DECLARATION OF ROBERT HAGOPIAN IN SUPPORT OF PLAINTIFFS'
COMPLAINT AND MOTION FOR A PRELIMINARY INJUNCTION

I, Robert Hagopian, hereby declare as follows under the penalty of perjury.

1. The following statements are based on my personal knowledge, and if called to testify I could swear competently thereto.

2. I am 73 years old and of sound mind.

3. I am a citizen of the United States and of the State of Maine.

4. I reside at 16 Hagopian Ct., Madison, ME 04950 in Somerset County.

5. I am a former eighth grade science teacher and currently run my own business, an indoor firing range.

6. I received an undergraduate degree from William Penn University in 1969. I received a Master's in education from the University of Southern Maine in the early 1980's.

7. I am an eligible Maine voter and am duly registered as a Republican to vote in Maine's federal elections.

8. I voted in the 2018 election for Maine's Second Congressional Election ("2018 Congressional Election").

9. In the 2018 Congressional Election, I cast my ballot for Bruce Poliquin in the first round, followed by each of the other candidates in the subsequent rounds. I ranked Jared Golden last.

10. I completed my ballot in this manner to ensure that my vote was counted and to put additional candidates between my first choice, Bruce Poliquin, and my last choice, Jared Golden.

11. Bruce Poliquin was the only candidate I truly supported.

12. I did not wish to express support for the other candidates because they stood for principles that violated my political convictions.

13. However, I understood that if Bruce Poliquin was eliminated, my ballot would be discarded if I did not vote in additional rounds.

14. Accordingly, I voted for candidates other than Bruce Poliquin to ensure that my ballot was counted and to prevent Jared Golden from being elected.

15. Were it not for ranked-choice voting, I would not have supported candidates other than Bruce Poliquin.

16. I plan to vote in Maine's 2020 Senate election ("2020 Senatorial Election").

17. In the 2020 Senatorial Election, I once again want to ensure that my vote will be counted.

18. I therefore plan to rank Susan Collins first, followed by the independent candidates, followed last by Sara Gideon.

19. I do not support Sara Gideon or the independent candidates. However, I will rank them on my ballot to ensure that it is counted.

20. As a result, I will have to once again violate my political convictions in order to ensure that my vote is counted.

21. I declare under penalty of perjury that the foregoing is true and correct.
