UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MARYLAND

STATE OF MARYLAND, Plaintiff, v. MARKWAYNE MULLIN, *et al*., Defendants.	Case No. 1:26-cv-733

JOINT STATUS REPORT

Pursuant to the Court's May 14, 2026 Order (Dkt. No. 49), the Parties hereby submit this Joint Status Report confirming compliance with the Court's preliminary injunction and raising any concerns with the Court as follows:

On April 15, 2026, the Court issued an order granting Plaintiff's request for a preliminary injunction. Dkt. No. 42. The Order specifically enjoins Defendants during the pendency of this lawsuit from construction and renovation at the Williamsport Warehouse for the purposes of operating the warehouse as a detention and processing facility. *Id.* at 1. The Order notes that the injunction does not prevent Defendants from performing various security and maintenance activities. *Id.* at 1-2. Defendants confirm that they are continuing to comply with the Preliminary Injunction Order and confirm that the only activities that have occurred at the site since the May 6, 2026 Joint Status Report (Dkt. No. 46) are that Shawn Byers, the National Program Manager for U.S. Immigration and Customs Enforcement, Enforcement and Removal Operations conducted a site visit on May 15, and a local representative of the contractor (KVG), conducted site visits on May 21 and May 26.

In its April 15, 2026 Order, the Court noted that the preliminary injunction does not prevent the installation of an eight-foot security fence for the purpose of preventing vandalism, arson, and graffiti at the Williamsport Warehouse. Dkt. No. 42 at 2, n.1. The Court instructed the parties to meet and confer regarding proposed fencing options and to inform the Court of any agreement. *Id.* The Parties are continuing to confer on the installation of the security fence and will provide an update to the Court in a joint status report by Wednesday, June 3, 2026.
