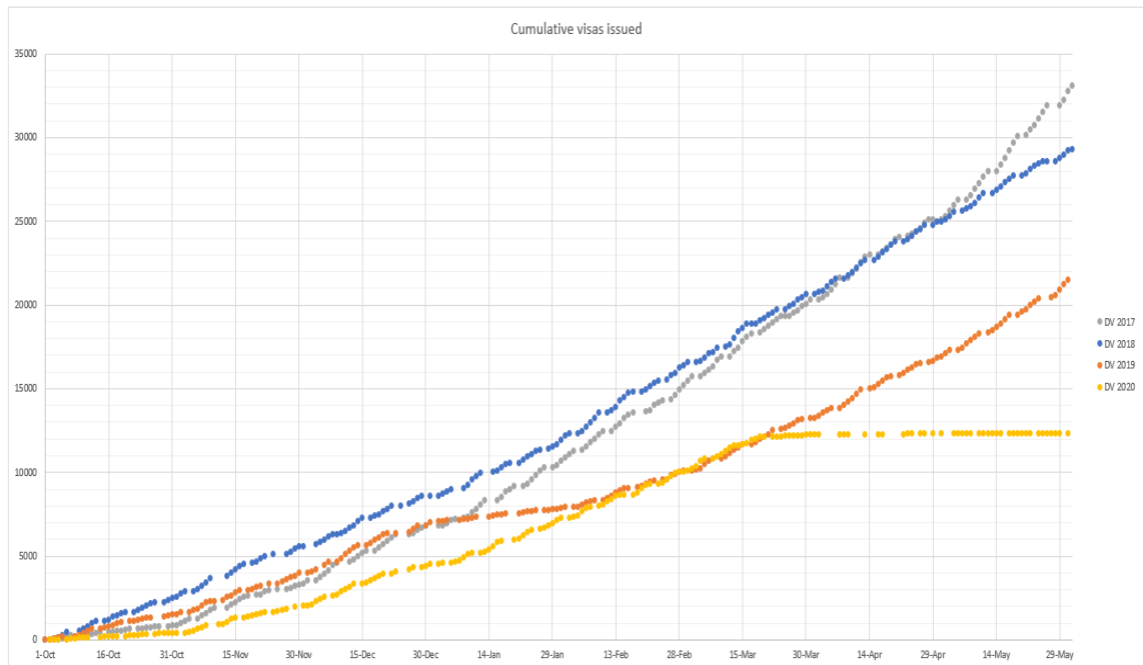

<https://twitter.com/realdonaldtrump/status/962469767109009408>

2157. During the President's 2018 State of the Union address, he reiterated his intention to gut the Diversity Visa Program as part of his immigration overhaul.
2158. In tweets sent on February 15, May 26, June 15, July 29, and July 30, 2018, the President continued to call for ending the DV Lottery program.
2159. In May of 2019, Trump unveiled an immigration proposal, drafted largely by the president's son-in-law and senior adviser Jared Kushner. Again, the President proposed to end the Diversity Visa Program.
2160. At a campaign rally in Cincinnati, Ohio in 2019, President Trump painted a wildly inaccurate picture of how the diversity visa program works to a ruckus group of his supporters.

2161. The President stated, “And you pick people out of the lottery,” gesturing as if he were picking names out of a hat. “Well let’s see, this one is a murderer, this one robbed four banks, this one I better not say, this one another murderer, ladies and gentlemen, another murderer.”
2162. The President also stated, “You think [countries] are going to put their great citizens [...] into the lottery? Look at the people they put into these lotteries.”
2163. Despite his tenacious twitter campaign, the President again failed to garner the legislative support for ending the Diversity Visa Program.
2164. President’s longstanding animus towards the Diversity Visa Program and its immigrant participants, failed efforts to garner the Congressional support to end the Diversity Visa Program, and intent to unlawfully end the Congressional mandated program is the basis for the Defendant’s unlawful policies, procedures, and practices suspending the adjudication of immigrant visas for DV-2020 program selectees.
2165. Defendants are now relying, in part, on the PP 10014, PP 10052, PP 9645, and other proclamations suspending entry into the United States to circumvent the Immigration and Nationality Act, federal regulations, preexisting Department policies, and the text of the aforementioned proclamations to unlawfully suspend the adjudication of immigrant visa applications for DV-2020 selectees and their derivative beneficiaries.
2166. Defendants’ policies, procedures, and practices are a violation of the Immigration and Nationality Act, Administrative Procedure Act, federal regulations, existing Department policies, and the text of PP 10014, PP 10052, PP 9645 governing the adjudication of immigrant visa applications for Diversity Visa Program selectees and their derivative beneficiaries.

