06/24/2016	120	PAPERLESS ORDER: granting <u>119</u> Defendant Florida Department of Corrections' second motion for extension of time to file a response. The Department's response to the complaint is due on or before June 27, 2016. Although the Court is granting the relief requested, it also directs the Department's counsel's attention to Local Rule 7.1(a)(3)'s requirement that counsel "make a reasonable effort to confer" and make a "good faith effort to resolve by agreement the issues to be raised in the motion." Defense counsel notes only that she "has been unable to confer with counsel for Plaintiffs." This is insufficient. "Local Rule 7.1 serves the purpose not only of attempting to avoid unnecessary expenditure of judicial resources resolving motions that are not opposed, but also to allow the Court to ascertain whether it should wait for a response from the opposing party before deciding the motion." <i>Royal Bahamian Ass'n, Inc. v. QBE Ins. Corp.</i> , 744 F. Supp. 2d 1297, 1302 n.7 (S.D. Fla. 2010) (Goodman, J.). Motions in this

		District are commonly denied for failure to follow this and other Local rules. Defense counsel shall review Local Rule 7.1(a)(3), and is admonished to take seriously the pre-filing conferral requirement in future matters before this Court. Signed by Judge Robert N. Scola, Jr. on 6/24/2016. (kbe) (Entered: 06/24/2016)

08/08/2016	135	PAPERLESS ORDER: The Court denies, without prejudice, <u>134</u> Plaintiff Andre Chapman and Defendants Florida Department of Corrections, Roland Clarke, and Jerry Cummings's joint motion to sever the action initiated by Plaintiff Disability Rights of Florida from the action initiated by Plaintiff Andre Chapman. The filing parties' motion does not contain a pre-filing-conference certification, as required by the Court's Local

		Rules. Local Rule 7.1(a)(3) requires an attorney filing a motion in a civil case to first confer with "all parties or non-parties who may be affected by the relief sought in the motion in a good-faith effort to resolve by agreement the issues raised to be raised in the motion." The filing attorney must then include in the motion a statement explaining to the Court that (1) all or some of the issues raised in the motion are unopposed; (2) counsel conferred but could not agree on all or some of the issues raised in the motion; or (3) counsel diligently attempted to confer but was unable to reach the opposing counsel. S.D. Fla. L.R. 7.1(a)(3). "Local Rule 7.1 serves the purpose not only of attempting to avoid unnecessary expenditure of judicial resources resolving motions that are not opposed, but also to allow the Court to ascertain whether it should wait for a response from the opposing party before deciding the motion." <i>Royal Bahamian Ass'n, Inc. v. 05/09/2017	183	PAPERLESS ORDER: The Court strikes <u>182</u> the parties' "Stipulated Protective Order." Section 3I(6) of the Southern District of Florida's CM/ECF Administrative Procedures provides that "proposed orders... shall be filed initially as an attachment to a motion, notice, or other filing" and "the final version of the proposed document must be e-mailed to the appropriate Judge." 05/09/2017	185	PAPERLESS ORDER: The Court denies, without prejudice, <u>184</u> the parties' joint motion to extend various pretrial deadlines, including the dispositive-motion deadline. As the Court has previously advised the parties, an extension of the dispositive-motion deadline necessitates the Court's resetting of the trial date in this matter. Thus, by requesting an extension of the dispositive-motion deadline, the parties are, in effect, requesting an extension of the trial date. If that is indeed the situation, the parties must make that request clear and show good cause to support the request. If that is not the situation, the parties must explain why, given the circumstances of this case, an extension of the dispositive-motion deadline would not result in the need for a corresponding extension of the trial date. 08/24/2017	224	PAPERLESS ORDER: The Court grants <u>221</u> the parties' joint motion to extend the expert disclosure deadlines. It does not appear that these extensions will affect any deadlines that impact the Court's own scheduling needs (such as the deadline for dispositive motions and the trial date) and the parties are in agreement. The deadline for expert disclosures is thus extended until October 5, 2017; the deadline for rebuttal expert disclosures is extended until October 26, 2017; and all expert discovery is to be completed by December 1, 2017. 12/11/2017	236	PAPERLESS ORDER: The Court denies, without prejudice, <u>235</u> the parties' joint motion for an extension of the dispositive-motion deadline, as well as various other deadlines. An extension of the dispositive-motion deadline necessitates a corresponding extension of the trial date. So, it appears to the Court that the parties are, in effect, requesting an extension of the trial date. If that is the situation, the parties must make that request clear and show good cause to support the request. If that is not the situation, the parties must explain why, given the circumstances of this case, an extension of the dispositive-motion deadline would not result in the need for a corresponding extension of the trial date. 02/06/2018	<u>247</u>	PAPERLESS ORDER: The Court grants in part and denies in part Plaintiffs' counsel Milton C. Grimes and Vicki I. Sarmiento's request to appear telephonically at the upcoming hearing set in this case. To begin with, the motion fails to comply with Local Rule 7.1(a)(3). Second, at least one attorney representing the Plaintiffs must appear in person at the hearing who is fully prepared to answer the Court's questions and who can personally present any documents relevant to the issues raised in the Plaintiffs' motion. However, the Court will, in addition, also allow another Plaintiffs attorney to appear telephonically. Should one of the Plaintiffs' attorneys still wish to appear by telephone, he or she must provide notice to chambers (via email at scola@flsd.uscourts.gov) no later than noon on February 14, 2018. In the notice counsel must provide the case name and number, the date and time of the hearing, the name of the person who will be appearing by telephone, and the name of the parties being represented. Counsel must also provide a number to a land line where she or he can be contacted prior to the start of the hearing. Counsel may not use any speaker functions during the hearing. 08/07/2018	311	PAPERLESS ORDER: The Court denies, without prejudice, Plaintiff Andre Chapman's <u>309</u> petition for the determination and allocation of wrongful death damages and <u>310</u> motion for an extension of time because neither motion contains a pre-filing-conference certification, as required by the Court's Local Rules. Local Rule 7.1(a)(3) requires an

		attorney filing a motion in a civil case to first confer with all parties or non-parties who may be affected by the relief sought in a good-faith effort to resolve by agreement the issues raised in the motion. The filing attorney must then include in the motion a statement explaining to the Court that (1) all or some of the issues raised in the motion are unopposed; (2) counsel conferred but could not agree on all or some of the issues raised in the motion; or (3) counsel diligently attempted to confer but was unable to reach the opposing counsel. S.D. Fla. L.R. 7.1(a)(3). The purpose of the rule is to ensure judicial economy and prevent courts from considering issues the parties could agree on independently, and to ascertain whether the Court need wait for a response from the opposing party before deciding the motion. <i>Aguilar v. Commons appears to have filed two different responses, with the exact same titles, to the same motion. The responses differ although it is unclear to what extent and why. Commons also does not offer any explanation whatsoever as to why she has submitted two responses to the same motion. Rather than waste judicial resources on

		<p>trying to figure out Commons's intent, which response is operative, and whether information in one should be considered over information presented in the other, the Court strikes both responses and orders Commons to file one amended response for the Court's consideration. Commons must file her amended response on or before August 24, 2018.</p> <p>[ORDER STRIKING <u>319</u> Response in Opposition to Motion, filed by Andre Chapman, <u>320</u> Response/Reply (Other), filed by Andre Chapman] Signed by Judge Robert N.
