PLAINTIFF'S MOTION FOR AN ENLARGEMENT OF TIME TO RESPOND
TO MOTION TO INTERVENE FILED BY LENORA TAYLOR

Pursuant to Rule 6(b) of the Federal Rules of Civil Procedure, plaintiff United States moves this Court for an enlargement of time to respond to Lenora Taylor's Motion to Intervene until ten days following receipt of that motion by plaintiff. Counsel for defendants City of Wadsworth, et al., and Counsel for Lenora Taylor have consented to this motion via telephone on June 3, 1986.

In support of this motion, the United States states as follows:

1. During the course of a hearing in the above-captioned action on May 21, 1986, this Court afforded Ms. Taylor an opportunity to move to intervene as plaintiff-intervenor.

2. By letter dated May 23, 1986, plaintiff United States requested permission to respond to any such motion for intervention.

3. On June 2, 1986, the United States received a copy of this Court's May 27, 1986, Order Overruling Motion to Show Cause and Setting Trial Schedule.

4. The May 27, 1986, Order granted the United States the opportunity to respond to any motion for intervention filed by Ms. Taylor, and ordered such response be filed on or before June 2, 1986 (Order, p.3).

5. Although the United States has been informed that a motion to intervene has been filed by Ms. Taylor, we have not yet received a copy of any such motion.

6. The United States is unable to respond fully to the motion until it has received said motion.

7. The enlargement of time the United States seeks will provide it with sufficient time to make an appropriate response.

Respectfully submitted,

WILLIAM B. FENTON