C. DEFENDANTS HAVE CHANGED THE LAW AND SUSPENDED THE ADJUDICATION OF IMMIGRANT VISAS FOR DV-2020 SELECTEES

2167. The Department has implemented policies, procedures, and practices suspending the adjudication of immigrant visas for DV-2020 selectees through the DV-2020 deadline—effectively ending the program.
2168. The graph below, prepared by Plaintiff Tiago Vaz Duarte Soares, demonstrates the suspension of immigrant visa adjudication for the DV-2020 through the end of May in comparison to the DV-2019, DV-2018, and DV-2017.

2169. The Department cannot rely upon any statutory authority, regulations, presidential proclamations, executive orders, or preexisting Department policies to support a lawful implementation of policies, procedures, and practices that suspend the adjudication and issuance of immigrant visas for eligible DV-2020 selectees and their derivative beneficiaries.

2170. The Department has suspended adjudication of immigrant visa applications for DV-2020 program selectees and their derivative beneficiaries at the KCC pursuant to the Department's policies, procedures, and practices.
2171. In July 8, 2020 cable, the State Department prioritized DVs who qualify as exceptions as dead last, below all other categories: "For this transition period, pending further notice, the Visa Office recommends IV cases be scheduled, whether by NVC, KCC, or locally by post, in the following order of priority, with some appointments made available in each category each month to prevent complete stagnation." *See* CAR p. 00038.
2172. The KCC has suspended assigning visa numbers to DV-2020 program selectees and their derivative beneficiaries pursuant to the Department's policies, procedures, and practices suspending the adjudication immigrant visas for DV-2020 program selectees.
2173. The KCC has suspended transferring documentarily complete immigrant visa applications for DV-2020 program selectees and their derivative beneficiaries pursuant to the Department's policies, procedures, and practices suspending the adjudication of immigrant visa applications for DV-2020 program selectees and their derivative beneficiaries.
2174. Despite the fact that the KCC is fully staffed, Defendants have refused to adjudicate Plaintiffs' diversity visas at the KCC. *See* CAR generally.
2175. United States Embassies and Consulates have suspended conducting immigrant visa interviews for immigrant visa applications for DV-2020 program selectees pursuant to Department's policies, procedures, and practices suspending the adjudication of immigrant visa applications for DV-2020 program selectees and their derivative beneficiaries.

2176. United States Embassies and Consulates have suspended accepting evidence in support of immigrant visa applications for DV-2020 program selectees pursuant to policies, procedures, and practices suspending the adjudication of immigrant visa applications for DV-2020 program selectees and their derivative beneficiaries.
2177. United States Embassies and Consulates have ended conducting security checks for immigrant visa applications for DV-2020 program selectees and their derivative beneficiaries pursuant to policies, procedures, and practices suspending the adjudication of immigrant visa applications for DV-2020 program selectees and their derivative beneficiaries.
2178. United States Embassies and Consulates have suspended all adjudications for already interviewed immigrant visa applications for DV-2020 program selectees and their derivative beneficiaries pursuant to policies, procedures, and practices suspending the adjudication of immigrant visa applications for DV-2020 program selectees and their derivative beneficiaries.
2179. United States Embassies and Consulates have suspended PP 10014, PP 10052, and PP 9645 exemption and waiver determination for DV-2020 program selectees and their derivative beneficiaries pursuant to policies, procedures, and practices suspending the adjudication of immigrant visa applications for DV-2020 program selectees and their derivative beneficiaries.
2180. The aforementioned suspensions have occurred and continued regardless of the United States Embassies and Consulates' host countries' restrictions. *See* CAR at 12–14, 23, 25.
2181. The Department's policies, procedures, and practices suspending immigrant visa applications for DV-2020 program selectees and their derivative beneficiaries will not restart adjudications of immigrant visa applications for DV-2020 program selectees and

their derivative beneficiaries before October 1, 2020 effectively ending the DV-2020 program.

2182. Defendants policies, procedures, and practices suspending adjudication of diversity visas constitutes a final agency action and is reviewing by this court under the APA. Defendants' policies, procedures, and practices have resulted in an unreasonable delay and unlawful withholding of Plaintiffs' diversity visas.
2183. Even after the District Court of D.C. issued an order on September 4, 2020, directing Defendants to adjudicate numerous similarly situated plaintiffs' claim as expeditiously as possible, Defendant State Department continued to tell DV-2020 winners that they were ineligible for interviews for visa issuance because they are subject to PP 9993, a 14-day ban on travel—despite those plaintiffs' inability to use those visas, when issued, until January 1, 2021; such an interpretation is clearly animosity or Defendants' internal mistrust that Customs and Border Patrol would admit a person to the United States from a Schengen-area country despite PP 9993.
2184. Accordingly, Plaintiffs only recourse is an order from this Court enjoining Defendants from further effectuating their unlawful policies, practices and procedures suspending the adjudication of their diversity visas. Moreover, Plaintiffs seek an order from this Court preserving their diversity visas in the likely event that Defendants fail to fully and properly adjudicate Plaintiffs' visas before the deadline of September 30, 2020.

