

TEXAS INMATE LITIGATION SETTLEMENT AGREEMENT

WHEREAS, the State of Missouri, between January 1, 1995 and December 31, 1997 (the "Relevant Period") transferred, housed, assigned, or relocated certain inmates that had been committed to its Department of Corrections (the "Texas Inmates") with certain governmental entities in the State of Texas (the "Texas Cell Lease Program"), and

WHEREAS, certain Texas Inmates have asserted claims for injunctive relief and other forms of relief, including common law breach of contract and tort claims as well as federal civil rights claims, arising out of or relating to the Texas Cell Lease Program against those certain Texas governmental entities, the private corporations that had contracted with those Texas governmental entities and others to provide services related to the Texas Cell Lease Program (the "Private Contractors"), the State of Missouri, and certain of their current and former officers, agents, and employees in state and federal courts (the "Texas Inmate Litigation"), and

WHEREAS, all of the Texas Inmates might have, and could assert, such claims against these same individuals and entities in the future, and

WHEREAS, the State of Missouri, the Texas governmental entities, the Private contractors and their current or former officers, agents or employees have each specifically denied any illegal, tortious, improper or inappropriate action or inaction on any of their parts or the parts of any of their current or former officers, agents or employees with respect to the matters and issues being resolved herein, and

WHEREAS, the State of Missouri has, pursuant to §§ 217.827 and 506.387 RSMo, and the Texas governmental entities and the Private Contractors may have pursuant to statutory or common law, causes of action against the Texas Inmates for reimbursement from the Texas Inmates for the cost of their incarceration and medical care, and

WHEREAS, the State of Missouri, the Texas governmental entities, the Private Contractors, and their current or former officers, agents, and employees desire to resolve all claims and disagreements, except as provided herein, between and among themselves and the Texas Inmates,

THEREFORE, the parties have agreed as follows:

1. **Parties.** The parties (collectively, the "Parties" and individually, a "Party") to this Settlement Agreement (this "Agreement") are:
 - (a) the State of Missouri, by and through its Attorney General Jeremiah W. (Jay) Nixon (the "State of Missouri" or "Missouri");
 - (b) Brazoria County, a political subdivision of the State of Texas ("Brazoria");

In re: Texas Prison Litigation

PC-MO-0003-0004

- (c) Gregg County, a political subdivision of the State of Texas ("Gregg");
- (d) TransCor America, Inc., a private Tennessee Corporation ("TransCor");
- (e) Dove Development Corporation, a private Texas Corporation ("Dove");
- (f) Capital Correctional Resources, Incorporated, a private, Texas corporation ("CCRI") (collectively, with Missouri, Brazoria, Gregg, TransCor, and Dove "Settling Defendants");
- (g) a class of individuals comprised of every Missouri Department of Corrections ("the Department") inmate who was transferred, housed, assigned, or relocated (or who has or ever will claim to have been transferred, house, assigned, or relocated) to any correctional facility anywhere in the State of Texas between January 1, 1995 and December 31, 1997 (the "Relevant Period") for any length of time whatsoever, whether or not any particular member of that class is still in the custody of the Department (the "Settlement Class");
 - (i) as set forth more fully below in Section 5, this Agreement is conditioned upon the Settlement Class being certified pursuant to Rule 23(b)(2) as a mandatory class with no provision for any member to opt out;
 - (ii) the Settlement Class enters into this Agreement by and through counsel for the class ("Class Counsel"), whose representation of the Settlement Class is also subject to Court approval;
 - (iii) Exhibit A to this settlement Agreement is a list of every inmate committed to the Department that was transferred, housed, assigned, or relocated to any correctional facility anywhere in the State of Texas by the Department (the "Settling Inmates") during the Relevant Period, together with the dates each was incarcerated in the State of Texas during that period, and – recognizing that Exhibit A cannot be an exhaustive list of the members of the Settling Class because some inmates may now or sometime in the future claim to have been incarcerated in Texas by the State of Missouri during the Relevant Period even though Settling Defendant's and Class Counsel's present knowledge and notice do not disclose that incarceration -- each Settling Defendant and each Class Counsel warrant and represent that the list in Exhibit A is accurate and complete to the best of their present knowledge and notice. Omission of any inmate is not intended by the parties to exclude any such inmate from the scope of this agreement or preserve any rights that such inmate may have pursuant to statutory or common law.

2. **Pending Litigation.** Attached as Exhibit B is a list of every pending action, state or federal, between and among any one or more of the Settling Defendants and any one or more of the Settling Inmates arising out of or relating to the Texas Cell Lease Program (the "Texas Inmate Actions"), and each Settling Defendant and each Class Counsel warrant and represent that the list in Exhibit B is accurate and complete to the best of their present knowledge and notice and any omission of any presently pending suit is not intended to exclude same from the scope of this Settlement Agreement.

3. **Disposition of Pending Litigation.** The Settling Class, and each of its members, agree that Final Approval (as defined herein) of this Agreement will finally resolve and preclude each claim by each member of the Settling Class in each of the Texas Inmate Actions. Without limiting the scope of the preceding sentence, within ten days of the date on which Class Counsel execute this Agreement (the "Execution Date") on behalf of the members of the Settling Class, Class Counsel shall obtain from counsel for each plaintiff in each of the Texas Inmate Actions an executed pleading entitled Unconditional Dismissal With Prejudice And Without Costs in the form set forth in Exhibit C for each of the Texas Inmate Actions and deliver such executed pleadings to the State of Missouri to be held in escrow. The State of Missouri agrees to provide all reasonable and necessary assistance to Class Counsel for distributing the Unconditional Dismissals With Prejudice and Without Costs to such counsel for execution and retrieving such executed pleadings from such counsel. Class Counsel shall also obtain and deliver to the State of Missouri such a pleading with respect to any additional Texas Inmate Action newly discovered or filed after the Execution Date promptly upon the discovery or filing of that action. The State of Missouri shall hold and not file in any court each of the Unconditional Dismissals With Prejudice and Without Costs executed and delivered pursuant to this Section until Final Approval (as defined herein) is obtained and, upon Final Approval, shall file or cause to be filed, each of these pleadings as promptly as practicable, and shall provide notice of these filings to Class Counsel and counsel for Settling Defendants.

4. **Amended Complaint in Class Action.** Included on Exhibit B is an action entitled *Johnson, et al. v. Sykura, et al.*, No. 99-4021-CV-C-5, pending in the United States District Court for the Western District of Missouri, the Honorable Judge Laughrey presiding. Class Counsel shall file and cause to become effective an amended complaint in that action (when amended, the "Class Action") in the form set forth in Exhibit D. It is the Parties' intent that, although the Class Action seeks certain damages, the Amended Complaint in the form of Exhibit D seeks predominately injunctive relief and, therefore, certification of the Settling Class as a mandatory, no opt-out class under Rule 23(b)(2) as prayed in the Amended Complaint should be granted.

5. **Final Approval.** Final Approval of this Agreement shall be deemed to have been obtained upon the occurrence, or waiver by all of the Parties, of all of the following:

- (a) the effective amendment to the complaint in Class Action as contemplated in paragraph 4 above;

- (b) the filing in the Class Action of a Joint Motion for Preliminary Approval of Settlement executed by Class Counsel, counsel for each of the Settling Defendants, and each counsel for each plaintiff in each of the Texas Inmate Actions;
 - (i) Class Counsel will be responsible for obtaining execution of the Joint Motion for Preliminary Approval of Settlement by each counsel for each plaintiff in each of the Texas Inmate Actions;
 - (ii) the State of Missouri agrees to provide all reasonable and necessary assistance to Class Counsel for distributing the Joint Motion for Preliminary Approval of Settlement to such counsel for execution and retrieving such executed motion from such counsel
- (c) entry by the Court in the Class Action of an order certifying the Settlement Class as a mandatory, no opt-out class pursuant to Rule 23(b)(2), and all appeals arising out of this certification order having been finally resolved through all levels of mandatory or discretionary review in favor of the certification or, in the event that no appeals are sought, when the time for such an appeal has expired;
 - (i) all responsibility for and expenses of Class Notification in the form ordered by the Court will be borne by Class Counsel and no other Party
 - (ii) the State of Missouri agrees to cooperate with Class Counsel by providing all reasonably necessary assistance and information to give the Class Notification required by the Court
- (d) entry by the Court in the Class Action of an order approving this Agreement as a fair and reasonable resolution of that action and such other issues, claims and matters as are contained herein and all appeals arising out of this certification order having been finally resolved through all levels of mandatory or discretionary review in favor of the certification or, in the event that no appeals are sought, when the time for such an appeal has expired.

