Case No. 1:26-cv-733

The Court instructed the parties to meet and confer regarding proposed fencing options and to inform the Court of any agreement. *Id.* The parties have conferred on fencing options over email and by a teleconference held on May 11, 2026. The parties are continuing to confer on the installation of the security fence and will provide an update to the Court in the next regularly-scheduled joint status report, which is due Wednesday, May 27, 2026.
