No. 1:08-CV-1317-TWP-MJD

**Entry Discussing Motion filed by Leroy Jeffers**

The motion for relief/writ filed by Indiana inmate Leroy Jeffers on October 14, 2011, has been considered.

Mr. Jeffers may or may not be a member of the plaintiff-class. Assuming for the present that he is, however, his motion for relief/writ [Dkt. 253] is **denied**. The reason for this ruling is that Mr. Jeffers' request to be released on parole and/or for the restoration of forfeited good time is not connected with the identified issues in this case.