6. **Texas Conduct Violation Review Procedure.** Certain members of the Settlement Class have asserted that, during the period each was housed in Texas, they were issued Conduct Violations which were improperly issued. Under present Department rules, regulations and procedures, requests to review such Conduct Violations are barred as untimely. As partial consideration for the Releases and Dismissals given herein by the Settling Class, the Settling Defendants hereby agree, upon individual request, to perform or cooperate with the Texas Conduct Violation Review Procedure as set forth in Exhibit E and Exhibit F. Provided that no liability to any Settlement Class member will arise as to any Settling Defendant on account of any decision by the Department to overturn a Texas

Conduct Violation. The Settlement Class, and each of its members, hereby expressly waive any other liability which might have arisen on account of the decision of the Department to overturn a Texas Conduct Violation.

7. **Forbearances.** As partial consideration for the Releases and Dismissals given herein by the Settling Class, the Parties have agreed that certain Settling Defendants shall forbear from taking certain actions with respect to members of the Settling Class which the Settling Defendants otherwise would, might or could take, and that Parties agree, believe and understand that such Forbearances (together with the State of Missouri's undertaking with respect to Texas Conduct Violations, as set forth herein) predominate over any monetary consideration offered by the Settling Defendants in this Agreement. Excepted as herein noted, the Forbearances are, with respect to each Settling Class member, for a period of time not to extend beyond the earlier of, on the one hand, the last day of the member's sentence of incarceration during which the member was housed anywhere in Texas, or, on the other hand, 24 months from the date of Final Approval (the "Forbearance Period").

8. **Forbearances by the State of Missouri.** As partial consideration for the Releases and Dismissals given herein by the Settling Class, the State of Missouri agrees that, for the Forbearance Period only, the State of Missouri:

- (a) will not, at any time before June 15, 2004, contract with any Settling Defendant or any other entity, directly or indirectly, to transfer, house, assign, or relocate any member of the Settling Class to the State of Texas, other than on an individual basis pursuant to the Interstate Corrections Compact (see § 217.235 RSMo et seq.);
- (b) will not, with respect to any member of the Settlement Class that might be transferred, housed, assigned, or relocated in the State of Texas on an individual basis pursuant to the Interstate Corrections Compact, contract with any entity, directly or indirectly, to house that Settlement Class member without taking all reasonable steps to ensure that the entity with whom it contracts does not employ anyone convicted of any crime the elements of which include abuse, neglect or assault upon an inmate and will, in furtherance of this restriction, provide notice to Brazoria, Gregg, Dove or CCRI when any member of the Settlement Class shall be housed, directly or indirectly, by Brazoria, Gregg, Dove or CCRI and request that they provide a certification that neither Brazoria, Gregg, Dove or CCRI, nor any of its contractors, agents or assigns is employing any person in violation of this Forbearance.
- (c) will not, with respect to any request by any member of the Settlement Class to the Department for a review of a conduct violation during the period of time that member was housed in the State of Texas (a "Texas Conduct Violation"), reject such a request on the basis that it is not timely or sufficient under the Department's generally applicable policies and procedures with respect to the

review of conduct violations and will, instead, entertain that request to the extent and pursuant to the procedures of the Texas Conduct Violation Review Procedure set forth in Exhibit E and Exhibit F.

- (d) will not at any time, with respect to any member of the Settlement Class, maintain or pursue any claim for reimbursement of that member's costs of incarceration, to the extent of any funds recovered from the Texas Inmate Litigation Settlement Fund, whether such claim arises under common law or under §§ 217.827 or 506.387, or any other similar state or federal statute.

9. **Forbearances by Brazoria.** As partial consideration for the Releases and Dismissals given herein by the Settling Class, Brazoria agrees that, for the Forbearance Period only, Brazoria:

- (a) will not, at any time before June 15, 2004, contract with the State of Missouri, directly or indirectly, to house any member of the Settling Class, other than on an individual basis pursuant to the Interstate Corrections Compact (see § 217.235 RSMo et seq. and Texas Code of Crim. Pro., Art. 51.13, the Uniform Criminal Extradition Act);
- (b) will not, with respect to any contract with the State of Missouri pursuant to which any member of the Settling Class is to be housed in any facility managed or owned by Brazoria, employ in any position involving direct contact with said member of the Settling Class, any person who has been convicted of a crime the elements of which are abuse, neglect, or assault upon an inmate and will provide the State of Missouri within 15 business days following written notice from the Department that a member of the Settlement Class is being housed, directly or indirectly, by Brazoria a certification that neither Brazoria nor any of its contractors, agents or assigns (that are directly involved in the housing or incarceration or inmates) is employing any person in violation of this Forbearance.
- (c) will not at any time, with respect to any member of the Settlement Class, maintain or pursue any claim for reimbursement of that member's costs of incarceration or medical care or for damages to any persons or property, to the extent of any funds recovered from the Texas Inmate Litigation Settlement Fund, whether such claim arises under common law or state or federal statute.

10. **Forbearances by Gregg.** As partial consideration for the Releases and Dismissals given herein by the Settling Class, Gregg agrees that, for the Forbearance Period only, Gregg:

- (a) will not, at any time before June 15, 2004, contract with the State of Missouri, directly or indirectly, to house any member of the Settling Class, other than on an individual basis pursuant to the Interstate Corrections Compact (see

§ 217.235 RSMo et seq. and Texas Code of Crim. Pro., Art. 51.13, the Uniform Criminal Extradition Act);

- (b) will not, with respect to any contract with the State of Missouri pursuant to which any member of the Settling Class is to be housed in any facility managed or owned by Gregg, employ in any position involving direct contact with said member of the Settling Class, any person who has been convicted of a crime the elements of which are abuse, neglect, or assault upon an inmate and will provide the State of Missouri within 15 business days following written notice from the Department that a member of the Settlement Class is being housed, directly or indirectly, by Gregg a certification that neither Gregg nor any of its contractors, agents or assigns (that are directly involved in the housing or incarceration or inmates) is employing any person in violation of this Forbearance.
- (c) will not at any time, with respect to any member of the Settlement Class, maintain or pursue any claim for reimbursement of that member's costs of incarceration or medical care or for damages to any persons or property, to the extent of any funds recovered from the Texas Inmate Litigation Settlement Fund, whether such claim arises under common law or state or federal statute.

11. **Forbearances by Dove.** As partial consideration for the Releases and Dismissals given herein by the Settling Class, Dove agrees that, for the Forbearance Period only, Dove:

- (a) will not, at any time before June 15, 2004, contract with the State of Missouri, directly or indirectly, to house any member of the Settling Class, other than on an individual basis pursuant to the Interstate Corrections Compact (see § 217.235 RSMO et seq. and Texas Code of Crim. Pro., Art. 51.13, the Uniform Criminal Extradition Act);
- (b) will not, with respect to any contract with the State of Missouri pursuant to which any member of the Settling Class is to be housed in any facility managed or owned by Dove, employ in any position involving direct contact with said member of the Settling Class, any person who has been convicted of a crime the elements of which are abuse, neglect, or assault upon an inmate and will provide the State of Missouri within 15 business days following written notice from the Department that a member of the Settlement Class is being housed, directly or indirectly, by Dove a certification that neither Dove nor any of its contractors, agents or assigns (that are directly involved in the housing or incarceration or inmates) is employing any person in violation of this Forbearance.
- (c) will not at any time, with respect to any member of the Settlement Class, maintain or pursue any claim for reimbursement of that member's costs of

incarceration or medical care or for damages to any persons or property, to the extent of any funds recovered from the Texas Inmate Litigation Settlement Fund, whether such claim arises under common law or state or federal statute.

