

United States District Court Western District New York

Khalil H. Cottman	
Kenneth L. DeJanette, <	
	Petitioner,
	v.
Erie County Board Of Elections,	
	Respondent

Index No.:

17 CV 756

The Petitioners, pro se, respectfully alleges as follows:

1. Petitioner, Khalil H. Cottman, is a resident of the City of Buffalo, County of Erie and State of New York with a principal residence at 68 Brunswick Boulevard, Hamlin Park, Buffalo, New York 14208.
- ~~2. Petitioner, Kenneth L. DeJanette, is a registered voter at 340 Windermere Blvd. Amherst, NY 14226.~~
3. The Respondent, Board of Elections, is a municipal corporation established by the Laws of the State of New York.
4. Whereas, on July 17, 2017, Khalil Cottman and subscribing witnesses lawfully submitted over 850 designated signature petitions for the opportunity to ballot for Erie County Legislator 1st District. (Attachment A) The minimum amount of required valid petition to ballot is 500.
5. Whereas, On August 1, 2017, the Board of Elections held an impromptu Petition Objection hearing to decide the validity of objected petitions, without timely notice. At that time, or sometime soon prior, the Board of Elections determined candidate Khalil Cottman 129 valid signatures short of the minimum threshold of 500.
6. It is the understanding of the petitioner that, before or on or soon after August 1, 2017, the Board of Elections intends to render a Determination indicating candidate failed to meet the minimum threshold of required signatures.
7. The Board of Elections further claimed over 200 Election Designating Petitions as invalid due to Board of Election codes "5A.,8A.,7B. or 11B..".
8. Whereas, according to Board of Elections Petition Objection Report (Attachment B), Code 5A. is **"Signatures of person whose signature is not identifiable"** and 8A. is **"Signature of persons whose names are hand printed"** and 7B. is **"Subscribing Witness who is not identified by correct city or town, or county"** and 11B. is **"Subscribing Witness who fails to witness signatures on date claimed"**.
9. Heretofore, the Petitioner provides evidence of clear oversight by the Board of Elections as designated petitions clearly show witnesses are identifiable by correct city or town, and county. (Attachment A)
10. Heretofore, the petitioner has attached supporting affidavits in confirmation of the facts set forth. (Attachment C)
11. The petitioner also will submit certified documents mailed to the alleged invalid address to be opened in court.

12. The Petitioners believe that the removal of the valid designated petition signatures constitutes a blatant attempt to deprive voter rights as outlined in Alabama v US USCA #11-5256 section 5 and US Civil Statute Code 42 1983.
13. Additionally, the Petitioners allege that the action of removing senior and disabled citizens signatures constitutes a violation of the Americans with Disabilities Act of 1990.
14. Furthermore, the Petitioner request immediate revocation of the unfavorable and unlawful determination of the Board of Election and validate the signatures thus allowing Petitioner the opportunity to lawfully ballot on the September 12, 2012 Election Primary.
15. The Petitioner respectfully request that this court overturn the mistakes of the Board of Elections in a timely manner to allow sufficient time for the petitioner to continue the election process.
16. The Petitioner request the Respondent to cover fees and legal expenses incurred due to their untimely clerical oversight.

Dear US District Court Western District New York:

I would like to request an immediate Article 78 Judicial injunction and determination pertaining to a current Erie County Board of Election Objection Report and possible determination that is in direct violation of the 1965 Voters Rights Act and subsequent Amici Curiae of New York, Mississippi, and California that our own State Attorney General, Hon. E. Schneiderman, defended ALABAMA v. HOLDER USCA #11-5256. Especially Section 5.

Please allow forth, all 148 signatures lawfully witnessed to be acknowledge as valid for designation of petition for Khalil H. Cottman Candidate Erie County Legislature 1st District. The determination of these signatures as invalid by the Board of Election as "7B- Subscribing Witness who is not identified by correct city or town, or county" is highly arbitrary and capricious in nature. The Subscribing Witnesses printed their correct city or town and county in plain view. This peculiar and blatantly incorrect determination of invalidity is clearly unlawful and a violation of citizen rights.

Additionally, please allow forth, as valid, 48 lawfully petitioned signatures deemed invalid by the Erie County Board of Elections as "8a – of persons names are hand printed". Besides discriminating against the elderly and inflicted disabled who willfully, lawfully, and validly signed petitions exercising their right to vote, this decision by the Board of Elections operators violate additional laws upheld by the Americans With Disabilities Act of 1990 statutes. A person can mark their mark and have attached supporting affidavits to further clarify any misinterpretation.

This courts determination will not decide the outcome of the contested public office seat, but rather, the right of a person to petition for candidacy and the rights of citizens to fair procedures to sign or vote for the candidate of their choosing. Please consider the facts, supporting evidence, and law as such.

If you have any questions, please contact me at 716-418-0505. This petition of judicial intervention is being filed Pro Se, until I can secure an attorney who is willing to assist in this matter in a pro bono nature.

Sincerely,

A handwritten signature in black ink, appearing to read 'Khalil H. Cottman', with a stylized, cursive script.
