**2<sup>nd</sup> Amended Filing**

The last line of the first paragraph on page ten (10) of the original filing states, "Under O.C.G.A. § 21-2-562 (2)(3) there is an obvious crime that was committed. The sentence should state the following: ""There is an obvious violation of O.C.G.A. § 21-2-562 (a)(b). Due to the fact the original petition verification statement is missing or has definitely been altered. There are clear instructions regarding the petition verification statement (**Exhibit IV** pg. 1 of 5), where it states, *"The cumulative total of valid signatures must be documented on the...Petition Verification Statement."* It is clear that the Petition Statement submitted for Mr. Bell's campaign is without any cumulative total of valid signatures however, there is a statement stating that Mr. Bell had 2,200 valid signatures (**Exhibit III** pg. 1 of 2). This same evidence can be examined to see if there are also violations of O.C.G.A. § 21-2-603 and O.C.G.A. § 21-2-604(a)."" I have included the first and second amended filings into one submission.

A handwritten signature in black ink, appearing to read "Andrew W. Bell", written over a horizontal line.