12. **Forbearances by CCRI.** As partial consideration for the Releases and Dismissals given herein by the Settling Class, CCRI agrees that, for the Forbearance Period only, CCRI:

- (a) will not, at any time before June 15, 2004, contract with the State of Missouri, directly or indirectly, to house any member of the Settling Class, other than on an individual basis pursuant to the Interstate Corrections Compact (see § 217.235 RSMO et seq. and Texas Code of Crim. Pro., Art. 51.13, the Uniform Criminal Extradition Act);
- (b) will not, with respect to any contract with the State of Missouri pursuant to which any member of the Settling Class is to be housed in any facility managed or owned by CCRI, employ in any position involving direct contact with said member of the Settling Class, any person who has been convicted of a crime the elements of which are abuse, neglect, or assault upon an inmate and will provide the State of Missouri within 15 business days following written notice from the Department that a member of the Settlement Class is being housed, directly or indirectly, by CCRI a certification that neither CCRI nor any of its contractors, agents or assigns (that are directly involved in the housing or incarceration or inmates) is employing any person in violation of this Forbearance.
- (c) will not at any time, with respect to any member of the Settlement Class, maintain or pursue any claim for reimbursement of that member's costs of incarceration or medical care or for damages to any persons or property, to the extent of any funds recovered from the Texas Inmate Litigation Settlement Fund, whether such claim arises under common law or state or federal statute.

13. **Texas Inmate Litigation Settlement Fund Agreement.** Class Counsel, Acceptance Insurance Co., Agricultural Excess and Surplus Insurance Company and TransCor America, Inc. will execute a Texas Inmate Litigation Settlement Fund Agreement (the "Fund Agreement") in the form set forth in Exhibit G which sets forth the procedure for establishing, funding and dispersing a Texas Inmate Litigation Settlement Fund (the "Fund"). Other than TransCor, Settling Defendants or their officers, agents, or employees will have no obligation to contribute to, administer, distribute, audit, oversee or certificate the Fund and will not be a signatory to the Fund Agreement and all Parties hereto and thereto hereby agree that the State of Missouri is not and cannot become liable to pay any sum into the Fund or to any person asserting beneficiary status with respect to the Fund arising out of or relating to the manner in which the Fund is being or has been or might be administered or dispersed.

14. **Releases in Favor of the Settling Defendants.** In consideration of the mutual undertakings in this Agreement, the Parties agree to the releases described in this Section, which will become effective and forever binding upon Final Approval as defined herein.

- (a) The Settlement Class, and each and every one of its members individually, hereby releases to the fullest extent allowed by law the Settling Defendants and The Bobby Ross Group, Inc. ("BRG"), Limestone County, Texas; Crystal City, Texas; Frio County, Texas; Zavala County, Texas; Navarro County, Texas; Newton County, Texas; and any other person, firm, corporation, or governmental entity and each of their present, future and former officers, agents, employees, and attorneys from any and all claims, causes of action, liabilities and judgments, presently asserted or unasserted, known or unknown, discovered or undiscovered or undiscoverable, arising out of or relating to the Texas Cell Lease Program, including but not limited to any claim relating to transportation of any person to or from the State of Texas or any claim for attorneys fees, costs, sanctions, or expenses associated with any past, present or future Texas Inmate Action.
 - (i) The Settlement Class, and each and every one of its members individually, warrants and represents that they have not, prior to the Execution Date, and will not, prior to Final Approval, assigned to any other person or entity any part of any claim being released pursuant to this Section and agrees that it will hold harmless each and every Settling Defendant and their present, future, or former officers, agents, and employees regarding every claim as to which it has made or ever does make such an assignment.
- (b) Each of the Settling Defendants hereby releases to the fullest extent allowed by law each of the other Settling Defendants, and each of their present, future and former officers, agents, employees and attorneys from any and all claims, causes of action, liabilities and judgments, presently asserted or unasserted, known or unknown or unknowable, discovered or undiscovered or undiscoverable, arising out of or relating to the Texas Cell Lease Program, including but not limited to any claim for attorneys fees, costs or expenses associated with any past, present or future action on or relating to any claim released under this Section;
 - (i) provided that claims between and among the State of Missouri, Brazoria County, Texas, Gregg County, Texas, Limestone County, Texas and CCRI arising out of or related to the contracts between the State of Missouri and Brazoria, Gregg, or Limestone County, Texas for housing of Missouri inmates are excepted from the provision and are not released, settled or otherwise impaired or in any way affected by this Agreement; and

- (ii) provided that claims between and among CCRI and Brazoria County, Texas, Gregg County, Texas, or Limestone County, Texas arising out of or relating to that certain Facility Lease and Management Agreement between them are not released, settled or otherwise impaired or in any way affected by this Agreement.
 - (c) Class Counsel, and all plaintiffs' attorneys, hereby release each of the Settling Defendants, and each of their present, future and former officers, agents, employees, insurers and attorneys from any and all claims, causes of action, liabilities and judgments, for attorneys fees, costs or expenses relating to any claim released under this Section except as set forth in Exhibit G.
15. **Releases in Favor of the Settling Class.** In consideration of the mutual undertakings in this Agreement, the Parties agree to the releases described in this Section, which will become effective and forever binding upon Final Approval as defined herein.
- (a) The Settling Defendants other than the State of Missouri, and each of them, hereby release to the fullest extent allowed by law the Settlement Class, and each of its members individually and their attorneys, from any and all claims, causes of action, liabilities and judgments, presently asserted or unasserted, known or unknown or unknowable, discovered or undiscovered or undiscoverable, arising out of or relating to the Texas Cell Lease Program, including but not limited to claims against an inmate for reimbursement of the cost of that inmate's incarceration and medical care during the period he or she was housed in the State of Texas.
 - (b) The State of Missouri hereby releases, to the extent of any funds recovered from the Texas Inmate Litigation Settlement Fund, each member of the Settlement Class from any liability to reimburse the State of Missouri for the cost of that member's incarceration, whether such claim arises under common law or under §§ 217.827 or 506.387 or any other similar state or federal statute.
16. **Attorneys Fees, Costs, or Expenses.** It is the understanding and mutual desire of each of the Parties that no Party to this Agreement, nor any of their current and former officers, agents, employees or insurers, shall be liable for, or shall ever be made to pay, the attorneys' fees, costs, or expenses of any other party, or of any member of the Settling Class, or any person obligated or benefitted by the Releases in this Agreement, except as may be provided in the Texas Inmate Litigation Settlement Fund Agreement by and between the parties thereto. It is further agreed and understood that no Party hereto is a "prevailing party" within the meaning of 42 U.S.C. § 1988; 42 U.S.C. §§ 12101 et seq., 42 U.S.C. § 2000d-7(a); 42 U.S.C. § 1981A; 42 U.S.C. § 1983 or any other statute or rule, state or federal, or other provision of law which is or may be in any way applicable hereto so as to charge any Party

hereto with the attorneys fees, expenses or costs of another Party, including any member of the Settlement Class.

- (a) The above provision does not apply to claims for attorney fees and/or costs between and among Brazoria County, Gregg County, Limestone County and CCRI arising out of or relating to the Facility Lease and Management agreements between them; or to attorney fees and/or costs arising out of the litigation between the State of Missouri and Brazoria County regarding the Contract between the State of Missouri and Brazoria County dated August 27, 1996; or out of any litigation between and among the State of Missouri, Gregg County, Limestone County, and CCRI regarding any contract for the housing of Missouri inmates in connection with the Texas Cell Lease Program.