D. DEFENDANTS UNLAWFULLY RELY ON PP 10014, PP 10052, PP 9645 AND OTHER PRESIDENTIAL PROCLAMATIONS TO SUSPEND THE ADJUDICATION AND ISSUANCE OF IMMIGRANT VISA

**APPLICATIONS FOR DV-2020 PROGRAM SELECTEES AND THEIR
DERIVATIVE BENEFICIARIES.**

2185. The Department’s policies, procedures, and practices suspending immigrant visa applications for DV-2020 program selectees and their derivative beneficiaries relies in part on PP 10014 and PP 10052.
2186. Following this Court’s order in *Gomez v. Trump*, 1:20-cv-01419 it has been clear that the Department has also relied on other presidential proclamations such as PP 9645 and regional travel bans to refuse to adjudicate diversity visas.
2187. The Department has adopted policies, procedures, and practices directing the KCC, United States Embassies and Consulates, and consular officers to suspend immigrant visas adjudications prior to a final decision to issue or refuse those immigrant visa applications pursuant to PP 10014, PP 10052, PP 9645, and regional travel bans.
2188. PP 10014 and PP 10052 mandate that consular officers “shall determine, in his or her discretion, whether an immigrant has established his or her eligibility for an exception” to the proclamation.
2189. PP 9645 provides: “a consular officer, or the Commissioner, United States Custom and Border Protection (CBP), or the Commissioner’s designee, as appropriate, may, in their discretion, grant waivers on a case-by-case basis to permit the entry of foreign nationals for whom entry is otherwise suspended or limited”
2190. The Department’s policies, procedures, and practices preclude consular officers from determining whether PP 10014, PP 10052, PP 9645, and other regional travel bans are applicable to DV-2020 selectees and their derivative beneficiaries.
2191. Contrary to 8 U.S.C. § 1202(b) and (d), Defendants have denied consular officers from performing their rights and duties—that is, Defendants have denied consular officers the

authority to adjudicate immigrant visa applications. *Cf.* § 1104(a) (denying the Secretary of State of “those powers, duties, and functions conferred upon the consular officers relating to the granting or refusals of visas”).

2192. The Department’s policies, procedures, and practices suspending immigrant visa applications for DV-2020 selectees and their derivative beneficiaries also conflate the PP 10014, PP 10052, PP 9645’s suspension of entry with a ban on visa issuance.
2193. PP 10014, PP 10052, PP 9645, and the regional travel ban proclamations **do not preclude** the issuance of immigrant visas for DV-2020 selectees and their derivative beneficiaries.
2194. Even if PP 10014 and PP 10052 applied to visa issuance, Defendants have fully neglected to implement the exceptions to PP 10014 and PP 10052, including admission of “any alien whose entry would be in the national interest, as determined by the Secretary of State, the Secretary of Homeland Security, or their respective designees. 85 Fed. Reg. at 23,443 § 2(b)(ix).
2195. Moreover, Defendants have willfully ignored the Proclamations’ directives to consular officers to determine, “in their discretion, whether an immigrant has established his or her eligibility for an exception” to the Proclamation. *Id.* at 23,443 § 3.
2196. Ultimately, although establishing “national interest” exceptions under PP 10014 and PP 10052 for certain classes of visas, the State Department has precluded diversity visa winners from meeting such an exception because there are no specific national interest exceptions available for diversity visa applicants. CAR 173–74.
2197. Moreover, even if there was a “national interest” exception for diversity visa lottery winners, the State Department has instructed consular posts that “Only [visa] applicants that [the] post believes may meet an exception to the [Proclamation], including the

national interest exception, *and* that constitute a mission-critical category should be adjudicated at this time,” and that officers “may not issue any [visas] that are not also excepted under the [Proclamation].” CAR 24 (emphasis added); *see also* CAR 32; CAR 44.

2198. Defendants have explicitly applied these improper and unlawful prerequisites to Diversity Visa Plaintiffs. Defs.’ Opp’n, Decl. of Aaron Luster, ¶ 5 (“[O]nly when a consular post reaches Phase Three of the Diplomacy Strong Framework may the post resume diversity visa case processing, and only for cases that appear to be eligible for an exception to P.P. 10014.”).
2199. Defendants are not processing diversity visas, even at posts that have resumed routine operations. *See* 8/27/2020 Arg. Tr. at 79–90.
2200. Even if PP 9645 applied to visa issuance, Defendants have fully neglected to implement the waiver determination as required by § 3(c).
2201. The presidential proclamations related to regional travel bans do not apply to issuance, they simply apply to entry into the United States.
2202. Therefore, the State Department’s misinterpretation and misapplication of PP 10014, PP 10052, PP 9645, and the various regional travel ban proclamations have completely excluded Diversity Visa Lottery winners from being eligible to receive a visa determination under arbitrary and capricious language.
2203. The Department’s policies, procedures, and practices suspending immigrant visa adjudications for DV-2020 program selectees and their derivative beneficiaries violate statutes, regulations, and preexisting Department policies requiring the issuance of immigrant visas to diversity visa lottery winners who are statutorily eligible.

