STIPULATION RE: ADMINISTRATIVE STAY

The parties, by and through their undersigned counsel, hereby stipulate that:

1. There have been no prior continuances of any of the deadlines or of the trial date set forth in the Rule 16 Scheduling Order herein (ECF 43).
2. As discussed at the January 26, 2026, Confidential Settlement Conference/Status Conference (ECF 47), an administrative stay of the proceedings in the above-captioned case would promote judicial economy, which constitutes good cause for entry of a stay.

¹ Pursuant to Fed. R. Civ. P. 25(d), National Oceanic and Atmospheric Administration Administrator Neil Jacobs is automatically substituted for his predecessor, Laura Grimm.

3. The December 7, 2026 trial date and the deadlines set forth in the Rule 16 Scheduling Order (ECF 43) shall be taken off calendar.

4. The Court shall administratively stay this case until such time as any party contacts the Court to request that the stay be lifted. The parties shall send any request to lift the stay to porter_orders@hid.uscourts.gov, copying opposing counsel.

5. Following the Court's receipt of a request from any party to lift the stay, the Court will hold a conference to set a new trial date and deadlines.

DATED: January 28, 2026.