17. **No Admission of Liability.** This Agreement is a good faith, negotiated resolution of disputed claims. Neither the Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement is admissible in any court proceeding, except those proceedings leading to court approval of this Agreement as contemplated herein, and any proceeding brought to enforce this Agreement as provided herein. No Party, by signing this Agreement, admits any fault or liability, or admits the validity of any claim made by any other Party or person with respect to the Texas Cell Lease Program or any other matter. The Settling Defendants specifically deny any illegal, tortious, improper or inappropriate action or inaction on any of their parts or the parts of any of any of their current or former officers, agents or employees with respect to the matters and issues being resolved herein. The presence of releases in this Agreement shall not be construed as indicating any person's or entity's belief or concession that the person or entity being released, whether or not a party hereto, has any liability of any kind to any entity providing the release or any other entity. The agreements by certain Settling Defendants to certain Forbearances for a limited period of time shall not be construed as an admission that the subject of any Forbearance is or ever was illegal, tortious, or wrong, or that any of the actions required in the future were not done in the past to the fullest extent required by law and policy of the parties.

- (a) Consistent with other recitals in this agreement, the above provision does not apply to litigation between and among the State of Missouri, Brazoria County and CCRI arising out of or relating to the contract between the State of Missouri and Brazoria County dated August 27, 1996 or any litigation between or among the State of Missouri, Gregg County, Texas, Limestone County, Texas, or CCRI regarding any contract for the housing of Missouri inmates in connection with the Texas Cell Lease Program.

18. **Breach and Enforcement.** No Party shall commence any action against any other Party for breach of this agreement, other than a breach of any party to pay into the Fund in such amount and at such time as required by the Fund Agreement, unless they have provided written notice of the breach to the breaching party and given that party a reasonable period not to exceed 30 calendar days to cure that breach.

- (a) Any action for breach of this agreement may only be filed in the Circuit Court for Cole County, Missouri; such action will be governed by Missouri law and such action may not seek, and all parties hereby waive any right to, any relief other than or in addition to specific performance under this agreement and the State of Missouri hereby waives its sovereign immunity to that extent only. No Settling Defendant may be made a party to any action against another party for a breach by the other party of the Settlement Agreement.
- (b) The proper court and applicable law for any action for breach of the Fund Agreement is as set forth in that agreement, but in no event shall the State of Missouri be made a party to such a proceeding.

THE PARTIES

16. Plaintiffs are citizens of the State of Missouri, currently or formerly in the custody of MDOC, who were transferred by the Missouri Defendants and MDOC to various Texas jail facilities operated by Texas defendants under the Texas Cell Lease Program between January 1, 1995 and December 31, 1997. The facts concerning the planning and operation of those transfers is more fully set out below.

17. Plaintiffs Phillip Johnson, Shawn Armstrong, Joseph Cornejo, Neely Milner, Gerald Farrell, Keenon Giles, and Brent Murphy and all class

members were transferred to and incarcerated in one or more of the Texas jail facilities operated by all defendants in the Texas Cell Lease Program, which were located in and operated by the following Texas governmental entities: Brazoria County, Texas, Gregg County, Texas, Navarro County, Texas, Frio County, Texas, Newton County, Texas, Limestone County, Texas, and Zavalla County, Texas and Crystal City, Texas. CLASS ALLEGATIONS

33. Plaintiffs Phillip Johnson, Shawn Armstrong, Joseph Cornejo, Neely Milner, Gerald Farrell, Keenon Giles, and Brent Murphy and all class members were each incarcerated in one or more of the Texas jail facilities described above under the Texas Cell Lease Program. They suffered physical injury, constitutional violations, contract violations, irreparable injury and other harm more specifically described herein as a direct and proximate result of the conduct of defendants under the Texas Cell Lease Program. They are now imminently threatened with similar violations, injuries, irreparable injury and harm from defendants under the Texas Cell Lease Program.

34. Plaintiffs Phillip Johnson, Shawn Armstrong, Joseph Cornejo, Neely Milner, Gerald Farrell, Keenon Giles, and Brent Murphy bring this action individually and also in a representative capacity on behalf of all persons similarly situated. The class consists of every MDOC inmate who was, claims to have been, or may in the future claim to have been transferred to, housed in, assigned to or relocated to any correctional facility in the State of Texas between January 1, 1995 and December 31, 1997 ("the relevant period") for any length of time, whether or not any particular member of that class is still in the custody of MDOC.

35. The class consists of a number of such inmates in excess of 2100 persons, the exact number being known only to the defendants. The class is so numerous as to make joinder of all members impracticable.

36. There are questions of law and fact common to the class of persons above described, in that all were subjected to breaches of contract, and unconstitutional deprivations of life, liberty and property and due process of law at the Texas correctional facilities controlled by the defendants for the time period enumerated above. The breaches of contract and constitutional deprivations are described at length below but include physical assaults, threats, intimidation, torture, incarceration in an inadequate facility with lack of basic necessities of life and other violations of the constitutional rights of the plaintiff class and of the individual plaintiffs. These acts directly and proximately caused injuries to all the class members, and the injuries to all class members are similar. The named plaintiffs and all class members were illegally denied equal protection of the law and privileges and immunities guaranteed to them under the law.

37. The claims of the named plaintiffs are typical of the claims of the class sought to be brought.

38. The above-named plaintiffs, as representative parties, will fairly and adequately protect the interest of the class. Said plaintiffs are represented by counsel with experience in civil rights litigation and class action litigation in the federal district courts and courts of appeals.

39. Defendants have refused to act on grounds generally applicable to the class, and final declaratory and injunctive relief for the class is appropriate.

40. All named plaintiffs and class members are now and/or were at all times pertinent hereto either incarcerated in custody of the State of Missouri and the above-named Missouri defendants or otherwise reside within the State of Missouri, rendering adjudication in this Court efficient.

41. The plaintiffs meet all the criteria for certification of a class under Rule 23(a) and (b)(2).

FACTS COMMON TO ALL CLAIMS

42. In July of 1983, Missouri Attorney General John Ashcroft wrote Opinion No. 83-93 holding that MDOC may not legally contract out the operation of adult correctional facilities to private prison companies under Missouri law.

43. Between 1993 and 1997, the Missouri defendants developed and participated in the Texas Cell Lease Program by which MDOC contracted out the operation of adult correctional facilities to private prison companies through the use of contracts with Texas municipal entities named above and subcontracts with the private prison companies.

44. The Texas Cell Lease Program was in violation of Missouri law, and was a concerted effort, conspiracy and meeting of the minds among defendants to circumvent the holding in Opinion No. 83-93.

45. In the summer of 1996, defendant Brazoria County, Texas retained James P. Brewer to act as its agent to negotiate a contract for the housing and confinement of plaintiffs and other inmates at the Brazoria County Correctional Center as part of the Texas Cell Lease Program.

46. Brewer, while acting on behalf of defendant Brazoria County, Texas, contacted officials with the State of Missouri in person and by telephone in the State of Missouri to negotiate the terms and conditions of the contract.

47. On August 27, 1996, the State of Missouri and defendant Brazoria County, Texas entered into the contract, Exhibit A, which had been negotiated by Brewer.

48. Defendant Brazoria County, Texas entered into a subcontract with defendant CCRI to fulfill the obligations of defendant Brazoria County, Texas under the contract.

49. Defendant Gregg County, Texas, and all the Texas governmental entities identified herein similarly entered into contracts with the State of Missouri and the Missouri defendants and also entered into subcontracts with one or more of defendants Capitol Correctional Resources, Inc., Dove Development Corp. and The Bobby Ross Group, Inc. for the housing of Missouri inmates under the Texas Cell Lease Program, in circumvention of Missouri law, and such conduct was a concerted effort, conspiracy and meeting of the minds among defendants to circumvent the holding in Opinion No. 83-93.

50. Pursuant to the laws of the State of Missouri, and the contracts and subcontracts entered into by and between the defendants and the private prison companies, plaintiffs and all class members were considered to be inmates of the State of Missouri, and under the jurisdiction of MDOC.

51. At all times mentioned herein, the guards who transported plaintiffs and all class members to, between and from the Texas jail facilities were the agents of all defendants herein, acting within the course and scope of such agency.

52. At all times mentioned herein, the guards at the Texas jail facilities were the agents of their respective Texas governmental entity, their respective sheriff and CCRI or another private prison company, acting within the course and scope of such agency.

53. Throughout the relevant period, plaintiffs and all class members were involuntarily transferred and transported by defendants, without warning, from the State of Missouri to the State of Texas pursuant to the contracts entered into by and between the various defendants.

