SEYBERT, District Judge:

It was reported to Magistrate Judge Michael L. Orenstein by defendant's counsel in July, 2001, that the defendant in this action had filed for bankruptcy. Judge Orenstein ordered discovery stayed at a status conference on Aug. 27, 2001.

Upon application by plaintiff's counsel, with no appearance at status conferences nor objection by defendant, this Court ordered the stay lifted on Jul. 20, 2004. Judge Orenstein scheduled a status conference, but canceled it by his Order dated He ruled that plaintiff should seek discovery Aug. 3, 2004. through the Bankruptcy Court, and that the principal of the defendant corporation could not be compelled to attend the conference.

As there has been no further docket activity in the ensuing sixteen months, the above-captioned case is hereby administratively closed without prejudice to reinstatement upon application to this Court.

SO ORDERED,

/5/ JOANNA SEYBERT
