## JUDGMENT

Entered: September 15, 2025

These are consolidated appeals from an order granting a preliminary injunction on May 22, 2025, in the District Court for the District of Massachusetts. We have jurisdiction under 28 U.S.C.

§ 1292(a). On request of Plaintiff-Appellees, the district court has issued an indicative ruling stating that on remand from this court the district court would vacate the underlying preliminary injunction. See Fed. R. Civ. P. 62.1; Fed. R. App. P. 12.1. Plaintiff-Appellees now have filed in this court a letter motion requesting a remand to the district court based on that indicative ruling. Defendant-Appellants do not object to this request.

The letter motion is resolved as follows. The appeal is hereby **DISMISSED**. If any party wishes to bring an appeal of any future order or judgment in the district court proceedings, then they should file a new notice of appeal at the district court.
