THOMAS L. KIRSCH II, *Circuit Judge*
JOHN Z. LEE, *Circuit Judge*
DORIS L. PRYOR, *Circuit Judge*

No. 25-3050	MARGARITO CASTANON NAVA, et al., Plaintiffs - Appellees v. U.S. DEPARTMENT OF HOMELAND SECURITY, et al., Defendants - Appellants
Originating Case Information:	
District Court No: 1:18-cv-03757 Northern District of Illinois, Eastern Division District Judge Jeffrey I. Cummings	

We **AFFIRM** the October 7 order insofar as it extended the Consent Decree by 118 days. We also **AFFIRM** the November 13 order to the extent it orders the release of class members for whom a determination has been made that they were arrested without a warrant in contravention of 8 U.S.C. § 1357(a) and the Consent Decree. That said, we **REVERSE** the November 13 order to the extent it requires the release of "potential class members" and any person who was arrested pursuant to an I-200 warrant (defective or otherwise). The above is in accordance with the decision of this court entered on this date. Each party bears its own costs.
