CIVIL CONTEMPT ORDER

Based on the clear and convincing evidence presented to the Court at the evidentiary hearing, the Court finds that Defendant **SHERIFF GREG BARTLETT** has knowingly and willfully violated Paragraph 22 of the Consent Decree by consistently failing to provide a nutritionally adequate diet to class members. The Court further finds, by clear and convincing evidence, that Sheriff Greg Bartlett has converted to his personal use and benefit state and federal funds allocated for the feeding of class members.

The Court further finds by clear and convincing evidence that the Defendants **GREG BARTLETT** and the members of the **MORGAN COUNTY COMMISSION** have knowingly and wilfully violated Paragraph 33 of the Consent Decree by failing

to make available to class members the law books specifically required by that provision.

The United States Marshal is hereby DIRECTED to forthwith take the aforesaid GREG BARTLETT into custody, and to hold him until such time as he purges himself of contempt. The Court will forthwith entertain any proposals as may be submitted by him to purge himself of the contempt.

The Sheriff and the Morgan County Commission have taken appropriate measures to bring themselves into compliance with Paragraph 33 of the Consent Decree. Thus, there is no need for sanctions.