2204. The Department has failed to adhere to and has implemented policies and procedures contrary to law, regulation, preexisting Department policies, and PP 10014, PP 10052, PP 9645, and the regional travel ban proclamations.
2205. Despite indicating that persons unable to travel to the U.S. even with valid immigrant visas at the time of the Proclamation should contact their embassies, the Department of State has failed to reissue new visas to Diversity Visa holders who had approved visas prior to the proclamation's issuance, but who were unable to enter the United States due to the Coronavirus epidemic.
2206. Even after this Court ordered Defendants to expeditiously adjudicate plaintiffs' diversity visas in *Gomez v. Trump*, numerous Embassies and Consulates sent emails to plaintiffs in that case refusing to schedule interviews or process their diversity visas. The plaintiffs in the *Gomez* case are currently utilizing all efforts to compel the Department to comply with the court's order and properly and fully adjudicate diversity visas.
2207. Plaintiffs in this case who have reached out to the U.S. Embassy in their country to process their diversity visas upon hearing about this Court's order in *Gomez* were told that the Department was not processing diversity visas pursuant to PP 10052.
2208. Similarly, Plaintiffs who have reached out to KCC to process their diversity visas have been told that the KCC is not processing diversity visas at this time.
2209. Given Defendants adamant refusal to unlawfully withhold adjudication of DV 2020 visas, Plaintiffs seek an order from this Court preserving their diversity visas in the event that Defendants continue their unlawful policies, procedures, and practices of dismantling the Diversity Visa Program.

E. REFUSED ADJUDICATION OF DIVERSITY VISAS BY IMPROPERLY RELYING ON INA § 212(f)

2210. Section 212(f) of the INA reads, in relevant part, as follows: “Whenever the President finds that the entry of any aliens or of any class of aliens into the United States would be detrimental to the interests of the United States, he may by proclamation, and for such period as he shall deem necessary, suspend the entry of all aliens or any class of aliens as immigrants or nonimmigrants, or impose on the entry of aliens any restrictions he may deem to be appropriate.”
2211. There is no language in Section 212(f) that gives the President the authority to suspend the adjudication of visas. Moreover, while previous presidents have relied on Section 212(f) to preclude the entry of certain immigrants, there is no precedent that Section 212(f) was utilized to prevent the adjudication of visas.
2212. This case is about the adjudication of visa applications and not about entry of immigrants into the United States.
2213. Congress, through its plenary power to control immigration to the United States, has charged the Secretary of State with the adjudication of visa applications. INA § 104(a) states: the Secretary of State shall be charged with the administration and the enforcement of the provisions of this Act and all other immigration and nationality laws relating to (1) the powers, duties, and functions conferred upon the consular officers relating to the granting or refusal of visas... He shall establish such regulations[,]....[and] issue such instructions; and perform such other acts as he deems necessary for carrying out such provisions.
2214. The Secretary of State has cloaked the unlawful policies suspending the adjudications and withholding of issuance of DVs in its implementation of proclamations to shield

them from APA review. *See* CAR at p. 000013 (state department cable suspending the adjudication of DVs); *see* also CAR at p. 000017 (mandating refusal of the issuance of visas pursuant to 212(f)).

2215. However, because those policies regarding the adjudication and issuance of visas are not committed to the discretion of the President under INA § 212(f) but rather the Secretary under INA § 104(a), this Court can review DOS's policies suspending the adjudication and issuance of DVs under the APA. *See Detroit Int'l Bridge Co. v. Gov't of Canada*, 189 F. Supp. 3d 85, 100 (D.D.C. 2016) (holding ministerial executive action is reviewable under the APA).
2216. Accordingly, Defendants' policies, procedures, and practices suspending the adjudication and issuance of diversity visas are reviewable under the APA because the agency is violating the INA and federal regulations by dismantling the DV program and improperly relying on Section 212(f).

CAUSES OF ACTION

A. First Claim for Relief: Agency Action That is Arbitrary and Capricious, An Abuse of Discretion, and Otherwise Not in Accordance with Law in Violation of 5 U.S.C. § 706(2)(A)

2217. Plaintiffs reallege the forgoing allegation as if set forth fully herein.
2218. Department is an agency subject to the requirements of the Administrative Procedure Act (hereafter referred to as the "APA"). 5 U.S.C. § 701(b)(1).
2219. Under 5 U.S.C. § 706(2), courts shall hold unlawful and set aside agency action that is arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law; contrary to constitutional right, power, privilege, or immunity; in excess of statutory

jurisdiction, authority, or limitations; or without observance of procedure required by law.

