Order Dismissing Plaintiff-Intervenor's Claims with Prejudice

On this day the Court considered the motion filed by Plaintiff-Intervenor Marsha Kocurek, Trustee of the Bankruptcy Estate of Shirley Marie Dixon, and Defendant AMPCO System Parking, Inc., with prejudice, based on the settlement of all claims asserted by the Plaintiff-Intervenor against Defendants, which settlement has already been approved by the Bankruptcy Judge by order signed October 19, 1998. The Court is of the opinion that this motion should be granted, and therefore, all claims asserted by the Plaintiff-Intervenor against Defendant are hereby dismissed with prejudice. This order of dismissal does not affect any claims for injunctive or declaratory relief asserted by the Plaintiff EEOC against Defendant.