54. The transport of plaintiffs and all class members from the State of Missouri to the State of Texas was undertaken by the defendants in order to enhance and perfect the financial interests of the defendants.

55. Some of the plaintiffs and class members were involuntarily and illegally transferred by MDOC and defendants from the State of Missouri to the Texas jail facilities as improper punishment for alleged, imagined, non-existent or real transgressions and infractions allegedly committed while incarcerated in the State of Missouri.

56. Some of the plaintiffs and class members were improperly and illegally transported from the State of Missouri to the Texas jail facilities only after their inmate security classifications were improperly and illegally changed by order of defendant Schriro in conspiracy with other defendants in order to "dump" more violent offenders in the Texas jail facilities, in direct contravention of the contracts between the various defendants, and in contravention of the third party beneficiary contract rights of plaintiffs and all class members.

57. On information and belief, defendant Schriro, with full knowledge of the illegality and consequences of her actions, ordered subordinates to change the security classifications of numerous inmates for the sole purpose of making them eligible for transfer to the Texas jail facilities as aforesaid.

58. On information and belief, some MDOC employees argued with defendant Schriro that her actions were improper, ill advised and wrong, however, defendant Schriro told them to do it anyhow.

59. Defendant Schriro knew that by reclassifying more violent offenders from level 4 and 5 status to level 2, 3 and 4 status, the more violent offenders would be housed in the same cells and tanks with less violent level 2 and 3 inmates, thereby subjecting the level 2 and 3 inmates, including plaintiffs and all class members, to increased incidence and risk of violence, bodily harm, and fear for their personal safety.

60. In furtherance of their conspiracy, the Missouri defendants then withheld from the Texas defendants information that inmate classifications had been deliberately and illegally changed in violation of the aforesaid contracts and sub-contracts between defendants, and in violation of the constitutional rights and the third party beneficiary contract rights of plaintiffs and all class members, as more fully described herein.

61. The conspiratorial acts of the Missouri defendants directly affected the rights of the plaintiffs and all class members incarcerated in the Texas jail facilities, in that plaintiffs and all class members were subjected to increased risk and incidence of harm at the hands of other, more violent inmates in direct contravention of the

Eighth Amendment, and in contravention of the third party beneficiary rights of plaintiffs and all class members under the said contracts and sub-contracts.

62. The illegal reclassification of plaintiffs and class members by the Missouri defendants was arbitrary, capricious, and in excess of statutory authority in that the Missouri defendants violated Missouri Statutes and the standard operating procedure for classification of offenders as set forth in Missouri Department of Corrections Institutional Services Policies and Procedures.

63. Plaintiffs and class members were assaulted, battered, shackled and handcuffed by defendants or their agents, acting within the scope of their agency, while they were still in the State of Missouri; they were forced to use a bucket in the aisle of the bus as toilet facilities on trips lasting 18-22 hours; and they were denied adequate food and nutrition.

64. Upon transfer, and immediately upon disembarking from the transport buses at the Brazoria County Correctional Center, the first group of plaintiffs and class members was met by agents of defendants Brazoria County, Texas, CCRI and the Missouri defendants, who were outfitted in riot gear, helmets, batons, stun guns, and guard dogs and who began to threaten such plaintiffs and class members with violence.

65. Wilton David Wallace was one of the leaders of the guard contingent and was a Lieutenant employed by defendants CCRI, Brazoria County and the Missouri defendants.

66. Wallace had previously been terminated from his employment as a correctional officer in the Texas Department of Corrections when, in approximately

1983, he either pled guilty to or was convicted in Federal Court of abusing and depriving inmates of their civil rights and violating the civil rights of inmates in the Texas correction system, and of altering or destroying records and documents in order to cover up the violations.

67. Wallace was reportedly incarcerated for six months as a direct result of his conviction or entry of plea of guilty.

68. After his release from jail or prison, defendants CCRI, Brazoria, and the Missouri defendants hired Wallace as a prison/jail guard.

69. On or about Wednesday, September 18, 1996, a Brazoria County deputy sheriff videotaped the actions of the Brazoria County Tactical Response Team, CCRI guards, and their use of drug and guard dogs against plaintiffs and class members at the Brazoria County Correctional Center.

70. Defendant Allan thereafter received by facsimile a letter dated September 19, 1996 from B. R. Crawford, the Warden of the Brazoria County Correctional Center, in which Crawford stated:

- (a) there was "unrest among all inmates since arrival at the Brazoria County Correctional Center",
- (b) assistance was sought from the Brazoria County Tactical Response Team;
- (c) inmates were allegedly "yelling and beating on the windows";
- (d) gas was "accidentally discharged in one cell;" and
- (e) "two (2) inmates [were] bitten by the dog."

71. Subsequent reports concerning the incident revealed that "Polaroid photos were taken" of injured inmates and submitted to the Brazoria County Sheriff.

72. On or about October 18, 1996, an Internal Affairs Investigation was conducted by the Brazoria County Sheriff, Joe King. That report specifically cited Lieutenant Lester Arnold with excessive use of force and recommended a 10-day suspension without pay.

73. The Internal Affairs investigation report stated, inter alia:

(a) An inmate was stunned with a stun gun and jerked. A jailer was heard to state, "That hurts when you get hit with it, doesn't it?"

(b) "Lieutenant Arnold states that he had used the stun gun three (3) times during the course of helping CCRI and BCSO ERT team;"

(c) "Sergeant Carter (BCSO) and Lieutenant Wallace (CCRI) were two of the officers" wrestling with an inmate;

(d) "Lieutenant Wallace observed Lieutenant Arnold use the stun gun on five (5) inmates;"

(e) "Lieutenant Wallace again observed Lieutenant Arnold use the stun gun on four (4) more inmates while they were exiting and entering the Pod area. Lieutenant Wallace stated that all inmates shocked with the stun gun were crawling on their stomachs while exiting and entering the tanks to be searched;"

(f) "During the incident of September 18, 1996, a video recording of the actions of the BCSO Emergency Response Team was made by one of the

team. This recording was reviewed and clearly shows Lieutenant Arnold use the stun gun on the buttocks of one inmate;"

(g) "According to the statement of Lieutenant Wallace of CCRI, Lieutenant Arnold used the stun gun a total of nine times, all on inmates crawling on the floor either exiting or entering the dorm;"

(h) "Apparently none of the above incidents were captured on the videotape, but one incident was captured on the tape. One where Lieutenant Arnold uses the stun gun on an inmate crawling on the floor in the hallway. This inmate appeared to be doing nothing more than what he was being told to do as best he could when Lieutenant Arnold reached down and applied the stun gun to the buttocks of the inmate for no apparent reason."

74. Pursuant to the Contract entered in August, 1996, between the State of Missouri and defendant Brazoria County, Texas:

(a) the County was to keep, maintain and update records regarding inmates;

(b) discipline could be administered by the County to Missouri inmates provided such discipline was: (1) reasonable and proportionate to the violation; (2) impartial and non-discriminatory; (3) neither arbitrary nor retaliatory; (4) not physically abusive; (5) "accurate, detailed reports of the disciplinary actions against the State inmates are provided to the State within five (5) working days of the date the action is finalized or the punishment is administered."

75. On or about February 5, 1997, an incident involving the dispatch of a SWAT Team occurred:

- (a) Missouri inmates were stripped down to their underwear;
- (b) "A tazer, not a cattle prod, was used and in his opinion [Sheriff King's] unjustified. The supervisor has been reprimanded with a loss of 80 hours of pay."
- (c) "The incident was video recorded."

76. Immediately after their arrival at the Brazoria County Correctional Center on or about September 18, 1996, the first group of inmates informed defendant Schriro and other Missouri defendants, and others, orally and in writing, that they were being tortured, abused and subjected to cruel and unusual punishment by the defendants and their agents.

77. Family members and loved ones of plaintiffs and class members, wrote to and verbally contacted the Missouri defendants and elected officials who in turn contacted the Missouri defendants to complain about the treatment of plaintiffs and class members in the Texas jail facilities.