2220. The implementation of the Department's policies, procedures, and practices suspending the adjudication and issuance or reissuance of immigrant visas applications for DV-2020 program selectees and their derivative beneficiaries constitutes a final agency action that is reviewable by this Court. *Whitman*, 531 U.S. at 478; *Bennett v. Spear*, 520 U.S. 154, 177–78 (1997).
2221. The legal consequences flowing from the consummation of the State Department's decisionmaking process in this case are the Defendants' refusal to process any visas for Plaintiffs because of their misinterpretation of PP 10014, PP 10052, PP 9645, and the various proclamations banning travel from certain regions. *Bennett*, 520 U.S. 154; *Cal. Cmtys. Against Toxics v. EPA*, 934 F.3d 627, 637 (D.C. Cir. 2019); *Appalachian Power Co. v. EPA*, 208 F.3d 1015, 1023 (D.C. Cir. 2000); *Ciba-Geigy Corp. v. EPA*, 801 F.2d 430, 438 (D.C. Cir. 1986).
2222. Defendants' policies, procedures, and practices dismantling the DV Program constitutes final agency action because Defendants policies effectively end adjudication of diversity visas beyond the deadline of September 30, 2020. *See* CAR 0000275.
2223. The policies, procedures, and practices suspending the adjudication of immigrant visas for DV-2020 program selectees and their derivative beneficiaries are arbitrary and capricious, an abuse of discretion, and not in accordance with law because the Defendant lacked the statutory authority to unilaterally suspend the adjudications of immigrant visas for DV-2020 program selectees and their derivative beneficiaries.
2224. The policies, procedures, and practices suspending the adjudication of immigrant visas for DV-2020 program selectees and their derivative beneficiaries strips the

Congressionally mandated entitlements of DV-2020 program selectees and their derivative beneficiaries and it does so by rewriting the immigration laws and contradicting the priorities adopted by Congress.

2225. Defendants’ inaction, in this case, creates jurisdiction. *Moghaddam v. Pompeo*, 424 F. Supp. 3d 103, 114 (D.D.C. 2020) (quoting *Patel v. Reno*, 134 F.3d 929, 931–32 (9th Cir. 1997)); see also *Nine Iraqi Allies Under Serious Threat Because of Their Faithful Serv. to the United States v. Kerry* (“*Nine Iraqi Allies*”), 168 F. Supp. 3d 268, 290–91 (D.D.C. 2016) (“When the Government simply declines to provide a decision in the manner provided by Congress, it is not exercising its prerogative to grant or deny applications but failing to act at all.”).
2226. Defendants also disregarded the serious reliance interests engendered by the DV-2020 program. Defendants must, in addition to demonstrating that there are good reasons for the new policy, offer “a reasoned explanation . . . for disregarding facts and circumstances that underlay or were engendered by the prior policy.” *FCC v. Fox Television*, 556 U.S. 502, 515 (2009).
2227. Plaintiffs were harmed and continued to be harmed by these unlawful acts.

B. Second Claim for Relief: Agency Action Without Observance of Procedure Required by Law in Violation of 5 U.S.C. § 706(2)(D)

2228. Plaintiffs reallege the forgoing allegation as if set forth fully herein.
2229. The APA requires administrative agencies to follow notice-and-comment rulemaking procedures to promulgate substantive rules. 5 U.S.C. § 553.
2230. The Administrative Procedures Act defines “rule” broadly to include “the whole or part of an agency statement of general or particular applicability and future effect designed

to implement, interpret, or prescribe law or policy or describing the organization, procedure, or practice requirements of an agency and includes the approval or prescription for the future of rates, wages . . .” 5 U.S.C. § 551(4).

2231. Defendants’ No-Visa Policy is legislative, not interpretive, because it changed the law: it is not an automatic consequence of PPP 10014, 10052, PP 9645, proclamations related to travel ban from certain regions, or 8 U.S.C. § 1201(g); however, it suspended processing and issuance or reissuance of Plaintiffs’ visas and subjected them to additional eligibility requirements. *See Nat’l Res. Def. Council v. EPA*, 643 F.3d 311, 320 (D.C. Cir. 2011); *Ciox Health, LLC v. Azar*, 435 F. Supp. 3d 30, 66 (D.D.C. 2020).
2232. The Department promulgated and relied upon the policies, procedures, and practices suspending adjudication and issuance or reissuance of immigrant visas for DV-2020 program selectees and their derivative beneficiaries without authority and without notice-and-comment rulemaking. It is therefore unlawful.
2233. The Department’s policies, procedures, and practices suspending adjudication and issuance or reissuance of immigrant visas for DV-2020 program selectees and their derivative beneficiaries constitutes a substantive rule subject to the APA’s notice-and-comment requirements.
2234. The Department’s policies, procedures, and practices suspending the adjudication and issuance or reissuance of immigrant visas for DV-2020 program selectees and their derivative beneficiaries constitute a substantive rule because it affirmatively circumscribes the Department’s Congressional mandate and nondiscretionary duty to adjudicate and issue decisions for immigrant visas for DV-2020 selectees.
2235. The Department’s policies, procedures, and practices suspending the adjudication of immigrant visas for DV-2020 program selectees and their derivative beneficiaries

