03/21/1996	329	ORDER by Judge Jon P. McCalla DENYING the motion to compel discovery [258-1] as moot. On 9/27/95, the Court entered an order certifying the pla class. In that plas' interrogatories and requests sought information concerning class certification, plas' motion to compel is DENIED as moot. (cc: all counsel) (TMN) (Entered: 03/21/1996)
03/21/1996	330	ORDER by Judge Jon P. McCalla denying motion to dismiss [268-1] as moot. On 9/27/95, the Court entered an order entering the findings from USA v. Tenn. as findings in the instant case, precluding dfts from relitigating their liability for substantive due process violations. The order noted that dfts' pending motion to dismiss would be addressed in a separate order. (cc: all counsel) (TMN) (Entered: 03/21/1996)
03/21/1996	331	ORDER by Judge Jon P. McCalla granting motion for leave to substitute Bonita Scott for Jodie Wheeler as the next friend for named pla Harvey Richard Watson [274-1]. Bonita Scott substituted as next friend for Harvey Richard Watson. (cc: all counsel) (TMN) (Entered: 03/21/1996)
03/21/1996	332	ORDER by Judge Jon P. McCalla denying motion for further relief in addition to the Remedial Order entered in USA v. Tennessee [272-1] as moot. On 9/27/95 the Court entered an order that permitted the plas in the instant case to intervene in USA v Tenn. to ensure that their interests would be adequately represented. Thus, plas in the instant case have, as intervenors in USA v Tenn., a distinct and appropriate forum for seeking

		their desired "further relief". (cc: all counsel) (TMN) (Entered: 03/21/1996)
03/21/1996	333	ORDER by Judge Jon P. McCalla denying motion to file complaint and to change intervenor's status to independent [265-1]. There is no such thing as an "independent" intervenor. Therefore, intervenor's motion to change status is DENIED. Intervenor's motion to file cross-claim is untimely and the relief that intervenor seeks in its proposed cross-cliam is no longer available in this case and can be addressed only in USA v Tenn., No. 92-2062MI/A. The order entered in the instant case on 9/27/95 leaves only pla's claims for violation of the First Amendment as incorporated by the Fourteenth Amendment. The substantive due process and statutory rights of the residents at Arlington Developmental Center are being dealt with exclusively in USA v. Tenn.- in which all parties to the instant case are also parties. Thus, allowing intervenor to file its proposed cross-claim would run contrary to the Court's efforts in previous orders in the two cases to avoid duplication of issues and potentially inconsistent results.
