Re: Green v. County School Board of  
New Kent County, Virginia

I am returning to you for your files the memoranda that we submitted to the Solicitor General on Green v. New Kent County School Board (October Term, 1967, No. 695), together with the notes of the Solicitor General's office authorizing the amicus participation by the United States. I have conferred with Brian Landsberg on this matter and then we spoke with Frank Schwelb. The plan is to have a finished draft of the brief submitted to Mr. Landsberg and myself by the close of business on January 11, and for us in turn to submit the brief to you on January 16, 1968. Hopefully, the brief could be submitted to the Solicitor General's office on January 17, 1968; petitioners' brief is due on January 24, 1968. Obviously this is a rather tight time schedule which places unreasonable burdens on everyone but due to the fact that we only have three weeks before filing it, I see no other alternatives.