constitute a substantive rule because it is a categorical rule, which applies to all DV-2020 selectees and their derivative beneficiaries.

2236. In implementing the Department's policies, procedures, and practices suspending the adjudication of immigrant visas for the DV-2020 program selectees and their derivative beneficiaries, Defendant impermissibly announced a new rule without undertaking notice-and-comment rulemaking.
2237. An agency that seeks to make a rule must publish an "Advance Notice of Proposed Rulemaking" in the Federal Register. The Advance Notice is a formal invitation to participate in shaping the proposed rule and commences the notice-and-comment process.
2238. Interested parties may respond to the Advance Notice by submitting comments aimed at developing and improving the draft proposal or by recommending against issuing rule.
2239. As of the filing of this Complaint, no procedures or responsibilities have been published in the Federal Register with regard to Defendants new rules of suspending adjudication of the DV Program.
2240. The Plaintiffs were harmed and continue to be harmed by these unlawful acts.

C. Third Claim for Relief: Agency Action Not Concluded within a Reasonable Time 5 U.S.C. § 555(b)

2241. Pursuant to the APA, the Defendant has a nondiscretionary duty "to conclude a matter presented to it" "within a reasonable time." 5 U.S.C. § 555(b).
2242. Defendants have unreasonably delayed processing Plaintiffs' visa applications under *Telecommunications Research & Action Center v. FCC*, 750 F.2d 70, 79 (D.C. Cir. 1984) ("*TRAC*");

(1) The time agencies take to make decision must be governed by a rule of reason; (2) where Congress has provided a timetable or other indication of the speed with which it expects the agency to proceed in the enabling statute, that statutory scheme may supply content for this rule of reason; (3) delays that might be reasonable in the sphere of economic regulation are less tolerable when human health and welfare are at stake; (4) the court should consider the effect of expediting delayed action on agency activities of a higher or competing priority; (5) the court should also take into account the nature and extent of the interests prejudiced by delay; and (6) the court need not find any impropriety lurking behind agency lassitude in order to hold the agency action is “unreasonably delayed.”

re: United Mine Workers of Am. Int’l Union, 190 F.3d 545, 549 (D.C. Cir. 1999) (quoting *TRAC*, 750 F.2d at 80).

2243. The INA provides a clear “indication of the speed with which it expects the agency to proceed in” processing diversity lottery selectees’ visa applications—that is, “only through the end of the specified fiscal year for which they were selected.” 8 U.S.C. § 1154(a)(1)(I)(ii)(II); *TRAC*, 750 F.2d at 80.
2244. The indication of speed present in 8 U.S.C. § 1154(a)(1)(I)(ii)(II) clearly correlates with the second *TRAC* factor in establishing a September 30 deadline; moreover, “reasonable time for agency action is typically counted in weeks or months, not years.” *In re Am. Rivers & Idaho Rivers United*, 372 F.3d 413, 419 (D.C. Cir. 2004).
2245. Plaintiffs’ human welfare is “at stake” in this case and prejudice from delay here is unconscionable and irreversible—if Defendants neglect adjudication of Plaintiffs’ visa applications, Plaintiffs will intolerably, permanently lose their opportunity to immigrate to the United States. *TRAC*, 750 F.2d at 80.
2246. Defendants, although neglecting Plaintiffs’ visa adjudications, have admittedly “committed to processing visa services that are deemed ‘mission critical’” and provides no adequate explanation of why it does not consider DV-2020 visa applications to be

mission critical—moreover, even when reopening posts, Defendants are considering DV-2020 applications low-priority. Marwaha Decl. ¶ 8; CAR 35.

