v.

THE CITY OF FERGUSON,

Defendant.

---

Case No. 4-15-CV-00253-AGF

(Class Action)

**JOINT STATUS REPORT AND REQUEST FOR STAY**

Plaintiffs and Defendant the City of Ferguson (the “Parties”) hereby provide the following status report to the Court:

1. On May 31, 2023, the Parties engaged in mediation and reached a resolution in principle of the above-captioned case.

2. While the Parties are working to finalize and submit the settlement agreement to the Court for preliminary approval as soon as possible, because of the complex nature of the action and various procedural details that need to be addressed and resolved, the Parties are unable to provide the Court with an estimate at this time of when the settlement agreement will be finalized.

3. In the event that the Parties are not able to finalize and submit the settlement agreement for approval by July 31, 2023, the Parties will provide the Court with another status update by that date containing an estimate as to when they expect to submit the settlement agreement for preliminary approval.

4. The Parties believe that the final approval hearing on the dismissal of the Modified Declaratory and Injunctive Class Members scheduled for July 5, 2023 (ECF No. 584) should go forward as scheduled.

5. Given that the Parties have reached an agreement in principle, other than the July 5, 2023 hearing, the Parties respectfully request that all other proceedings in this matter be stayed pending submission of the Parties' joint motion for preliminary approval of the settlement, including, but not limited to, a decision on the Parties' respective motions for summary judgment (ECF Nos. 585, 589). They further request that all deadlines, including the trial date, be vacated.

Dated: June 30, 2023

Respectfully submitted,
