06/10/2014	203	ORDER APPOINTING SPECIAL MASTER: This case concerns the provision of educational services, and particularly special education services, to inmates between the ages of 16 and 21 who are in the custody of the New York City Department of Correction (the "DOC"). The action was filed in 1996, and in 2002, the Honorable Constance Baker Motley, U.S.D.J., issued a comprehensive injunction mandating a wide range of services and establishing procedures for the provision of those services (the "Injunction"). Accordingly, it will promote the just, speedy, and efficient resolution of both the pending motion and the litigation as a whole to update the record. In order to assist in that process, it is appropriate to appoint a Special Master to collect information and report to the Court with respect to the current status of provision of educational services at DOC facilities. The expertise of the Special Master will provide for a more efficient and reliable fact-finding process. The Special Master in this case is appointed pursuant to Rule 53(a) (1) (C) of the Federal Rules of Civil Procedure and the Court's inherent authority. The Court appoints Peter E. Leone, Ph.D., as Special Master. (Signed by Magistrate Judge James C. Francis on 6/10/2014) Copies Mailed By Chambers. (tro) (Entered: 06/10/2014)