2247. Defendants’ admitted loathing of the Diversity Visa Lottery ultimately shows—although not needed to satisfy the *TRAC* analysis—that Defendants act with impropriety and animus in creating “agency lassitude.” *TRAC*, 750 F.2d at 80.
2248. The Department has failed to adjudicate immigrant visas for DV-2020 program selectees and their derivative beneficiaries within a reasonable time.
2249. The Department implemented its unlawful policies, procedures, and practices suspending adjudication of Plaintiffs’ diversity visas since at least March 20, 2020. *See* CAR 000012. At the time of filing this Complaint, Defendants have less than two weeks to complete adjudication of Plaintiffs’ diversity visas. As such, Defendants’ policies, procedures, and programs refusing the adjudicate diversity visas constitutes and unreasonable delay and unlawful withholding.
2250. The Department has implemented policies, procedures, and practices suspending adjudications and issuance and reissuance of immigrant visas for DV-2020 selectees and their derivative beneficiaries since at least March 2020 – six months before the statutory conclusion of the DV-2020 program.
2251. The Department’s policies, procedures, and practices suspending adjudications and issuance or reissuance of immigrant visas for DV-2020 selectees and their derivative beneficiaries is a final agency action. It is the consummation of the Department’s agency on this matter.
2252. The Department has nothing further to do to issue directions to its employees at the KCC or its consular officers at US Embassies and Consulates around the world regarding

suspending adjudications of immigrant visas for DV-2020 selectees and their derivative beneficiaries.

- 2253. The Department's policies, procedures, and practices suspending the adjudications for and issuance or reissuance of immigrant visas for DV-2020 program selectees and their derivative beneficiaries will have legal consequences.
- 2254. The Department will continue to refuse to adjudicate and issue immigrant visas for DV-2020 program selectees and their derivative beneficiaries through September 30, 2020, effectively ending the DV-2020 program.
- 2255. The Department's policies, procedures, and practices directing employees at the KCC and the US Embassies and Consulates around the world to end the DV-2020 program are not authorized by any governing law, and are arbitrary, capricious, an abuse of discretion, and in violation of law.
- 2256. Defendant administers the Department's policies, procedures, and practices suspending the DV-2020 program.
- 2257. Pursuant to the APA, a court may compel agency action "unlawfully withheld or unreasonably delayed." 5 U.S.C. § 706(1).
- 2258. The Plaintiffs were harmed and continue to be harmed by these unlawful acts.

D. Fourth Claim for Relief: Arbitrary and Capricious Policymaking, Contrary to APA § 706(2)

- 2259. Plaintiffs reallege the foregoing allegation as set forth full herein.
- 2260. Defendants' actions are no mere ministerial implementation of presidential action; rather, Defendants expanded the scope of PP 10014, PP 10052, PP 9645, and the proclamations related to travel bans from certain regions by grafting those

Proclamations’ restrictions on entry into statutory requirements for visa eligibility, *de facto* terminating an otherwise non-discretionary duty under 8 U.S.C. § 1202(b).

2261. Defendants arbitrarily and capriciously created a No-Visa Policy with no reasonable, reasoned, or rational explanation that fails to consider reliance interests or any of the other serious consequences flowing from their unlawful policy.
2262. Agency action that “stands on a faulty legal premise and [lacks] adequate rationale” is arbitrary and capricious. *Prill v. NLRB*, 755 F.2d 941, 948 (D.C. Cir. 1985); *see also SEC v. Chenery Corp.*, 318 U.S. 80, 94 (1943) (“[A]n order may not stand if the agency has misconceived the law.”).
2263. Defendants arbitrarily and capriciously defined “mission critical” to exclude Diversity Visa Lottery winners. Given that diversity visas must be adjudicated by September 30, 2020, it is unfathomable how Defendants could make the determination that the adjudication of diversity visas is not critical.
2264. PP 10014, PP 10052, PP 9645, and the various proclamations suspending travel from certain regions do not dictate Defendants’ No-Visa Policy and a basic distinction between visa issuance or reissuance and entry determinations “runs throughout the INA.” *Hawaii v. Trump*, 138 S. Ct. at 2414 & n.3.
2265. Section 1182(a) of the INA, governing ineligibility to receive a visa, does not provide the President or State Department or any subordinate thereof to add, subtract, or otherwise modify any of the categories listed in that Section constituting grounds for denying a visa.
2266. PP 10014, PP 10052, PP 9645, and the various proclamations suspending travel from certain regions only restrict entry—a claim not challenged under this lawsuit—but do

not claim to, and cannot lawfully, suspend visa issuance or reissuance. *Cf. Hawaii v. Trump*, 138 S. Ct. at 2414; *Almaqrami*, 933 F.3d at 776.

2267. Defendants’ designation of “mission critical visa services” by which Defendants were instructed to process only “certain non-immigrant visas” is arbitrary and capricious and not in accordance with law. *See* Decl. of Brianne Marwaha ¶ 8.

