This Skeletal legal skeletal frame is for the USE IN AND FOR THE UNITED STATES SENATE HOUSE JUDICIARY COMMITTEE... To be FORWARDED to WILLIAM BARR of Thee UNITED STATES DEPARTMENT OF JUSTICE...To be FORWARDED to The UNITED STATES CHIEF OF STAFF GENERAL MARK A. MILLEY...To be HANDED up to THE PRESIDENT OF THE UNITED STATES OF AMERICA DONALD J. TRUMP: For Post-Haste RESOLUTIONS!!!!

Composed by Law Doctor of THEE United State, Virgin Islands Maureen Melissa Byam.

On this 5th day of August in the year Two-Thousand and Twenty, at 5:23PM.

I, Maureen Melissa Byam do hereby invoke the United State Constitutional authorization of ARTICLE I § 1... clause 1 “ All Legislative Powers herein granted shall be vested in a Congress of the United States...”

Wherefore be it enacted Post Haste and **RESOLVED THAT:** The United States Senate House Judiciary Committee SHALL be moved to Perform all of the Following Legal Demands as required by United States laws at large to “ insure the domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity...”

As Prescribed upon the authority of US. Const. Art. I...§7 paragraph 2 in applicable whole. In applicable part Clauses 2, 3 & 4... “Shall, before it become law, be presented to the President of the United States...”

Wherefore be it enacted Post-haste and **RESOLVED THAT:**

POINT 1 “The Lowering of the PANDEMIC within the United States of the CHINEESE COMMUNIST PARTY CORRINA PLAGUE upon the citizens of the UNITED STATES at Large & The eradication of this dangerous MICROBE from our flora and fauna and its attack upon Humans with-in the lung cavity”

Wherefore be this illustrious Senate House Judiciary Committee: Informed by Doctor Robert Bollinger of Johns Hopkins University School of Medicine That: As instructed via multiple voice mail messages from Maureen Byam all Tests performed concluded (a) The CCP- Corina Microbe was immediately neutralized of all activity in the peaty dish tests...

Thereby APPROVING 100% the spraying of all cloud covers coming into the united states continent with 5% hydrogen peroxide powder solution that is an all-natural product; will kill the microbe immediately and is not damaging to our environments and will also filter the microbe from our fish that we consume from further contamination. And all rain falls will also eradicate the corona microbe from the surface of our vegetation and our soil.

Wherefore be this illustrious Senate House Judiciary Committee **FURTHER:** Informed that 3% peroxide that is easily available an all-natural substance and of no harm to the human body unless

1 ingested in the stomach or used rectally (because it would kill the natural microbe with-in the
 2 human body that communicates with the brain to maintain normal homeostasis with-in the human
 3 body) is the 100% immediate cure of the effects of CCP-Pneumonia effects to the human body
 4 which attack only in the lung cavity & the mechanism to introduce it directly into the human lung
 5 cavity is VIA a nebulizer w/mask attachment; which can be performed as often as deemed
 6 necessary(view it as gargling the lungs also rids the lung fungus called cancer)...do not add water
 7 to the 3% solution; is non-toxic to humans and safe for children and babies. We can also splice
 8 the ventilator tube and use this method to revive and heal all ventilated persons (use a suction
 9 apparatus to assist in the removal of the foam, the ventilated patient will at most gasp)...The
 10 ONLY side effect is that; The lung if infected by the microbe will automatically expel a foam, not
 11 at all bothersome like regurgitating from the stomach; the person or patient is no longer
 12 contaminate by the CCP-Corona Microbe when a clear mucous fluid becomes apparent.
