The Court took judicial notice of findings of fact & conclusions of law & order of the court in civil #5193 & stated that these would be made of part of this record. With particular reference to Section F of the court's order of 7/13/71 so as to provide for certain sanctions in the event certain assignments are made in an unconstitutional manner w/in a school district, the court feels the order should be amended & asked counsel to meet in chambers for a conference regarding the drafting of the proposed amendment.