E. Fifth Claim for Relief: Mandamus Act, 28 U.S.C. § 1361

2268. Plaintiffs reallege the foregoing allegation as set forth full herein.
2269. Defendants have a clear non-discretionary duty to adjudicate immigrant visa applications and issue visas to DV-2020 selectees and their derivative beneficiaries who are eligible to receive them and not inadmissible under 8 U.S.C. § 1182(a), so long as visas are remain available.
2270. PP 10014, PP 10052, PP 9645, and the various proclamations suspending travel from certain regions do no prohibit the issuance or reissuance of diversity visas that must be issued by September 30. It simply issues a temporary bar on entry to the United States.
2271. Defendant have a mandatory duty to adjudicate diversity immigrant visa applications and issue diversity immigrant visas to statutorily eligible individuals, and there is no legal bar to doing so. Accordingly, Plaintiffs have a clear and indisputable right to relief, and Defendants have clear, nondiscretionary duty to act.
2272. No alternative remedy exists to compel Defendants’ action.

F. Sixth Claim for Relief: Violation of the Take Care Clause, Art. II, § 3, Cl. 5

2273. Plaintiffs reallege the foregoing allegations as if set forth fully herein.

2274. The Department's policies, procedures, and practices violate the President's constitutional duty to "take Care that the Laws be faithfully executed." U.S. Const. art. II § 3, cl. 5.
2275. The Supreme Court has made clear that the Take Care Clause is judicially enforceable against presidential invocations of dispensing power. *See, e.g.,* Kendall v. United States, 37 U.S. (12 Pet.) 524m 612-13(1838); Angelus Milling CO. v. Comm'r Of Internal Revenue, 325 U.S. 293, 296 (1945).
2276. The Take Care Clause limits the President's power and ensures that he will faithfully execute the Congress's laws—or rewrite them under the guise of executive "discretion."
2277. In this case, the President has taken action to end the law and its mandated administration Diversity Visa Program by suspending the Department's adjudication and issuance or reissuance of immigrant visa applications for DV-2020 selectees and their derivative beneficiaries.
2278. The Defendant cannot faithfully execute the law by directly contravening Congress's objectives.
2279. The Plaintiffs were harmed and continue to be harmed by these unlawful acts.

PRAYER FOR RELIEF

“There is no better antidote to the challenges of globalization than to attract self-selected strivers from every corner of the globe.”

— Rep. Bruce A. Morrison, author of the House bill that became the Immigration Act of 1990, Hearing Before the Subcommittee on Immigration, Border Security, and Claims of the Committee on the Judiciary, House of Representatives, 109th Congress, 1st Session, June 15, 2005.

WHEREFORE, Plaintiffs respectfully request that this Court:

- A. Vacate and set aside Defendants’ policies, practices, procedures, or any other actions taken by Defendants to suspend the adjudication and issuance or reissuance of immigrant visas for DV-2020 program selectees and their derivative beneficiaries;
- B. Declare Defendants’ policies, practices, procedures, or any other actions taken by Defendants to suspend the adjudication and issuance or reissuance of immigrant visas for DV-2020 program selectees and their derivative beneficiaries void and without legal force or effect;
- C. Declare that the Defendants’ policies, practices, procedures, or any other actions taken by Defendants to suspend the adjudication and issuance or reissuance of immigrant visas for DV-2020 program selectees and their derivative beneficiaries are arbitrary, capricious, an abuse of discretion, otherwise not in accordance with law, and without observance of procedure required by law in violation of 5 U.S.C. §§ 702–706;
- D. Declare the Defendants’ policies, practices, procedures, or any other actions taken by Defendants to suspend the adjudication and issuance or reissuance of immigrant visas

for DV-2020 program selectees and their derivative beneficiaries are in violation of the Constitution and contrary to the laws of the United States;

- E. Preliminarily enjoin and restrain the Defendants to hold diversity visa numbers to process and issue Plaintiffs' immigrant visa applications in the event the Court finds the Defendants' policies, practices, procedures, or any other actions taken by Defendants to be unlawful;
- F. Preliminarily enjoin and restrain the Defendants to hold diversity visa numbers beyond September 30, 2020 to process Plaintiffs' immigrant visa application in the event the Court finds the Defendants' policies, practices, procedures, or any other actions taken by Defendants to be unlawful;
- G. Preliminarily and permanently enjoin and restrain Defendants, the Department, their agents, servants, employees, attorneys, and all persons in active concert or participation with any of them, from implementing or enforcing the Departments' policies, practices, procedures, or any other actions taken by Defendants to indefinitely suspend the adjudication and issuance or reissuance of immigrant visas for DV-2020 program selectees that is not in compliance with applicable law;
- H. Mandate Defendants fulfill their mandatory, non-discretionary duty to process Plaintiffs' immigrant visa applications, schedule Plaintiffs' for immigrant visa interviews, and issue visas to eligible Plaintiffs;
- I. Retain jurisdiction over this action to monitor and enforce Defendants' compliance with all orders of this Court;
- J. Award Plaintiffs costs of suit and reasonable attorney's fees under the Equal Access to Justice Act, 42 U.S.C. §1988, and any other applicable law; and
- K. Grant such further relief as this Court deems just and proper.
