04/22/2008	315	ORDER denying without prejudice <u>300</u> Defendant's Motion to Compel Discovery and/or Exclude Witnesses. The primary issue raised in Defendant's motion, the identification of any additional fact or expert witnesses that the EEOC intends to rely upon, is largely moot based upon the representations contained in the EEOC's response to this pending motion. The EEOC identified the witnesses it believed had knowledge of the remaining issues involved between the parties, and specifically disclaimed retention of any testifying expert witness on its behalf. Therefore, the thrust of the motion has been satisfied with that representation. And because the Court is treating the response as that representation, the EEOC is bound to timely disclose its retention of a testifying expert in this matter to the Defendant in order for narrow discovery to be conducted from that expert. To the extent the motion is requesting additional information, the Court agrees that the motion was premature at the time of its filing based upon the fact the EEOC had not yet staked out its position with respect to renewing the motion for contempt. Upon review of any such renewal, the Court will in the first instance determine if an evidentiary hearing is required, and only then determine, either sua sponte or upon request of the parties, that supplemental discovery be undertaken by either party. Therefore, on the record available to the undersigned and based on the reasons cited in the pending motion, the Court will not enter an order compelling any discovery at this time, but again without prejudice to the issue being raised anew if necessary. Docket Order Signed by Magistrate Judge Edwin G. Torres on 04/22/2008. (EGT) (Entered: 04/22/2008)
04/22/2008	316	CERTIFICATION AND ORDER TRANSFERRING CASE.
