Currently before the Court is the Defendants' Motion to Dissolve the Decree and Dismiss the Case. A Consent Decree was entered into by all parties and entered by the Court on June 18, 1997. Said Consent Decree states that at the end of four years from the date of final entry of the Decree or upon the implementation of all relief to claimants under the Decree – whichever is later – the State shall file with the Court and serve upon the United States a written certification that all remedial relief to claimants had been implemented.
