## PLAINTIFFS' MOTION FOR PRELIMINARY INJUNCTION

COME NOW Plaintiffs S.W. and J.S., both minors, by and through their parents as next friends and through their undersigned counsel, to file this Motion for Preliminary Injunction.

As more fully explained in the accompanying memorandum of law in support of the motion, the Plaintiffs are entitled to preliminary injunctive relief. As this Court recognized when it granted the TRO, the Plaintiffs have a likelihood of success on the merits. Doc. 10 at 2. The School Board's actions suffer from several legal and constitutional defects, but the Plaintiffs need only prevail on one. The Plaintiffs also face a very real and imminent threat of irreparable harm.

For all these reasons, the Court should grant this motion and enter a preliminary injunction against the School Board, preventing the imposition of discipline until the merits of this action are resolved, and such other relief as this Court deems appropriate, including, but not limited to, awarding Plaintiffs their costs and fees associated with this motion.

Dated: September 26, 2025

Respectfully Submitted,
