Re: Richard B. Sobol, et al. v.
Leander H. Perez, Sr., et al.,
Civil Action No. 67-243
Eastern District of Louisiana,
New Orleans Division

Gentlemen:

This is to advise you that it is our understanding that the brief of the United States, like that of the plaintiffs, is to be filed 20 days after the filing of the transcript. I am writing this letter to eliminate any ambiguity that might arise because part of the statement of the Court on the briefing schedule has been transcribed to read: "Mr. Bronstein will have 20 days, Mr. Fiss 15 days from that date" (Vol. 9, p. 109, Lines 8-15).

Sincerely,

OWEN M. FISS
Attorney
Civil Rights Division
