Case No. 1:16-CV-01284-RM-NYW

MOTION FOR CLARIFICATION

Plaintiffs come before this Court with this Motion for Clarification regarding the apparent confusion on the part of both Plaintiffs and Defendants regarding the present status of the above referenced case.

On July 19th, 2016, Magistrate Wang recommended the case be remanded back to Local District Court based on Plaintiffs Motion to Deny Removal, and which Defendants did not contest, and agreed to in court filing dated July 20th, 2016 received by Plaintiffs.

Both parties began filing in our local District court but the court clerk notified us that she has not received any ORDER to date confirming the remand allowing the case to proceed here and returned to both parties all filings since July 19th, 2016.

Plaintiffs request some conclusions of law correspondence from the Court to understand the status of this case so that due process of law can continue.

Respectfully submitted,

The undersigned:
