CIVIL ACTION # 00-AR-2762-S

DENIED

MOTION TO CONSOLIDATE FOR TRIAL

ENTERED
FEB 26 2002 *gfw*

The Plaintiff, Equal Employment Opportunity Commission renews its request that this Court consolidate the above referenced matter with the matter of Burnes et al v. Pemco Aeroplex, Inc., and Precision Standard, Inc., CV-99-AR-3280-S. The Commission filed a request for consolidation shortly after it filed suit in this matter, and at that time, this request was denied. However, since that time, the litigation process has produced discovery, as well as changes in the private plaintiff's positions, which shows that these two cases are substantially similar in both the claims made and the evidence that will be presented at trial. For these reasons, as set forth in more detail below, the Commission again asks this Court consolidate these matters for trial.