78. Despite the actual knowledge of the Missouri defendants that plaintiffs and class members were being tortured, abused, subjected to cruel and unusual punishment and subjected to other violations of their constitutional rights and third party beneficiary contract rights, defendants Schriro and Allan refused to order the return of plaintiffs and class members to the State of Missouri, and continued to transfer more class members to the Brazoria County Correctional Center and other Texas jail facilities.

79. The transfer of class members from the State of Missouri to the Texas jail facilities continued on a regular basis until and through August of 1997.

80. When subsequent groups of class members were transported from the State of Missouri to the Brazoria County Correctional Center between September, 1996 and August, 1997, the agents of defendant Brazoria County, Texas, defendant CCRI, and defendant Transcor, Inc. continued their prior practice of committing torts in the State of Missouri by abusing and subjecting the subsequent groups of class members to cruel and unusual punishment while traveling from the State of Missouri.

81. From the time they were forced to board buses in the State of Missouri for transport to the Texas jail facilities under the Texas Cell Lease Program, including but not limited to defendants Brazoria County and Gregg County, until their eventual return to the State of Missouri, plaintiffs and class members were, by all defendants and their agents, tortured, abused, subjected to cruel and unusual punishment and were subjected to other violations of their rights under the First, Fourth, Fifth, Sixth, Eighth, Ninth and Fourteenth Amendments to the United States Constitution, and were subjected to violations of their third party beneficiary contract rights by defendants and their agents in the following respects:

- (a) they were physically assaulted and battered;
- (b) they were repeatedly punched and kicked;
- (c) they were forced to remove all of their clothing and then crawl on their stomachs from their cell to the hallway while nude;
- (d) they were terrorized and humiliated;
- (e) they were slammed into the walls of the jail facility;

- (f) they were thrown to the ground and floor;
- (g) they were subjected to mace and other chemical agents without cause;
- (h) their personal property was intentionally stolen and destroyed;
- (i) their requests for medical treatment for their injuries and illnesses were ignored and denied;
- (j) they were administered psychotropic drugs and medications such as Elavil without a reasonable and necessary medical indication to warrant the administration of such drugs;
- (k) they were confined with Level 4 and 5 inmates in violation of the contracts and Missouri law;
- (l) their complaints to all defendants herein and their agents were ignored;
- (m) they were threatened with death and asked if they "wanted to see the graveyard";
- (n) they were discriminated against because they were from Missouri in that they were forced to scream "I love Texas" and other such statements under threat of physical force and punishment;
- (o) they were denied access to the press, to family members and to the outside world to whom they sought to fully reveal the nature of the violations being visited upon them by defendants;
- (p) they were placed in punitive confinement in the "hole" without just cause;

(q) they were denied access to the courts and counsel in that they were denied reasonable access to Missouri law books and an adequate legal library;

(r) their access to courts and counsel were denied, hindered and interfered with in that the defendants failed to return to them their possessions, including but not limited to, legal papers, research, personal belongings and other tangible things;

(s) they were denied adequate meals and nourishment in violation of the contract between the State of Missouri and the Texas governmental entities named above, and in violation of the third party beneficiary rights of plaintiffs and other class members;

(t) they were unjustly confined to their cells and denied exercise;

(u) plaintiffs and other class members, many of whom are of African-American descent, were victims of racial discrimination, subject to racial slurs and derogatory comments and treatment, further white prisoners who associated with or who befriended African-American prisoners were victims of discrimination, slurs and derogatory comments and treatment;

(v) when they complained about their treatment in the Texas jail facilities under the Texas Cell Lease Program to relatives, friends and to defendant Schriro and other defendants, threats were made to further cut off their access to the outside world by removing their inmate telephones; and,

(w) during their transport out of the State of Missouri by defendants they were handcuffed and shackled for trips lasting 18-22 hours, were denied

adequate food and were forced to use toilet facilities which consisted of buckets placed in the aisle of the transport buses.

82. All class members became aware of the notorious, abusive and violative conditions, practices and treatment in the jail facilities of defendants Brazoria County and Gregg County, and in all of the Texas jail facilities under the Texas Cell Lease Program, and were thereby caused to live in fear of being transported to those jail facilities. All class members continue to this day to live in fear that they may be transported by defendants to the jail facilities of defendants Brazoria County and Gregg County, and all of the Texas jail facilities under the Texas Cell Lease Program

83. From September of 1996 until August of 1997, plaintiffs and class members continued to make repeated complaints, orally and in writing, to defendant Schriro and the other defendants, that they were being tortured, abused and subjected to cruel and unusual punishment and the other constitutional and contract violations described above. Their complaints were ignored and they were threatened by defendants or their agents with retaliation if they persisted in making complaints.

84. At various times between September of 1996 and August of 1997, plaintiffs' and class members' family members and friends made repeated complaints, orally and in writing, to defendant Schriro and other defendants that plaintiffs and class members were being tortured, abused and subjected to cruel and unusual punishment and the other constitutional and contract violations described above by defendants and their agents. Their complaints were ignored.

85. At various times between September of 1996 and August of 1997, members of the United States Congress and/or the Missouri Legislature advised

defendant Schriro that they had been receiving complaints from family members of plaintiffs and class members. Defendant Schriro took no action.

86. At various times between September of 1996 and August of 1997, numerous Missouri inmates filed lawsuits contesting the conditions of their confinement and the abuses they received at the hands of the defendants.

87. Upon information and belief, the Office of the Attorney General of the State of Missouri conducted an inquiry in response to the lawsuits filed by inmates against defendant Schriro.

88. Despite all of the warnings, protests, lawsuits and the report defendant Allan received on September 19, 1996, about the September 18, 1996 incident, the Missouri defendants refused to act to protect plaintiffs and class members from abuse and cruel and unusual punishment at the hands of the defendants. The Missouri defendants instead threatened plaintiffs and class members with retaliatory action if they continued their complaints.

89. Notwithstanding the inquiries from members of the United States Congress and/or the Missouri Legislature and the Office of the Attorney General of the State of Missouri, defendant Schriro refused to order the return of the plaintiffs and class members to the State of Missouri, and continued to transfer more class members to the Texas facilities.

90. In August of 1997, a videotape was released to the public showing the torture, abuse and cruel and unusual punishment inflicted upon the first group of class members by the defendants at the Brazoria County Correctional Center on or about September 18, 1996.

91. When the general public learned about the conditions in the Texas jail facilities under the Texas Cell Lease Program, defendant Schriro then immediately canceled the contract with Brazoria County, feigned ignorance of the situation, and ordered that all of the Missouri inmates were to be immediately returned to the State of Missouri.

92. Plaintiffs and all class members were by defendants intentionally denied the right to file effective grievances concerning the allegations of this Complaint while in the Texas jail facilities under the Texas Cell Lease Program. Plaintiffs and all class members were, by defendants, under threat of terror and death for exposing the conditions within the Texas jail facilities.

93. During the relevant period, both while in the Texas jail facilities under the Texas Cell Lease Program, and while being transported to, from and between said facilities, plaintiffs and all class members were by defendants subjected to 23 hour per day lock down, an inhumane food diet, inhumane medical care, daily threats, denied access to legal materials and mail, denied grievance procedures to bring these matters of life and death to the attention of human rights agencies or legal assistance, denied hygiene and basic minimal cleaning materials and were forced to buy from the company store such items as were necessary for health and safety, and were subjected to threats of death and physical harm.

