Status Report

The court is in receipt of Colorado City's updated status report.¹

The Colorado City report is approved and, based thereon, the court concludes that Colorado City's concerns about avoiding duplicative work undertaken by the court-appointed Police Consultant and Court Monitor has been resolved. No further reports are required on this subject.

The court deems Colorado City's willingness to engage in face-to-face communications for purposes of resolving matters such as that described in Colorado City's current status report to be a significant step forward in the long-term resolution of the problems which gave rise to this litigation. The court compliments the parties and encourages them
