ORDER

United States Magistrate Judge Mitchell issued a Report and Recommendation (Doc. 12), recommending that this case be dismissed without prejudice. Plaintiff timely filed an Objection (Doc. 14). The Court has carefully considered the recommendation's factual and legal grounds and has carefully considered Plaintiff's comprehensive objection thereto. The Court finds that the case should be dismissed for the reasons stated in the Report and Recommendation and adopts that R&R in full. Because a possibility exists that Plaintiff could construct a Complaint that adequately addresses the issues addressed in the R&R, as recommended therein the dismissal is made without prejudice.

IT IS THEREFORE ORDERED that the Report and Recommendation issued in this case (Doc. 12) is ADOPTED IN FULL, and the case is dismissed without prejudice.

IT IS SO ORDERED.

Dated this 7th day of April, 2022.
