Re: Docket No. I9143

Dear Mr. Denniston,

I am representing the Women's Film/Study Alliance of Los Angeles. We are affiliated with the University of California in Los Angeles where I am a graduate student in the department of Theater Arts working on a thesis film about women. I am writing you in regard to the hearings to be held in New York City commencing May 9, 1972.

A large part of the film deals with working women which includes women working as telephone operators; therefore we consider the hearings an integral part of the film. We have had a great deal of experience in this type of filming and would use only a minimal amount of additional light. The crew would consist of two women and we feel we would in no way disrupt the proceedings of the hearings.

I look forward to meeting you and hope to hear from you soon. We are very enthusiastic about the hearings and cooperating with you.

Sincerely,

Donna Deitch
