01/28/1999	<u>144</u>	MEMORANDUM by Honorable Stephen N. Limbaugh This matter is before the Court on the report of the Settlement Coordinator, L(143)99, on the Agreement reached among the attorneys in this case. The Court commends the cooperative efforts of the parties, their counsel, the Settlement Coordinator and all others involved in attempting to achieve a negotiated resolution to this law suit. Senate Bill 781 is a remarkable peice of legislation in that it provides for State funding on an ongoing basis for the key components of a unitary public school system in the St. Louis area. The legislation evidences the State of Missouri's good faith in attempting to assure such a system. It appears that the State funding under Senate Bill 781, as well as the provisions of the Agreement, which is subject to final Court approval, go beyond what can reasonably be expected in the long term from continued litigation and judicial oversight in this case.