94. Plaintiffs Phillip Johnson, Shawn Armstrong, Joseph Cornejo, Neely Milner, Gerald Farrell, Keenon Giles, and Brent Murphy and all class members, during their transportation to from and between the Texas jail

facilities by defendant Transcor and the other defendants, and during their incarceration in the Texas jail facilities in Brazoria County, Texas, Gregg County, Texas, Navarro County, Texas, Frio County, Texas, Newton County, Texas, Limestone County, Texas, and Zavalla County and Crystal City, Texas by those Texas government entities, defendants Capitol Correctional Resources, Inc., Dove Development Corp. and The Bobby Ross Group, Inc., and defendants Schriro and Allan, were caused by those defendants to suffer intentional physical injury, assault, battery, beatings, dog attacks, cattle-prod, tazer and other electronic shockings, chemical macings, gassings, torture, abuse, cruel and unusual punishment, threats intimidation, racial epithets and discrimination, denial of proper and adequate medical care, denial of access to counsel, to the courts and to legal resources and materials, denial of adequate meals and nutrition, denial of adequate hygienic facilities and materials, denial of free speech, destruction and denial of their personal belongings, false conduct violations, improper security classifications, improper confinement with more violent offenders, improper and unwarranted punitive administrative segregation, denial of access to the press, denial of free speech, denial of an adequate grievance process, and other violations by defendants of rights secured to plaintiffs and all class members by the First, Fourth, Fifth, Sixth, Eighth, Ninth and Fourteenth Amendments of the United States Constitution, and the third party beneficiary contract rights of plaintiffs and all class members.

95. Throughout the entire relevant period defendants had the responsibility and obligation to supervise and control the acts of the guards, transportation personnel, and all staff and other agents in connection with the Texas jail facilities; however, they failed to do so.

96. Defendants received numerous complaints from plaintiffs and class members, plaintiffs' and class members' family and friends about the torture, abuse, cruel and unusual punishment and other constitutional violations enumerated more fully hereinabove being inflicted upon plaintiffs and all class members; however, defendants ignored the complaints and refused to investigate them.

97. Defendants had actual knowledge of the torture, abuse, cruel and unusual punishment and other constitutional violations being inflicted upon plaintiffs and all class members; however defendants deliberately refused to establish and implement policies, practices and procedures to protect plaintiffs and all class members.

98. The cruel and unusual punishment and other constitutional violations being inflicted upon plaintiffs and all class members was a persistent and widespread practice of private transportation companies and of private prison companies in the State of Texas, and was so common and well settled as to constitute a custom representing official policy on the part of these defendants.

99. The actions and omissions of defendants were committed under color of state law and pursuant to policies, practices, and procedures used with respect to the transportation of Missouri inmates to from and between the Texas jail facilities.

100. The actions and omissions of defendants constitute violations of the Ku Klux Klan Act, 42 U.S.C. § 1983 et seq., and plaintiffs and all class members are therefore entitled under the Ku Klux Klan Act to equitable relief, damages and the recovery of litigation costs, including reasonable attorneys' fees and expert witness fees pursuant to § 1988 thereof.

101. The actions and omissions of defendants were willful, wanton and malicious.

102. As a direct and proximate result of the custom and practice adopted by these defendants, and as a direct and proximate result of the individual specific acts by defendants, plaintiffs and all class members were deprived of their civil rights and liberties in violation of the Constitution of the United States, the Constitution of the State of Missouri, and 42 U.S.C. § 1983, et seq. in that plaintiffs were:

- (a) Deprived of their right to be secure in their persons, papers and effects;
- (b) Deprived of their right to personal safety and freedom from excessive force and cruel and unusual punishment;
- (c) Deprived of their right to due process of law;
- (d) Deprived of their right to equal protection of the law;
- (e) Deprived of their right to privileges and immunities of the law;
- (d) Deprived of their right to free speech;
- (e) Deprived of their right to petition the government for the redress of grievances;
- (f) Deprived of their right to counsel and access to the courts; and,

(g) Deprived of their right to petition for writ of habeas corpus.

103. All of defendants' aforesaid conduct was also violative of plaintiffs' and all class members' rights under the First, Fourth, Fifth, Sixth, Eighth, Ninth and Fourteenth Amendments to the United States Constitution, and violative of the third party beneficiary contract rights of plaintiffs and all class members, in that such conduct constituted deprivations of substantial life, liberty and property interests without due process of law and constituted unreasonable seizures of persons, property and liberty. This conduct violated the rights of plaintiffs and all other inmates to due process of law and to the equal protection of the laws and the equal privileges and immunities of the laws as guaranteed by the Fourteenth Amendment.

104. Plaintiffs and all class members were directly and proximately damaged by the conduct, violations, acts and omissions of all defendants, as described above.

Jury trial is hereby demanded.

COUNT I

CLAIM FOR DECLARATORY AND INJUNCTIVE RELIEF ON BEHALF OF PLAINTIFFS AND ALL CLASS MEMBERS

105. Plaintiffs and all class members incorporate by reference as if fully set forth herein the allegations of paragraphs 1 through 104 above.

106. The State of Missouri, by and through defendant Schriro, entered into contracts with defendants Brazoria County, Texas, (attached hereto as Exhibit A-1) and

Gregg County, Texas, (attached hereto as Exhibit A-2) as well as all Texas governmental entities identified in paragraph 17, above.

107. The contracts were entered into pursuant to Section 217.525 et seq., RS Mo. (1994) (Interstate Corrections Compact). Article III of the Interstate Corrections Compact specifies that: "(d) The terms and provisions of this compact shall be a part of any contract entered into by the authority of or pursuant thereto and nothing in any such contract shall be inconsistent therewith."

108. Plaintiffs and all class members are interested parties in the contractual relationships between the contracting parties in those contracts, in that the contract and the Interstate Corrections Compact which is incorporated there, specifies the manner of their treatment, rights and privileges, and modes and manners of redress of grievance of and for plaintiffs' and class members' benefit.

109. The Interstate Corrections Compact, specifically Article IV, Procedures and Rights, subparagraph (e), states that:

All inmates who may be confined to an institution pursuant to the provisions of this compact shall be treated in a reasonable and humane manner and shall be treated equally with such similar inmates of the receiving state as may be confined in the same institution. The fact of confinement in a receiving state shall not deprive any inmate so confined of any legal rights which said inmate would have had if confined in an appropriate institution of the sending state.

110. The above described Brazoria County and Gregg County contracts (Exhibits A-1 and A-2), specifically Section III (Contract Administration), at paragraph 3.12 (no third party beneficiary enforcement), state in pertinent part:

It is expressly understood and agreed that enforcement of the terms and conditions of this contract, and all rights of action relating to such enforcement, shall be strictly reserved to the state and county, and nothing contained in this contract shall give or allow any claim or right of action whatsoever by any other person on this contract. It is the expressed intention of the state and the county that any entity, other than the state or the county, receiving services or benefits under this contract shall be deemed an incidental beneficiary only.

This contract is not intended to create any rights, liberty, interest, nor entitlements in favor of any inmate. The contract is intended only to set forth the contractual rights and responsibilities of the contract parties. Inmates shall have only those entitlements created by federal or state constitutions, statutes, regulations, or case law.

111. Paragraph 3.12 of those contracts is inconsistent with Article III, Paragraph 4(b) of the Interstate Corrections Compact.

112. The contracting parties exceeded their authority to declare that plaintiffs were "incidental beneficiar(ies) only." Further, defendant Schriro exceeded her authority in contracting with the said Texas governmental entities, rather than with the State of Texas. Further, defendant Schriro exceeded her authority in entering into a contract the purpose of which was to contract out the operation of adult correctional facilities to private prison companies.

113. Defendants cannot legally limit plaintiffs' and all class members' rights to redress violations of the said contracts in that such violations are and were injurious to plaintiffs and all class members and caused them injuries and damages.

114. As a direct and proximate result of defendants' aforesaid conduct plaintiffs and all class members suffered injuries to their persons including physical injury and severe mental anguish and mental injury, and further suffered harm and loss and deprivation of their civil rights, constitutional rights and third party beneficiary contract rights as more fully alleged herein.

115. Plaintiffs and all class members suffered physical injuries to their persons as a direct and proximate result of the harms and loss and deprivation of civil rights, constitutional rights and third party beneficiary contract rights as more fully alleged herein.

116. As a direct and proximate result of the foregoing, plaintiffs and all class members live in fear of being sent to these Texas jail facilities again. All plaintiffs and class members are therefore in jeopardy of imminent and irreparable future injury, harm, loss and deprivation and seek declaratory and injunctive relief to prevent such injury, harm, loss and deprivation.

117. All defendants now threaten that plaintiffs and all class members are subject to being immediately re-transferred without notice to the Texas jail facilities under the Texas Cell Lease Program, and therefore plaintiffs and all class members are subject to being again caused by

defendants to suffer such future injury, harm, loss and deprivation, unless the equitable relief here prayed is granted.

