Civil No. 1:24-cv-00251-LM-TSM

FEDERAL DEFENDANTS' MOTION FOR CLARIFICATION

Federal Defendants respectfully submit this motion for clarification regarding the Court's July 24, 2025, endorsed order on Plaintiffs' motion to extend time to file their opposition to Defendants' motion to dismiss ("Motion to Extend"), ECF No. 134. As Plaintiffs noted in footnote 1 of the Motion to Extend, the United States did not oppose Plaintiffs' requested extension so long as the United States was likewise afforded 21 days from the date of Plaintiffs' filing their opposition to file its reply.

Federal Defendants respectfully seek clarification of the Court's July 24, 2024, endorsed order to confirm that the endorsed order and the Court's scheduling order permits the United States to file its reply within 21 days of the filing of Plaintiffs' opposition, consistent with the understanding reflected in footnote 1 of Plaintiffs' motion. Undersigned counsel has confirmed with Plaintiffs' counsel that they do not oppose this request for clarification.

Accordingly, Federal Defendants respectfully seek clarification from the Court that the United States may file its reply 21 days after the date Plaintiffs file their opposition.

Dated: July 25, 2025

Respectfully submitted,

Washington, D.C.
