| 5/19/81 | | <p>Enter order dated 5/18/81: Plaintiffs' motion for leave to file an opening brief of 45 pages, plus an unnumbered Appendix, is denied. The brief is redundant (e.g. three pages of summary), anticipates matters which may not be contested, over-argues and over-cites the argument on the three Federal points, and in other ways violates the intent and spirit of Local Rule 13. Plaintiffs may add to their allotted 15 pages whatever additional pages they need from the 15 pages allotted for a reply, in which event the reply memorandum will be reduced by the amount used in opening.