118. All plaintiffs and class members have no adequate remedy at law.

119. Such imminent future injury, harm, loss and deprivation are likely to cause plaintiffs and all class members serious and irreparable injury and harm.

120. Plaintiffs and all class members have no plain, adequate or complete remedy to redress these wrongs other than a suit for declaratory and injunctive relief.

121. Any other remedy would be attended by such uncertainties as to deny substantial relief, and would cause plaintiffs and all class members further irreparable injury and occasion damage, vexation, and inconvenience.

WHEREFORE, the above-named plaintiffs pray, individually and in their representative capacities as follows:

- 1) that the Court enter its order certifying the class action pursuant to Rule 23(b)(2) Fed.R.Civ.P.;
- 2) that the Court enter its order appointing and denominating the undersigned counsel as Class Counsel;
- 3) that the Court enter its order and judgment granting declaratory relief:
 - a. declaring in favor of plaintiffs as to the construction, validity, and rights bestowed or limited pursuant to the contracts

between Missouri and defendant Brazoria County and between Missouri and defendant Gregg County, including but not limited to a declaration that such provisions of said contracts as purport to deny to plaintiffs and all class members third party beneficiary status are invalid, illegal, and unenforceable as against plaintiffs and all class members and that plaintiffs and all class members are, in fact, third-party beneficiaries to the said contracts with all rights and benefits of third-party beneficiaries bestowed upon them;

b. declaring the transfer and incarceration of plaintiffs and all class members in Texas jail facilities as alleged above to be illegal, violative of and in breach of their third party beneficiary contract rights, and violative of their rights under the United States Constitution;

c. further declaring the grievance procedures, conduct violations procedures and actions violative of plaintiffs and all class members rights;

4) that the court enter its preliminary and permanent injunction:

a. enjoining defendants from transferring plaintiffs and all class members to Texas jail facilities or to any custodial facility in which certain individuals are employed;

b. enjoining defendants from denying plaintiffs and all class members access to the courts, the press, counsel, proper

grievance procedures and from giving effect to inmate conduct violation determinations made against class members while in the Texas jail facilities;

c. enjoining defendants from seizing, garnishing, attaching, interfering with or otherwise making claim to plaintiffs and all class members' assets, property, property rights, judgments, damages or moneys obtained, realized or accruing through this cause of action or any settlement related hereto, or any other assets of the class members, pursuant to the Missouri Incarceration Reimbursement Act, Sections 217.825 et seq., RSMo., or otherwise, and enjoining them from assessing costs of care under said Act.

- 5) that the Court enter its order awarding reasonable attorneys' fees to undersigned class counsel for the named plaintiffs and all class members, and awarding costs, and expert witness costs; and,
- 6) that the Court enter its order granting such other and further relief as is just and proper.

COUNT II
CLAIM FOR DAMAGES
FOR CIVIL RIGHTS VIOLATIONS AND
FOR BREACH OF CONTRACT
ON BEHALF OF PLAINTIFFS AND ALL CLASS MEMBERS

122. All plaintiffs and class members hereby incorporate by reference as if fully set forth herein the allegations of paragraphs 1 through 104, and 106 through 115, above.

123. Plaintiffs and all class members were and are third-party beneficiaries of the contracts between the State of Missouri and defendants Brazoria County and Gregg County.

124. Defendants Brazoria County and Gregg County breached the said contracts (Exhibits A-1 and A-2) with the State of Missouri as set forth in the Petition for Breach of Contract filed by the State of Missouri in the case of State of Missouri ex. rel. Jeremiah (Jay) Nixon vs. Brazoria County, Texas, et al., and which is attached hereto as Exhibit C and incorporated by reference.

125. Defendants Brazoria County and Gregg County further breached the said contracts (Exhibits A-1 and A-2) with the State of Missouri by engaging the conduct more fully described herein.

126. Plaintiffs and all class members were injured and damaged as a direct and proximate result of the general and specific breaches of the contract as aforesaid in that plaintiffs and all class members were terrorized, beaten, threatened, harassed, denied constitutionally protected rights, denied medical treatment and care, denied proper meals, denied access to the Courts, suffered physical, mental, and emotional pain and suffering, and suffered the harms

and loss and deprivation of civil rights, constitutional rights and third party beneficiary contract rights as more fully alleged herein.

127. Plaintiffs and numerous class members suffered physical injuries to their persons as a result of the aforesaid conduct of defendants.

128. Plaintiffs and numerous class members suffered physical injuries to their persons as a result of the inhumane conditions aforesaid.

129. Plaintiffs and numerous class members suffered physical injuries to their persons as a result of the deprivations and violations of their civil rights, constitutional rights and third party beneficiary contract rights as more fully alleged herein.

130. As a direct and proximate result of the foregoing, plaintiffs and all class members were damaged.

131. Plaintiffs and all class members are therefore entitled to actual and compensatory damages for breach of contract and pursuant to 42 U.S.C. § 1983 et seq.

132. The conduct of defendants aforesaid was intentional, willful, wanton, malicious and outrageous, entitling plaintiffs and all class members to an award of punitive or exemplary damages.

Jury trial is hereby demanded.

WHEREFORE, the above-named plaintiffs pray, individually and in their representative capacities as follows:

- 1) that the Court enter its order certifying the class action pursuant to Rule 23(b)(2) Fed.R.Civ.P.;

- 2) that the Court enter its order appointing and denominating the undersigned counsel as Class Counsel;
- 3) that the Court convene a jury trial;
- 4) that judgment to be entered for actual and compensatory damages against defendants in an amount to be determined by a jury as fair and reasonable for the breaches of contract and for civil rights violations pursuant to 42 U.S.C. § 1983 et seq.;
- 5) that judgment be entered for punitive or exemplary damages against defendants in an amount determined by the jury;
- 6) that the Court fairly apportion actual, compensatory and punitive damages among the class members;
- 7) that the Court enter its order awarding reasonable attorneys' fees to plaintiffs pursuant to 42 U.S.C. § 1988 and pursuant to Rule 23 Fed.R.Civ.P. to undersigned class counsel for the named plaintiffs and all class members, and awarding costs, and expert witness costs; and,
- 8) that the Court enter its order granting such other and further relief as is just and proper.

Jury trial is demanded.

Exhibit E
Texas Conduct Violation Review Procedure

1. The Department will, with respect to any written request (in the form of Exhibit F to the Settlement Agreement) that is submitted by a Settlement Class member within 30 days of Final Approval as defined herein, initiate a review of any Texas Conduct Violation (a "Texas Conduct Violation Review" or "Review").
2. The Texas Conduct Violation Review will be conducted in good faith by the Department and will include review by the Director or Assistant Director before any conduct violation for which a review is properly requested pursuant to this procedure is finally determined to be upheld.
3. With respect to any Texas Conduct Violations committed by or alleged to have been committed by any Settlement Class member while housed (directly or indirectly) by them, Brazoria, Gregg, BRG, Dove, or CCRI hereby agree, for a period not to exceed 120 days after Final Approval, to make available to the State of Missouri for review and copying all documents relating to, and any other tangible evidence of, a particular Conduct Violation, including where practical and reasonably necessary, the sworn affidavit of those with first-hand knowledge who remain employees of Brazoria, Gregg, BRG, Dove, or CCRI.
4. If the Department in its sole and unreviewable discretion determines that the Conduct Violation should not have issued, the Department will overturn, but not expunge, that Conduct Violation and will remove it from the inmate's file and will otherwise correct the inmate's records
5. If the Department overturns a Texas Conduct Violation, such a ruling will have prospective effect only and will not affect any past action or decision regarding that inmate's status with the Department, nor will such ruling be deemed to establish any liability on the part of any other person or entity.
6. The Texas Conduct Violation Review does not create any substantive or procedural right except as herein specified. If the Department in its sole and unreviewable discretion determines that the Conduct Violation was proper or should not be overturned, no right of any further review of that decision is either created or extinguished by this Settlement Agreement.
