EDWARD BRIDGEMAN  
U. S. DISTRICT COURT  
E. DISTRICT OF MO.

To Judge John A. Nangle

I am file written objections to these Proposed settlement with in the 10 days of date of order. The Magistrate's Memorandum Item 2 which is Titled Cold food and Inadequate Portions thereof in the 2 months here I have found hair 2 times in my meal and 1 times shells in the eggs. I saw in the newspaper a boy brush with died from eggs shells it cut his air off. More care is need in fixing food like eggs, and hair Nets

NO. 82-2236 Magistrate's Recommendation on "Contact" Visits It say the court find refusal of such Visits to be reasonable in this Particular institutional setting. This institutional did have "Contact Visits Record will show it because I was here at the time and got "Contact Visits" for 6 months here

3. Substandard Medical - Dental Facility  
The Medical Doctor here gave me pills for a week and did not do a thing to help me I ask to see the doctor again it was a new doctor to me. I show him my Problem and he said he can not treat it, because he did not knows he said to the nurse to send me to a special doctor for treatment it take 2 week and 3 week a person could die by the time you go to the hospital because they did not know how to treat here that was punishment on my wife all she worried she did because of it and call the

Johnson v. O'Brien

~~Letter to [unclear] (7/27/72) [unclear]~~

State Rep. about it and talk to him at home about the trouble he was upset on how they do things.

9. Antiquated Visiting Books

at no time can a resident and a visitor be "wire tip" with out when knowing it at the jail ~~that~~ wild they are talking

Judge Mangle I did not get to the Law Library because the list was long to look up cases you have do I am know ~~by~~ lawyer

I think the court needs to look in to this more by coming to the jail one's a month are 6 month are one's year to see how ~~at~~ things are going and have a meeting with the resident to review things you are a good judge. I would like to hear from you Judge Mangle to this letter it will tell me you got it OK.

Thank you for your time

Message: Today, I was taken to County Hospital Dermatology Clinic, seen by Dr. and I was told that I would have to have some test done. The transportation <sup>officer</sup> called "Tatto" I should know his first name is "Henry", asked the nurse if I was finished, I did not hear his reply, but he took me and put me in the van. When Rufus the other officer came out he informed "Tatto" the nurse wanted me back in there for a test. "Tatto" told Rufus to go back in there and tell them to set up another appointment. Rufus went back into the clinic, when he came out, the nurse came on for "Tatto" to bring me back in. He stated
